## COUNTDOWN TO SHUTDOWN: I-75 Construction Begins February 4th

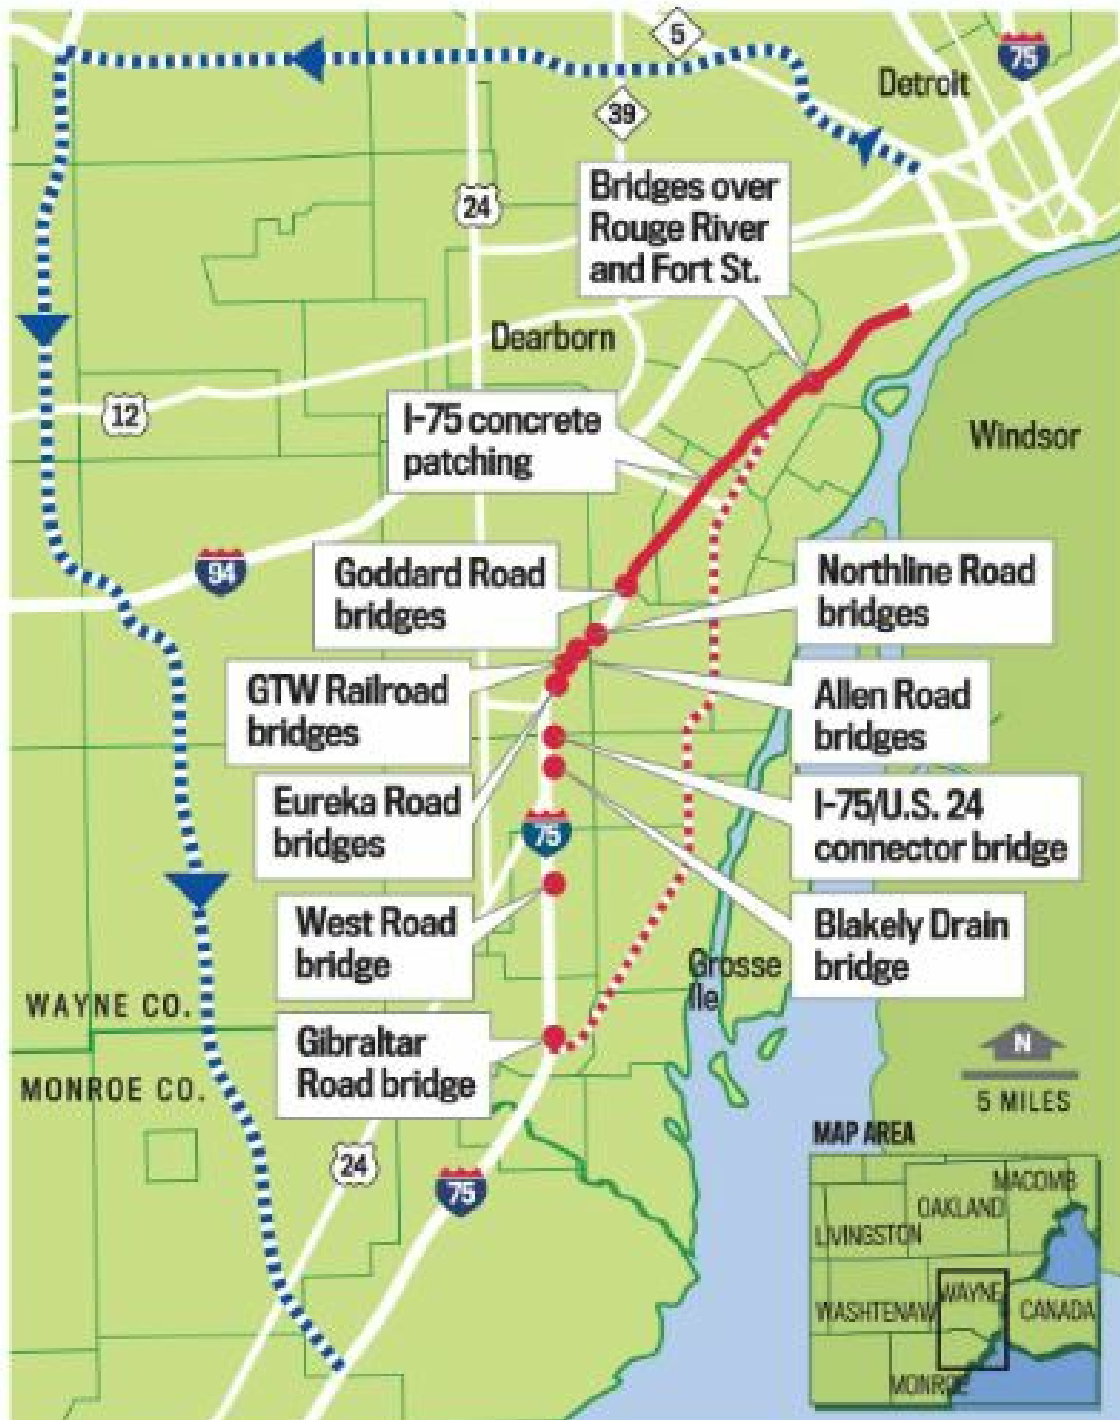

Only, a little over a week to go before this project is underway for the next two years. The construction will have a large impact locally and the greater Downriver area, so please plan accordingly. Stay up to date [here](#) with the latest news/announcements.

See below for details on the last scheduled public meeting.

# MDOT's Detroit-Downriver connection project

SB I-75 will be detoured as the freeway will be closed in that direction from Springwells in Detroit to Northline in Southgate. NB traffic will be maintained throughout the project's duration on NB lanes in 2017 and on SB lanes in 2018.

Fire Department

1355 Cleophus

The Fire Department has free smoke detectors available to any interested resident (limit 3). These have been provided by the American Red Cross as part of their "Home Fire Campaign" and are available until supplies run out.

The alarms are Kidde brand sealed units that have a ten year battery life, at which time the detector is discarded. Any interested resident, please stop by the fire station during business hours or call the Fire Chief at (313) 381-1100 ext. 2512. Thank you American Red Cross!
