ELECTED OFFICIALS REPORT:

- **Assessor:** Chief Deputy Assessor Isabelle Enciso reported that the Assessor's Office is working on closing out the year 2022. Ms. Enciso stated that the 2023 Livestock and Personal Property reports are ready to be mailed out.
- **Clerk:** Clerk Berenda McWright stated that there was no report, but she did want to express her appreciation for being able to work with everyone on the board and congratulate the newly elected officials and let them know that her door is always open anytime there are questions or concerns. Ms. McWright also stated that the election recount was done and everything was perfect and also that the Audit was passed.
- **Probate Judge:** No report was given.
- **Treasurer:** Treasurer Kristie Hobbs reported that this tax season went very well. Ms. Hobbs stated that 61% of the taxes due had been collected for a total of \$9,677,531.00. Ms. Hobbs also stated that the tax auction from last week was a success, she stated that 353 out of the 368 properties were sold, with the 15 properties that were not sold being paid in full prior to the auction. Ms. Hobbs stated that the State was able to sell all of the properties by doing re-offers at a lower amount. Ms. Hobbs also stated that with all of the properties being sold instead of being deleted for the eleventh year of delinquency, her office can now mail out tax bills for them and hopefully collect the taxes on these properties
- for 2023. There will be another tax sale to be held in March of 2023. Ms. Hobbs stated that there should be more sales happening throughout the year to catch up from being so far behind due to COVID.
- **Sheriff:** Sheriff Gannaway reported that there was no report, but wanted to say what an honor and privilege it had been to serve the citizens of Luna County.
- **Commissioners:** Chair Smrkovsky wanted to thank all of the employees and citizens.

COUNTY MANAGER'S REPORT: County Manager Chris Brice Reported that last week County employees attended Better Informed Public Officials (BIPO) training. Mr. Brice stated that he, along with Collette Chandler, Pablo Montoya, Ray Trejo, and Commissioner Sweetser were in attendance at the training. Mr. Brice stated that this in-person training versus the virtual training which took place two years ago gave the opportunity to actually sit and talk to the new Commissioners and talk to them about what they learn and what they were taught at the BIPO class. Mr. Brice stated that the Tax Auction was very successful and gave special thanks to Charles Kretek, Kristie Hobbs, and Santiago Chavez head of Tax and Revenue for helping to get these properties sold.

- **Dispatch:** Mr. Brice reported that there were 1,193 (911) calls received. Mr. Brice stated that Leslie Gonzales has transferred from LCDC back to Central Dispatch. Mr. Brice also stated that the bi-weekly CAD system meetings are still taking place. Mr. Brice stated that the project to get this new system and radios installed in the new Emergency Management Building at the Armory, which will now house Central Dispatch is on track.
- **LCDC:** Mr. Brice reported that there were 172 people booked and 206 released. Mr. Brice stated that US Marshall's daily average population is 243, part of this that as Mr. Brice stated is due to the number of inmates and lack of Detention staff the County has. Mr. Brice reported that Jose Gutierrez was promoted to Corporal, Ryan Hardman was promoted to Sergeant Frances Chapell was promoted to Corporal, and Aundrea Pena transferred from Central Dispatch to LCDC.
- **Road Department:** Mr. Brice reported that the Road Department now has two truck driver positions open at this time. Mr. Brice stated that there was a total of 203 miles of road graded, also for the month there was a total of 1,743 tires pickup and disposed of. Mr. Brice reported that there was a dumpster fire on Josefita Rd, also stating that dumpster fires are becoming somewhat of a trend. Mr. Brice stated that they are becoming frequent enough that more than likely someone is starting the fires on purpose.
- **Projects/Grants:** Mr. Brice reported that the County is using up the last of the Colonias funding, and also stated that Some County money was added along with the remainder of the last Colonias money in order to complete the project on Scotch Pine Road. Mr. Brice stated that Water Co-Op for Keeler Farm, is not working at all. Mr. Brice stated that he has spoken to Aaron Sera as a suggestion to move City water to this area, Mr. Sera has agreed to do so providing the County uses the devices that the city uses for County water to get that back instead of having to send a meter reader all the way out there to get the monthly readings. Mr. Brice reported that there are about four miles on Lucca road that are left to chip seal. Mr. Brice explained that the length of this project was due to issues that occurred that were out of the Road Department's control, for example, the rains, the cost of oil, and other things that occurred and slowed that project down. Mr. Brice stated that once the Lucca Rd project is complete, the project for McCann Rd will be next and should be completed by December 31. Mr. Brice explained that there will be a portion of this road that will not be chip-sealed right away due to the fact that part of this next Colonias project will be coming in to pave the portion left unsealed once the drainage on McCann is fixed. He explained that the road will be coated in order to have dust control in the area. Mr. Brice reported that the Industrial Park paving is on track. The County got the right away from the Village of Columbus and everything is moving along. The County will go out to bid for this soon. Mr. Brice also stated that the BERM project is also on track, he explained that this is one of the big projects that Candie Sweetser helped secure the final \$18,000,000 to get this done, and the final land purchases are getting done to get the BERM project moving along soon.
- **Budget and Procurement:** Mr. Brice reported that Starmax received \$411,000 so far through the digital reimbursement program. Mr. Brice also stated that the County is currently

