**Don't Forget:**

# Snow Emergency Protocol Reminder

In the event a snow emergency is declared, **all vehicles will need to be immediately removed from city streets**. If cars are not removed they will be subject to being ticketed and towed at the owner's expense.

It is critical that snow plow trucks can clean the **entire width of city streets** to ensure safe travel of emergency vehicles and to make sure snow does not freeze to the surface after the storm has passed. If plows can not completely clear city streets it could block catch basins which will cause flooding. Please do your part. Visit [citylp.com](http://citylp.com) for details.

## I-75 Construction Begins February 4th

In just about a month, MDOT's planned reconstruction of the Interstate 75 corridor between Springwells Street and Gibraltar Road in Flat Rock will begin. Be advised this will have a large impact locally

here in our city and the Downriver area so please plan accordingly. Stay up to date [here](#) with the latest news/announcements.
