As per the plan sheet titled “CRMC MAINTENANCE PERMIT PLAN (THE PLAN), PREPARED FOR THE TOWN OF LITTLE COMPTON, ASSESSOR’S PLAT 1, TOWN WAY, LITTLE COMPTON, RHODE ISLAND” Dated October 24, 2023, BY Able Engineering, Inc. and stamped by Donald Medeiros, PE. In accordance with CRMC MAINTENANCE ASSENT # M2023-11-030

All work to be in accordance with the terms and stipulations contained in Assent Permit # M2023-11-030. Attached

All work to be in accordance with the specifications shown on the plan and contained herein.

- A performance bond in an appropriate amount is required for 100% of the bid proposal.
- The Town reserves the right to reject any and or all bids.
- All work under this contract is subject to the prevailing wage rates under the Davis-Bacon Act. Certified payroll will be required to be submitted for all work under this contract.

Additional or modified specifications may result from the pre-bid conference and will be made available to all bidders.

Questions from prospective bidders will be heard at the pre-bid conference, following which PROJECT ENGINEER, DONALD MEDEIROS, OF ABLE ENGINEERING, INC., will provide a written email response which shall be made available to all bidders. Successful bidder must attend a pre-construction conference with Project Engineer a minimum of 5 days prior to start of construction.

There is no expressed or implied obligation for the Town of Little Compton to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.
During the evaluation process, the Town reserves the right, where it may serve the Town of Little Compton’s best interest, to request additional information or clarifications from bidders, or to allow corrections of minor errors or omissions. At the discretion of the Town of Little Compton, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

The Town of Little Compton reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for proposals, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the Town of Little Compton and the firm selected.

Any representations made with the submission will be relied upon and if proven to be false will be grounds for termination of the contract, if awarded. False representations will also be grounds for forfeiture of all payments under the contract. This will not limit the municipality from seeking any other legal or equitable remedies.