working with Triadic on getting the programming corrected between checks, POs, Invoices, etc.

- **Safety/Risk Management:** Mr. Brice reported that there is work being done to update the safety program and that will actually have an SOP for the County safety program. Mr. Brice also reported that for the month of November, there was only one COVID positive case and one close contact. Mr. Brice reported that there were three Workers' Comp claims, which he stated was a bit concerning but at the same time, the claims were nothing huge.
- **Emergency Management:** Mr. Brice reported that Title 42 is scheduled to end on December 21st. Mr. Brice stated that on the news the El Paso shelter that is meant to occupy about 1,000 people is now housing about 5,000 at this time. Mr. Brice explained that if Title 42 goes away there could possibly be a large number of people sent across the border. Mr. Brice Stated that the County has been working with the Portal Director and CBP, and also explained that there are no plans to release any of the immigrants here in Luna County at this time, the immigrants will still be taken through the processing center in El Paso, but Luna County is being looked at in helping with bussing, but as Mr. Brice stated Luna County is shorthanded in Detention and trying to figure out a way to help. Mr. Brice stated that the County is staying on top of the issue, but there is no promise that this will not happen in our community. Mr. Brice explained that the County is working closely with Ariana at Colores United who has taken in as many people as she can. Mr. Brice stated that there was an active shooter committee meeting last week which he attended, he explained that pretty much every agency was in attendance which allowed for a good talk-through. Mr. Brice stated that there will be a walk-through of Cesar Chavez High School. Mr. Brice explained that the walk-throughs will happen at every school when the schools are vacant to perform mock drills and live scenarios without causing panic throughout the community.
- **Luna County Fire:** Mr. Brice stated that there were 16 fire calls received and 15 authorized burns, and explained that the new authorized burn process is working very well.
- **Casa:** Mr. Brice reported that there are currently 23 Children in Luna County, 18 in Grant County, and 1 in Hidalgo County. Mr. Brice stated that there were a total of 12 events that were attended throughout the month of November. Mr. Brice also asked if anyone knows someone that would like to be a volunteer for CASA, as the help would be very much appreciated.
- **JJCS:** The program manager took the Girl's Circle facilitator training. Mr. Brice stated that he met with the School Resource Officers to go over the programs available and explained that the schools had come up with enough funding to hire a second School Resource Officer, and will be working with the Sheriff's Office to see if this will be possible. Mr. Brice stated that the Girls Circle group meets on Tuesdays at the High School, and Boy's Council is meeting Mondays and Wednesdays at Memorial School. Mr. Brice also stated that there is a Strengthening Families Program that teaches better parenting skills, how to communicate with your kids, etc.
- **IT:** Mr. Brice reported that there was a total of 1,057 work orders submitted and 1,005 that were completed.
- **Planning Department:** Mr. Brice stated that there will be a talk on the community solar and solar projects. Mr. Brice stated that there were 15 property donations submitted to the County that transfers have been completed on.
- **Luna County Health Council:** No report was given.
- **Starmax:** Mr. Brice reported that there is now a Party Planner at Starmax, at the suggestion of director Tyler Massey to make sure that everything is organized and everything that is needed to be accessible to the families having the parties. Mr. Brice stated that for the month

