**at 6:00 pm, Town Council Chambers**

# Little Compton Financial Town Meeting Procedures

May 17, 2016

Scott A. Morrison  
Town Moderator

- The **quorum** for Financial Town Meeting (“FTM”) is five (5) percent of registered voters, as provided by Section 305 of the Little Compton Home Rule Charter. There are currently 3,010 active registered voters. Hence, the quorum for the 2016 FTM is 151 voters. Please make every effort to remain until the end of the meeting. Our business is not complete until the tax levy and borrowing authority are approved.
- **Seating:** Please remain seated during the meeting, except for purposes of debate and voting. The votes of anyone standing in back or along the side will not be recognized. In addition, non-voters (who are welcome at the FTM) should be seated in the roped-off area on the bleachers, unless the Moderator has previously given individuals permission to be seated elsewhere. Non-voters may address the FTM only by approval of the Moderator.
- **Powers of the moderator:** Charter Section 305 provides that the “Town Moderator shall have all of the authority conferred upon moderators by State law in conducting and managing the business of Town meetings.” Section 45-3-18 of the Rhode Island General Laws reads, in its entirety: “Every moderator has the power to manage and regulate the business of each meeting, conforming to law, and to maintain peace and good order at the meeting.”
- **Motions and amendments:** The Charter (Section 502.A.) provides that the Budget Committee “shall have the primary responsibility for evaluation of all requests for appropriation by the Financial Town Meeting . . . and for presenting a proposed budget to the Annual Financial Town Meeting.” Thus, the Budget Committee will be recognized for the purposes of making the first motion (or “main motion”) on each warrant article involving the appropriation of funds. That motion, after receiving a second, will of course be subject to amendment. We will deal with and dispose of one amendment at a time. That is, we will not act on amendments to amendments. However, once one proposed amendment is disposed of, we can act on other proposed amendments to a main motion. Any substantial amendment should be prepared and presented to the Moderator in written form.

A motion for adoption of warrant articles in a group is permitted under Section 304 of the Home Rule Charter. However, amendment and debate of individual warrant items within such a grouping are also permitted. Amendments may also be offered to separate one or more warrant articles from a motion involving a group of articles. Furthermore, amendments that encompass several articles may also be proposed. Finally, Section 304 provides that “the order of items to be considered . . . may be changed by a two-thirds vote of the electors present and voting.”

- **Discussion and debate:** If you wish to make a motion or speak to a motion, please come to a microphone on the floor. Please identify yourself when you speak. State law provides that all electors who “desire to be heard” on a motion are entitled to be heard—but electors are not entitled to be heard repeatedly or interminably. If you have been heard once on a question, you will not be recognized again unless and until all others speaking to that question have been

heard. The Moderator reserves the discretion to recognize at any time a town official speaking to or responding to an inquiry about a warrant article involving that official's department or office. Please keep your comments brief and to the point. If speakers do attempt to run on at length, I will impose and enforce a time limit. Any questions for town officials or others should be addressed to and through the Moderator. All voters are expected to conduct themselves in a respectful and civil manner. Comments directed at personalities will not be tolerated.

- **Voting:** I will first ask for a voice vote on a question, calling for ayes and nays. If conclusive, I will declare the results of the vote. If I am in doubt on a voice vote, I will call for a standing vote, which will be counted by the tellers, two of whom will count each section. Remain standing until you are instructed by the tellers to be seated. Please be patient so that we can achieve an accurate vote count. Once I have declared the outcome of a voice or standing vote, there is no opportunity for a recount.
- **Voting by ballot:** State law provides that "a vote shall be taken by ballot, if a ballot is called for and the call is seconded by at least one-fifth (1/5) of the electors who are qualified to vote on the pending question." A motion for a vote by ballot must be made before I have called for and concluded a vote by other means, such as a voice or standing vote. In the event of a vote by ballot, we will use ballots and the optical-scanning voting machine provided to us by the Board of Elections. Please follow closely the direction of the tellers in voting section by section and row by row. The tellers will direct you to the outside aisles. You'll then be handed a ballot. Mark it "yes" or "no" at one of the voting booths, insert it into the voting machine, and then return to your seat by the center aisle.
- **Recess to another night:** If the business of the FTM is not concluded on May 17, the meeting will recess and then reconvene a week later (May 24), as provided in Section 302 of the Charter.

