

# Registration for FEMA Assistance Closes in Two Weeks

---

**Release Date: August 30, 2021**

**CHICAGO** – Don't get overlooked, get the help you need.

The FEMA registration deadline is **Monday, Sept. 13, 2021**, for residents of **Washtenaw** and **Wayne** counties with damage or losses from the June 25-26 severe storms and flooding.

Washtenaw and Wayne counties were designated eligible for FEMA's Individual Assistance program under the Major Disaster Declaration signed by President Biden on July 15.

FEMA assistance may include grants for temporary housing and emergency home repairs to make your home safe, accessible and secure. FEMA is unable to duplicate insurance payments. However, if you don't have homeowners insurance or are underinsured, you may receive assistance after your insurance claims have been settled.

If you have a homeowners insurance policy, file your insurance claim before applying to FEMA.

Even if you reported your damage to another agency or organization, you must still register with FEMA if you want to access federal disaster grants and U.S. Small Business Administration (SBA) long-term, low-interest disaster loans.