of November, there were 20 parties that took place at Starmax. Mr. Brice also stated that it is always good to look for different ways to work smarter and do things better. Tremco did come and do a scan of the roof at Starmax as Mr. Brice stated and the roof will only need a partial replacement as opposed to a full replacement at this time. Mr. Brice reported that there are a lot of new parking features now which include speed bumps and parking bumpers that have helped with speed control, also bike racks and benches have been put up. Mr. Brice reported that Starmax also has security monitoring and more cameras will be installed to assist in case of any vandalism and/or fights that may occur in the parking lot at any time.

- **HR:** Mr. Brice reported that the current open positions are for Detention Officers as always and two dispatchers. He explained that there were five new employees on board but there were eight that were off board. Mr. Brice reported that there was a salary study done and completed and there are very few employees that are not within the salary range that is recommended, it had been four or five years since the last salary study had been done.
- **PAT:** Mr. Brice Reported that there are currently 144 Clients enrolled in Luna County and 50 in Hidalgo County. Mr. Brice stated that there were about 560 Direct Services in both Counties and 92 Indirect Services in both Counties. The Parents as Teachers program also gave out 18 car seats. Mr. Brice explained this is a really cool program there is a \$25 charge only if the family applying for the car seat has the money, if not the car seat is free and the parent is to go through training on how to install it.
- **DWI:** Mr. Brice reported that unfortunately there are 18 misdemeanor DWI offenders and 1 DV case that was transferred from Dona Ana County. Mr. Brice Stated that there were 4 new clients that were screened for substance use disorder, and also that there are 21 participants in Teen court with one successfully completed and one new intake received. Mr. Brice reported that vaping has become a problem in elementary schools and encouraged parents to be aware and to talk to kids about it.
- **Luna County Health Council:** Mr. Brice reported that the Luna County Health Council is collaborating with Deming High School to host a Youth Health Fair on January 26, 2023. Mr. Brice stated that there will also be Narcan training if there are any teens interested in taking the training will be provided through the County.

INDIGENT CLAIMS REPORT: Commissioner Reedy motioned to recess as County Commission and convene as Claims Board. The motion was seconded by Commissioner Sweetser and was approved unanimously. Budget and Procurement Director Joanne Hethcox reported that there was a total of 13 claims, for a total of \$87,580.08. Ms. Hethcox stated that the GRT was being posted so she could not report at this time. Ms. Hethcox did report that the cash balance as of November 30th is \$1,910,877 and of that \$1,328,465 is encumbered. Ms. Hethcox also stated that seven of the 13 claims were for the Detention Center. Commissioner Reedy questioned the high number of claims. Ms. Hethcox explained that the hospital just brings the claims to her for payment. Mr. Brice also stated that the high number is somewhat due to both the flu and catching up with some of the older claims both out at the Detention Center and here. Mr. Brice stated that there has been a spike in flu and RSV cases at this time. Ms. Hethcox also stated that the County has hired a former employee on a part-time basis that is in charge of the handling of the Indigent claims. Commissioner Sweetser motioned to consider claims dated December 19, 2022. The motion was seconded by Commissioner Reedy and the motion was approved unanimously. Commissioner Sweetser motioned to recess as a Claims Board and reconvene as a County Commission. Commissioner Reedy seconded the motion and the motion was approved unanimously.

Mr. Brice reported that the County is still working through the Detention Center's Medical Healthcare contracts. The number one choice fell through, the County offered \$2.1 million and it could not be done for this amount, so the County is now negotiating with the second-best healthcare company. Mr. Brice explained that this company was able to cover for \$2.2 million. Mr. Brice also explained that there are other counties in the state that have fewer detainees and are paying much more for healthcare. Mr. Brice gave a special thank you to the Sheriff's Department (Captain Michael Brown) who came out on the first day of the Land Sale Auction, and another Deputy who showed up on the second day. Mr. Brice explained that the Sheriff's Department was around in case any altercation took place.