**Report of the Budget Committee  
Little Compton, RI**

Voters of Little Compton:

In accordance with the Town Ordinances for the Town of Little Compton, the Little Compton Budget Committee is presenting this Report for Fiscal Year 2017 to the Annual Financial Town Meeting. The Meeting is scheduled for Tuesday, May 17, 2016 at 7:00 pm in the Wilbur McMahan School Auditorium.

Past Activities

For the past five (5) years, Town Budgets for consideration by the community have required a tax levy between \$9.8 million and \$10.9 million dollars. Year-to-year small increases in the levy have fluctuated between 1% and 1.7%, due in large part to a strong sense of cooperation amongst all departments to manage demands, growth, and the effects of taxes on the taxpayers of the town. A single large increase in our year-to-year levy occurred when the Town assumed the net debt payments related to the bond that financed the required Health and Safety improvements to the Wilbur McMahan School building.

Small increases in Town Assessed values on real estate have reduced the resulting tax rates on real estate. The recent completion of the Triennial Statistical Revaluation (December 31, 2015) has resulted in a roughly 5% increase in net taxable value of all Town real estate. In order to maintain compliance with the State Law regarding year-to-year tax levy increases that are mandated to not exceed 4%. This increase in taxable value will result in a reduction in the calculated tax rate following approval of the 2017 proposed Tax Levy at the Financial Town meeting.

In this past Fiscal Year 2016, the unrestricted General Fund surplus for the Town has declined below our historical target of 12%, which has supported the Town's AAA bond rating and its ability to borrow money at competitive rates when funding the School reconstruction efforts, saving the Town millions of dollars over the life of the bond. This surplus also allows some degree of contingency for Town departments to fund operations (with Town Council approval) in the event that extenuating circumstances should cause unexpected cost overruns.

Objectives/Activities

In considering the Fiscal Year 2017 Budget, the objectives of the Budget Committee have been as follows:

1. Develop a Town-wide Budget that meets current needs with an eye towards future operational and capital expenditure requirements.
2. Develop a Budget that complies with State Law that requires staying under the 4% annual levy cap.
3. Develop a Budget that balances community services with responsible property tax growth.
4. Develop a Budget that attempts to maintain or move towards an Unrestricted General Fund balance that represents 12% of total annual budgeted expenses.

In working towards these objectives, members of our Committee have worked directly with individual departments to take a more "granular" approach during budget preparation at the department and then the Town level. This has given us greater insight into the financial challenges that each department faces when preparing budgets that attempt to align with requirements, balanced against responsible growth. Throughout meetings directly with the major Town departments we have reviewed their budget requests and made the recommendations you will find herein. The single driving factor for all budgets, town-wide, tends to be costs associated with contractually required increases for salaries and benefits for Town employees (including Fire, Police, and School Departments).

We have also worked closely with the full-time Town Manager and the Town Council President to develop and recommend a Capital Improvement Fund that aims to upgrade critical capital assets at a steady, conservative pace

over the next five-years to that our Town Government and Departments can continue to safely and effectively serve the community.

### Future

The important issue that continues to affect our Town is the changing demographic profile of Little Compton. In reviewing the budget, we see increasing requests for services that support older residents; we also continue to see requests from our younger families to maintain a high-performing school for our children. Set against the context that Little Compton is seeing an increasing population of older residents that spend more than 6-months in the community, and Little Compton (like other communities in RI) is witnessing a decline in school enrollments, this dynamic presents a difficult balance that must be addressed. With this situation in mind, the Budget Committee has proposed and supported two resources for addressing these planning efforts. First, we have recommended that the Town continue to support funding of the Seniors Van Transportation service that has been managed by "Stay at Home in Little Compton, Inc.". Second, we are supporting a School effort to maintain a high level of excellence in serving the community by recommending support of their requested, modest budget increase of 1.4% while simultaneously requesting that they impose a cap on the year-to-year surplus that they carry for contingency AND supporting the effort for the Town, School, and concerned citizens to develop a School Strategic Plan that attempts to address budget, programs, staffing, and enrollment towards the future.

