Minutes of a Town Council virtual meeting held June 23rd, AD 2021 via Video and Tele-Conferencing at 6:05 o’clock PM. Councilors present: Paul J. Golembeske, Gary S. Mataronas, Andrew W. Moore, Robert L. Mushen and Anya Wallack. Also in attendance: Antonio Teixeira, Town Administrator.

The purpose of this special meeting of the Council is to conduct a review of collective bargaining for the LC Municipal Employees Union Local 860, IAFF Local 3957 and IBPO Local 644. The Town Council President polled his fellow Councilors as to their wishes to enter into executive session under RIGL Section 42-46-5(a)(2) collective bargaining. All voted in favor (Golembeske, Mataronas, Moore, Mushen, Wallack). The live stream was muted at this point with signage announcing the Council as being in executive session.

The Town Administrator and Councilors reviewed current status of negotiations for LC Municipal Employees Union Local 860, IAFF Local 3957 and IBPO Local 644.

Additional negotiations for both IAFF Local 3957 and IBPO 644.

The Town Council President polled his fellow Councilors as to their wishes to exit executive session under RIGL Section 42-46-5(a)(2) collective bargaining. All voted in favor (Golembeske, Mataronas, Moore, Mushen, Wallack). The live stream was unmuted at this point to allow audio and visual again in open session.

Returning into open session at 6:53 PM the following was voted:

Motion made by Councilor Wallack, receiving a second by Councilor Mataronas, voting in favor by roll call (Golembeske, Mataronas, Moore, Mushen, Wallack): To accept the negotiation agreement with Little Compton Municipal Employees Union Local 860 and authorize execution of the new contract agreement to be signed by the Town Administrator on behalf of the town.

With no further business before the Council the meeting was declared adjourned at 6:54 PM.

Carol A. Wordell, CMC, Town Clerk

Motion made by Councilor Mataronas, receiving a second by Councilor Golembeske, voting in favor by roll call (Golembeske, Mataronas, Mushen, Wallack): To approve, as written the June 10, 2021 Town Council meeting minutes.

Motion made by Councilor Mataronas, receiving a second by Councilor Golembeske, voting in favor by roll call (Golembeske, Mataronas, Mushen, Wallack): To approve, as written the June 15, 2021 Town Council meeting minutes.

Motion made by Councilor Mataronas, receiving a second by Councilor Golembeske, voting in favor by roll call (Golembeske, Mataronas, Mushen, Wallack): To approve, as written the June 16, 2021 Town Council meeting minutes.

Next agenda item is a communication received from Brennan Tierney, Peace Development Fund Foundation Associate requesting the Council to endorse Back from the Brink: Call to Prevent Nuclear War a policy they believe will greatly reduce the real and immediate risks posed by nuclear weapons and chances they will ever be used again. Additionally received was a communication from Bill Waters on behalf of Pax Christi Rhode Island (a Catholic Peace Organization) on the same subject.

Brennan Tierney presented his request for the Council to adopt a resolution concerning Back from the Brink: Call to Prevent Nuclear War policy. Mr. Tierney is 25 and was born and raised in Little Compton. He mentioned Dr. Ira Helfand, BfB, PSR, member of the International Steering Group of international campaign to abolish nuclear weapons, the recipient of the 1985 and 2017 Nobel Peace Prize recipient and Co-President of the International Physicians for prevention of nuclear war. Mr. Tierney was passionate about his charge to see a verifiable agreement among online nuclear to eliminate the nuclear arsenal.

Dr. Ira Helfand spoke to the Council expressing his support for the Back from the Brink resolution. He talked of studies of the underlying magnitude of the destruction modern nuclear weapons would cause and the need to prevent actions that could cause a threat to our planet.

Terence Tierney spoke in support of the resolution noting that many local residents are in support naming many from the Sakonnet Peace Alliance group.

Councilor Mataronas expressed concern with disarmament. Supports stated the resolution does not call for unilateral disarmament and feel small towns can have an impact on this subject.

Councilor Wallack supports the spirit of the resolution, but not sure how much impact Little Compton would have on the issue. Councilor Golembeske believes the resolution would be symbolic, but wishes to only support item #1 in the proposed resolution which would be to support actively pursuing a verifiable agreement among nuclear armed states to eliminate their nuclear arsenals.

Larry Anderson noted that in the 1980’s when the Air Force attempted to install GWEN (ground wave emergency network towers) on property now known as Simmons Mill Management Area the Town Council adopted a resolution opposing the network. That effort and efforts of the RI Governor and RI Attorney General forestalled the erection of the tower causing the Air Force to not build on that site.

A compromise was proposed which was agreeable to Mr. Tierney.