COMMUNITY SUPPORT REPORTS: Deming Mainstreet Director Chelsea Evans reported that Deming Mainstreet had a very good year and looking forward to 2023 being an even better year. Luna County Chamber Of Commerce Executive Director Debbie Troyer introduced the newest members, Desert Artistas from Columbus, New Mexico Solar Made Products from Columbus, Stick with Lori, Custom House Kitchen, and Dr. Troy Evans Chiropractic. Ms. Troyer reported that the Chambers of Commerce is currently serving 279 members, along with 3,713 Facebook followers. Ms. Troyer stated that there is a new column in the Deming headlight to look out for on Fridays called Chamber Chat. Executive Director of the Deming Senior Center Julie Bolton reported that the Senior Center currently offers 11 services to the Community. Ms. Bolton stated that to date there have been a total of 8,985 in congregate meals delivered to 340 unduplicated clients, and a total of 16,270 home-delivered meals to 218 unduplicated clients.

PUBLIC COMMENT: Chair Smrkovsky opened the floor to public comment. Kristie Kennedy offered comments on turning Luna County into an Artist Community. Sandy Foster reported for the Humane Society. Ms. Foster reported that with all of the grants and financial help that has come to the Humane Society, the organization has been able to give back to the Community, having given under \$70,000 to the Spay and Neuter programs this year. Susan Shiffner suggested that Ordinance 107 to be amended by starting over with all of it. Mr. Brice explained that every type of energy was included in this ordinance, but there is no intention of bringing a nuclear plant into Luna County or anywhere in the vicinity, and that there was public input taken. Mr. Brice Stated that the County is very restricted on both wind and solar energy without violating State Statutes in the process. Andrew Bell voiced his dissatisfaction with McCann Rd being torn up. Paul Lesmister voiced his concerns about the Carne Energy Solar Company located on Hatch Highway because of the cost, the fact that the energy is not intended for Luna County, jobs, and what he feels will affect any future projects in Luna County. Linda Harmon also voiced her concern about solar and wind energy coming into Luna County.

CONSENT AGENDA:

- Accounts Payable: \$1,505,573.32
- Payroll: \$1,581,367.04

Commissioner Reedy motioned to approve the consent agenda as presented. The motion was seconded by Commissioner Sweetser and unanimously approved following a roll call vote.

RESOLUTION #23-01
NOTICE OF MEETINGS

WHEREAS, the Open Meetings Act, Section 10-15-1 to 4 NMSA 1978, as amended is in effect:
and

WHEREAS, meetings of the Luna County Board of County Commissioners desire to comply with the provisions of the aforementioned Act; and

WHEREAS, Section 10-15-1 (D) of the Open Meetings Act requires that the Luna County Board of County Commissioners shall annually make a determination regarding what shall be considered reasonable notice to the public meetings:

NOW, THEREFORE, BE IT RESOLVED THAT:

1. All meetings shall be held in the County Commission Chambers of the Luna County Courthouse, 700 S. Silver Avenue, Deming, New Mexico or as indicated in the meeting notice.
2. Unless otherwise specified, regular meetings shall be held on the 2nd Thursday of each month at 10:00 a.m. An agenda will be available 72 hours prior to the meeting on the county website and in the office of the County Manager, Luna County Courthouse, at 700 S. Silver Avenue, Deming, New Mexico. Notice of changes to the scheduled date of a regular meeting will be given ten (10) days in advance of the meeting date. The notice shall indicate how a copy of the agenda may be obtained.
 - a. Any member of the Board of County Commissioners or the County Manager is authorized to determine those items to be placed on the agenda of a regular meeting.
3. A work session may be called by the Chairperson or a majority of the Commission members upon 72 hours (3 days) notice. The notice shall include an agenda for the meeting or information on how members of the public may obtain a copy of the agenda. The agenda shall be available to the public at least 72 hours before any special meeting.

4. Special meetings may be called by the Chairperson or a majority of the Commission members upon 72 hours (3 days) notice. The notice shall include an agenda for the meeting or information on how members of the public may obtain a copy of the agenda. The agenda shall be available to the public at least 72 hours before any special meeting.