We have tried to meet these objectives and supply comprehensive information in this Budget Committee Report to help the voters of Little Compton review our efforts and make intelligent, informed decisions at the upcoming Financial Town Meeting on May 17, 2016 at 7:00 PM. Please also find attached to our report a comprehensive budget report prepared by the School Department for your consideration, and also the Town Moderator's letter that describes Financial Town Meeting orders and procedures.

The Budget Committee

Total Recommended Budget      13,197,805

**Budget Comm. Rec:**

Approve

- 1 To authorize and direct the Town Treasurer to receive funds from the State of Rhode Island, the Federal Government, and private and other sources, and to credit these funds to the proper appropriated Town accounts or to other Town Meeting designated accounts. Said funds so received would reimburse the Town for specific expenditures, or be in anticipation of specific expenditures within said accounts. The expenditure of said funds so received exceeding \$300,000 from one source, or for one project or purpose, shall only be spent as authorized by vote of the Town Meeting or a Special Town Meeting. All other monies would continue to be deposited into the General Fund.

**Budget Comm. Rec:**

Approve

- 2 To authorize the Town Treasurer to accept private donations to all private funds set up by the Little Compton Town Council. Said funds to be expended only after approval of the various committees and authorization and approval of the Town Council.

**Budget Comm. Rec:**

Approve

- 3 To authorize the Little Compton Housing Trust to receive monies, including state and federal grant monies, to receive or acquire any real or personal property, by any manner including grant, gift, bequest or purchase, devise and to convey or lease real estate and/or buildings, so long as such conveyances shall be in keeping with the purposes of the Housing Trust and in conformance with Section 103 of the Little Compton Town Charter. Said real or personal property may be held in any manner so long that said acquisition and improvement are consistent with the Mission of the Trust.

**Budget Comm. Rec:**

Approve

- 4 To authorize the Reserve Fund to receive the accumulated revenues from the lease of the cell tower at the Transfer Station and will be subject in all respects to the conditions of the Little Compton Town Charter, Section 512. Authorized expenditures from the Reserve Fund in the current fiscal year are to be reimbursed from the cell tower lease revenues in the coming fiscal year.

**Budget Comm. Rec:**

Approve

- 5 To authorize the Town Council to spend all previously approved tax payer funds, grants and any additional donations designated specifically for the restoration of the recreational fields and facilities on the Peckham Lot.

**Budget Comm. Rec:**

Approve

- 6 To see if the Town, pursuant to Sections 7 and 8 of Chapter 16 of the Rhode Island Public Laws of 1985, as amended ("An Act Establishing the Little Compton Agricultural Conservancy Trust"), will: 1) increase the current transfer-tax exemption on real property transfers from \$150,000 to \$225,000 of the total purchase price (thereby eliminating the current two-percent (2%) tax rate on that amount of the total purchase price between \$150,000 and \$225,000); and 2) reduce from four-percent (4%) to three-percent (3%) the transfer tax rate on that amount on the total purchase price exceeding \$225,000. The \$225,000 exemption and 3% tax rate will take effect upon approval by electors at the Financial Town Meeting. (YES or NO)

## Wilbur and McMahon School Budget Message

We are pleased to report on the status of the schools to the Citizens of Little Compton. The proposed school budget for Fiscal year 2017 shows an increase in total expenditures of \$97,800, a 1.43% increase over the 2016 budget. The town appropriation requested to support the Fiscal Year 2017 budget is \$6,517,006, an increase of \$85,866, which represents a 1.34% increase over the Fiscal Year 2016 appropriation. *(For additional information regarding the school's accumulated budget surplus, please see Appendix A.)*

Our schools continue to perform at a high level due to the dedication of our administration, teachers and staff, the support of our parents, and on-going support of groups such as the Parent, Student Teacher (PST) Association, the Little Compton Education Foundation (LCEF) and the Little Compton Prevention Coalition (LCPC).