Motion made by Councilor Wallack, receiving a second by Councilor Mataronas, voting in favor by roll call (Golembeske, Mataronas, Mushen, Wallack): To adopt a resolution to call on the United States to lead a
global effort to prevent nuclear war by actively pursuing a verifiable agreement among nuclear arms states to eliminate their nuclear arsenals as follows:

Town of Little Compton, Rhode Island

Resolution of the Town Council

WHEREAS, nine nations collectively possess many thousands of nuclear weapons, most of them with far more destructive power than those detonated at Hiroshima and Nagasaki in 1945; and

WHEREAS, the detonation of even a small number of these weapons could have catastrophic human and environmental consequences; and

WHEREAS, a constituent of the Town has asked the Town Council to consider endorsing a call to prevent nuclear war entitled “Back from the Brink”;

NOW, THEREFORE BE IT RESOLVED that the Little Compton Town Council calls on the United States of America to lead a global effort to prevent nuclear war by actively pursuing a verifiable agreement among nuclear-armed states to eliminate their nuclear arsenals;

AND BE IT FURTHER RESOLVED that a copy of this resolution be sent to Representative David Cicilline, Senator Jack Reed, Senator Sheldon Whitehouse, and President Joseph Biden.

For the Town Council, Robert L. Mushen, President
Adopted June 24, 2021

Motion made by Councilor Wallack, receiving a second by Councilor Mataronas, voting in favor by roll call (Golembeske, Mataronas, Mushen, Wallack): To extend Special Directive 5, revision 11 through July 23, 2021 acknowledging that the Council President will act on behalf of his fellow Councilors to extinguish immediately upon receipt of the cancellation of the Governor’s State Emergency Declaration.

Discussion of proposal suggested by DPW Director, William Moore to increase fees for various items taking in at the Town Transfer Station under Chapter 8 of the Town Code. Comments have been offered previously by the Town Clerk and DPW Director. The following suggestions were gathered from the Councilors during this discussion.

Councillor Mataronas: stickers increase to $25
Other councilors agree in general to these suggestions.

Coupons to $5
Seasonal to $15
Tires – charge same fee as RIRRC
Refuse haulers increase to $500??

Councillor Golembeske additionally suggested working language to eliminate contractors debris for commercial contractors, but still accept from residents for their personal work done (small volumes).

Motion made by Councilor Wallack, receiving a second by Councilor Mataronas, voting in favor by roll call (Golembeske, Mataronas, Mushen, Wallack): To forward to the DPW Director and the Town Administrator comments and suggestions offered with regard to a proposal to consider increasing fees in Chapter 8 of the Town Code for Transfer Station fees and to request they return to a future Council meeting with a draft proposal for amendment to the Town Code.

Councilor Mataronas acknowledged two (2) qualified applicants, Edward Bowen and Edward “Ned” Levine, have sought to fill the vacant seat on the LC Agricultural Conservancy Trust. William Richmond, Chairman of the LC ACT submitted a letter supporting Mr. Ned Levine.
Motion made by Councilor Golembeske, receiving a second by Councilor Mataronas, voting in favor by roll call (Golembeske, Mataronas, Mushen, Wallack): To appoint Edward “Ned” Levine as a member on the LC Agricultural Conservancy Trust to fill the unexpired term of Ellen DeWolf Field to July 1, 2025.

Dear Council Members,

The Community Center requests a one-day Class F liquor license for each of the following Summer Concert events which will involve the Center selling beer or wine to attendees. The dates are as follows:
  - July 28, 2021
  - August 4, 2021
  - August 11, 2021
  - August 18, 2021

Our TIPS certified staff will bartend at all these events, as usual, and food will be served at each. Our insurance policy requires that one of our TIPS-certified staff members serve all alcohol on site to protect the Community Center from liability, as well as to protect the town of Little Compton as a named insured on our policy.

In addition, the Community Center requests that the street in front of the Community Center be blocked to traffic during these concerts, which will be free to the public. We will follow any COVID-19 restrictions in force at that time. I will be happy to work with both the Police Department and the Fire Department regarding the details if this request is approved.

Please let me know if you have any questions or concerns.

Sincerely,

[Signature]

Douglas D. Orville
Executive Director

The Little Compton Community Center is a 501 (c) (3) Organization
Good afternoon council members,

I hope you are all well and staying cool today.

I just wanted to bring up two concerns that have come to light this summer and I am wondering if the council has any authority to address them.

First is the recurring presence of the red sightseeing helicopters that pass over my (and lots of other's) home generating plenty of unwelcome noise.

Second is the lack of accessibility at South Shore Beach. Even without mobility issues, the decent from the parking lot to the sand is quite treacherous. I have always brought my sister to this beach even though she has mobility and vision issues and we have been able to manage in the past. Jim Farrell the Beach manager has assured me that the lifeguards can help and the gator is available for assistance as well. These are all very nice accommodations except for the fact that we are now limited to accessing the beach only when it is staffed. If we stay passed the time that lifeguards go off duty, we are on our own. Also, if we need to access the restrooms during our time at the beach, are we to again require the lifeguards to assist? I am not sure why the terrain this year is so drastically different than in all previous years that I can recall and I know that I am not the only person with these concerns. The biggest issues with the beach this year seem to be accessibility and safety. I hope that these issues can be resolved so that ALL of us can enjoy the beach this summer.

