

NOTICE TO RESIDENTS

Strata Underground Contractors of Clinton Township, Michigan was awarded the contract for the Replacement and installation of Sanitary Sewer on North Shore Road. The work will consist of directionally drilling approximately 175 feet of 12" HDPE pipe and removing and replacing approximately 200 of existing sanitary sewer.

Mobilization of equipment, materials and traffic control devices is taking place this week. The contractor anticipates starting the installation work the week of 10/31/2022. It is expected that it will take approximately 2 weeks to complete the replacement the sanitary sewer. The road will be repaired soon afterward. Prior to starting the road work, a new notice will be distributed.

It is anticipated that the project will be completed by the mid November 2022.

During the course of construction, you should expect the following:

PLEASE MAKE SURE ALL CARS ARE REMOVED FROM THE STREET AND DRIVEWAYS NO LATER THAN 7AM.

During the hours of 7am to 5pm please refrain from using any water in your home. Please do not use washing machines, dishwasher, toilet, shower, etc... during this time

Traffic will be maintained most of times throughout construction. The road will be repaired soon afterward. A new notice will be distributed for the road construction work.

We apologize for any inconvenience that this work is causing, but trust that you will understand the benefit of this project once it is completed. We will continue to update you regarding this work with periodic updates delivered to your door as necessary. **During the course of this project, questions and concerns should be addressed by the on-site Hennessey Engineers representative Charles Smith at (734) 365-3553 or you can also contact Hennessey Engineers at (734) 759-1600.**

Sincerely,

THE CITY OF LINCOLN PARK and
HENNESSEY ENGINEERS, INC.
