November 17, 2020

Due to a few positive Covid-19 cases of city hall employees, and the current spread of the pandemic, city hall will be closed today and the immediate future. We are moving toward a remote and by appointment service model. More details will follow later today.

We apologize for any inconveniences this might cause. In the meantime, payments for water bills, etc. can be made via the drop box, online or at the Lincoln Park Community Credit Union.