The School Committee is working on the Little Compton School's Strategic Plan and continues to revise the Little Compton Policy Manual.

The School Administration continues to work closely with the town officials to ensure efficiencies and cost savings through enhanced communications.

### Academic Highlights

- Implemented Robotics Classes during the school day for Grades 5 & 6.
- Instituted a SeaPerch Program during the school day. Placed first in Regional SeaPerch Competition at UMass Dartmouth. Students will compete in the National SeaPerch Competition at Louisiana State University in May.
- Added STEM and STEAM programming during school day for students in Grade 4.
- Added a 3D Printing Program during school day for students in Grades 7 & 8.
- Incorporated an Info-Literacy Class for students in Grades 5 & 6 during the school day.
- Added Grade 4 Band/Chorus to the school day.
- Scheduled teachers in Grade 4 to become content specialists in two subject areas.
- Scheduled teachers in Grades 5 & 6 to become content specialists.
- Scheduled special education teachers to allow time for a weekly intervention period.
- Extended after-school academic support for Grades 3 and 4.
- Implemented After the Bell after-school academic support for Grades 5, 6, 7 and 8.
- Completed the alignment of the Math Curriculum to the Common Core Standards.
- Completed the first year of a two-year program aligning the English Language Arts to the Common Core Standards.
- Completed the second year of a three-year science program aligned to the National Grade Level Science Standards.
- Continued working on Phase 2 of the Data Analysis and implementation of Math and English Language Arts Curriculum.
- Hired a part-time, grant-funded School Psychologist for Grades 5-8.
- Welcomed to Wilbur McMahon School an integrated Pre-School Program run by the Newport County Regional Special Education Program for students ages 3, 4 and 5.

### Extra-Curricular Highlights 2015-2016

- April Friends' Day (National Speaker) – Grades K-8 (LCEF & LCPC)
- Band – Grades 4-8 (LCEF)

- Boys'/Girls' Track – Grades 5-8
- Chess Club – Grades 3 & 4
- Co-Ed Lacrosse – Grades 1-4
- Co-Ed Soccer – Grades 5-8
- Create Your Plate Art 1 & 2 – Grades 5-8 (LCEF)

#### Goals for 2016-2017 School Year

Goal 1: *Little Compton School's Strategic Plan for 2016-2017 will coordinate with the Rhode Island Department of Education 2016-2017 Strategic Plan which is under development.*

- Objective – Define the mission and vision of the Little Compton School District for the next 3-5 years.
- Strategy – Establish strategic planning committees consisting of school administrators, faculty, school committee, staff, parents, town officials and community members to discuss goals.

Goal 2: *Continue alignment of the English Language Art Curriculum for Grades K-2 with the Common Core Standards and K-8 Science Curriculum to the National Grade Level Science Standards.*

- Objective – Improve student learning in English Language Arts in Grades K-2 and improve student achievement in Science in Grades K-8.
- Strategy – Provide professional development to faculty in English Language Arts and Science. Use the FOSS Science Kits for all grades K-8.

Goal 3: *Implement an on-line literacy program that fosters differentiated instruction while engaging all learners at their individual reading levels.*

- Objective – Improve literacy skills for all students in grades 5-8.
- Strategy – Provide professional development to faculty and staff in grades 5-8.

Goal 4: *Develop a five-year plan for the Little Compton School District.*

- Objective – Incorporate blended learning into all curricular areas. Develop a technology purchasing plan for the next five years. Provide professional development in the newest technology skills for teachers.
- Strategy – Establish a committee consisting of School Administration, Director of IT, faculty and School Committee.

Goal 5: *Develop a five-year capital improvement plan for the Little Compton School Department.*

- Objective – Identify things that need to be fixed or upgraded in the next five years.
- Strategy – Establish a committee of school administration, director of facilities, school committee to review building needs.
