LITTLE COMPTON TAX RATE FOR 2023-2024

The tax rate for the Town of Little Compton in the Fiscal Year 2023-2024 beginning July 1, 2023, has been established at a rate of \$4.96 per thousand dollars of assessed value for all taxable real property, \$9.92 per thousand dollars of assessed value for all taxable tangible property.

For tax purposes, the assessed value of all real estate in Little Compton has been fixed at 100% of the full value as determined in the 2021 revaluation.

It is expected that tax bills for FY 2023-2024 will be mailed mid-July, 2023. Payment must be made in full by September 15, 2023 or quarterly on September 15, 2023, December 15, 2023, March 15, 2024, and June 15, 2024. However tax bills levied not in excess of one hundred (\$100.00) dollars shall be paid in a single installment.

After receiving their tax bills, property owners having reason to believe they have been improperly taxed may file for abatement, in whole or in part. Applications for such abatement must be filed no later than December 14, 2023. Abatement application forms may be obtained from the Office of the Tax Assessor or on www.littlecomptonri.org.

Filing of an application for abatement does not stay collection of the tax, which should be paid as assessed. An adjustment will follow if abatement is allowed.