Thanks!

Is there a minimum altitude requirement for aircraft flying over residential areas and school yards?

Airport managers and the Federal Aviation Administration (FAA) would prefer that aircraft did not fly over populated areas. The FAA and airline’s policy is to get DEN commercial flights up high.

Helicopters may fly below these minimum altitude requirements if the operation is conducted without hazard to persons or property on the ground.

Local and state authorities do not have jurisdiction over airspace regulations and, therefore, cannot mandate that aircraft and/or helicopters fly at higher altitudes.

Aircraft operating under visual flight rules outside or beneath the FAA Tower’s airspace are not required to use air traffic’s services and fly unrestricted. A pilot can freely select his or her route and altitude with no restrictions other than those flight rules establishing minimum altitudes for flights over populated areas and required separation distances from clouds and terrain. The Federal Aviation Regulation (FAR) Part 91.119 indicates that, except when necessary for departure or landing, the minimum altitude over urban areas is 1,000 feet above ground level (AGL) and 500 feet AGL over rural areas.

RE: Billing Summary/June 30, 2021 Billing

Dear President Mushen and Members of the Little Compton Town Council:

Enclosed please find a billing summary for the period beginning July 1, 2020 and ending on June 30, 2021. There is a zero balance due and owing under the annual stipend of $52,200.00.

You will note that I have enclosed a bill dated June 30, 2020. That bill was in the amount of $4,257.50. Again, because the retainer amount has been exhausted, there is a zero amount due and owing.

Our uncollected billings – for regular work – totaled $6591.00.

We are glad that we can be of service to the Town of Little Compton. We enjoy representing the Town and we consider it an honor to represent the Town.

Our retainer amount (as approved by the Financial Town Meeting) for regular work is $54,000.00. A contingency fund - for legal matters - was also approved at the June 2021 meeting.

In line with our current practice, in the upcoming fiscal year, extra work such as labor arbitrations, all Superior Court work (including zoning projects, etc. will continue to be paid outside the annual retainer amount. In addition, complex drafting assignments, modification of the Town.
President Robert Mushen and
Honorable Council Members
June 30, 2021
Page Two

Code/Town Charter provision, Cities & Towns litigation, Dotted Lines, Hester Simmons issue, Tax Appeals etc., unusual matters (i.e. complex construction projects), new areas requiring extra efforts, and regular zoning matters at the town hall are outside the annual retainer amount and will be billed accordingly.

Our billing rates will increase from $185.00 per hour for attorneys in this office to $195.00. Staff time will be charged at $110.00 per hour.

In addition, because of the typical pressure and drafting requirements on zoning matters, we respectfully ask that the town pay for zoning transcripts when we deem it necessary to request transcripts.

We continue to give our best efforts to the Town. We believe in the Town of Little Compton and we believe in our public service on behalf of the Town. Thank you for allowing us to continue to serve.

Warmest regards,

Richard S. Humphrey

RESOLUTION OF TOWN COUNCIL
NO. 2021.12
OBSERVING THE MONTH OF JUNE AS PRIDE MONTH

WHEREAS, the LGBTQ community has faced discrimination, inequality, and violence and still lacks protections for fundamental rights in hospitals, schools, public accommodations, and other spaces; and

WHEREAS, Pride Month is a time to recall the trials the LGBTQ community has endured and to rejoice in the triumphs of trailblazing individuals who have bravely fought and continue to fight for full equality; and

WHEREAS, ending violence and discrimination against the LGBTQ community demands our continued focus and diligence; and

WHEREAS, this Pride Month, we recognize the valuable contributions of LGBTQ individuals across America, and we reaffirm our commitment to standing in solidarity with LGBTQ Americans in their ongoing struggle against discrimination and injustice; and

WHEREAS, we recognize the valuable contributions of LGBTQ individuals in our community, our state and across America; and

WHEREAS, in the Town of East Greenwich, we remain committed to treating all people with fairness and respect.

NOW, THEREFORE, BE IT RESOLVED, that the Town Council of the Town of East Greenwich encourages the citizens of East Greenwich to celebrate the month of June as Pride Month and recognize the achievements of the LGBTQ community, and the great diversity of the American people.

A copy of this Resolution shall be forwarded to every Rhode Island Municipality. This resolution shall take effect upon passage.

ATTEST:

Leigh A. Carney, MMC
Town Clerk

Adopted on this 21st day of June, 2021 by the East Greenwich Town Council and voted 5 – 0.