5. Emergency meetings will be called only under unforeseen circumstances which may demand immediate action to protect the health, safety and property of citizens, or to protect the public body from substantial financial loss. The Luna County Board of County Commissioners will avoid emergency meetings whenever possible. Emergency meetings may be called by the Chairperson or a majority of the Commission members upon 24 hour notice, unless threat of personal injury or property damage requires less notice. The notice shall include an agenda for the meeting or information on how members of the public may obtain a copy of the agenda. The notice for all emergency meetings will be posted in the Luna County Manager's Office and the Luna County Clerks' Office and notification will be given to the media. A report of any action taken in an emergency meeting shall be sent to the Office of the Attorney General within 10 days unless a state or national emergency has been declared.

6. During the pendency of the COVID-19 declared emergency, a member of the Board of County Commissioners or any of its Boards may participate in a meeting by any means of a conference telephone, internet, or other similar communications equipment when necessary as a COVID Safe Practice. While mass gatherings are prohibited by the NM Public Health Order, meetings will not be physically open to the public. All members if the public will be able to attend and listen to the meeting via google meets with the link published on the agenda. Public comment may be made during that time and will be entered and/or read into the meeting minutes (if under 3 minutes). Comments must contain authors name.

NOTICE OF RIGHT TO INSPECT PUBLIC RECORDS

WHEREAS, Luna County Government shall comply with the Inspection of Public Records Act of New Mexico, Section 14-2-1 through 12, NMSA 1978;

WHEREAS, any person wishing to inspect public records may submit an oral or written request to the Custodian of Public Records. However, the procedures set forth in the Act shall be in response to a written request. The failure to respond to an oral request shall not subject the custodian to any penalty. If a person requesting inspection would like a copy of a public record, a reasonable fee set by the annual Notice of Fees Resolution will be applicable;

WHEREAS, nothing in the Inspection of Public Records Act shall be construed to require a public body to create a public record;

WHEREAS, a written request shall provide the name, address and telephone number of the person seeking access to the records and shall identify the records sought with reasonable particularity. No person requesting records shall be required to state the reason for inspecting the records;

WHEREAS, the custodian receiving a written request shall permit the inspection immediately or as soon as is practicable under the circumstances, but not later than fifteen days after receiving a written request. If the inspection is not permitted within three business days, the custodian shall explain in writing when the records will be available for inspection or when the public body will respond to the request. The three-day period shall not begin until the written request is delivered to the office of the custodian;

WHEREAS, in the event that a written request is not made to the custodian having possession of or responsibility for the public records requested, the person receiving the request shall promptly forward the request to the custodian of the requested public records, if known, and notify the requester. The notification to the requester shall state the reason for the absence of records from that person's custody or control, the records' location and the name and address of the custodian;

WHEREAS, for the purposes of the Act, "written request" includes an electronic communication, including email or facsimile; and

WHEREAS, requests to inspect public records should be submitted to the Custodian of Public Records.

RESOLUTION # 23-06

**ADOPTION OF REQUIRED
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
CERTIFICATIONS AND COMMITMENTS**

WHEREAS, municipalities, counties or other entities that accept Community Development Block Grant (CDBG) funds must adopt certain required federal regulations; and

WHEREAS, the County of Luna (hereinafter referred to as the Grantee) wishes to ensure compliance with federal regulations by adopting the following required certifications and commitments:

- | | |
|--|---|
| Citizen Participation | certifies its commitment to citizen participation by preparing and adopting a Citizen Participation Plan that includes ways to encourage public input using various methods to reach the public and assures that citizens are provided reasonable notice and timely access to local meetings, per the Open Meetings Act (NMSA 1978, Chapter 10, Article 15) |
| Fair Housing | certifies its commitment to the Fair Housing Act of 1968 to affirmatively further fair housing, which prohibits discrimination in the sale, rental, leasing and financing of housing or land to be used for the construction of housing on the basis of race, color, religion, sex, disability, familial status, or national origin |
| Residential Anti-Displacement & Relocation Assistance | certifies its compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, whose purpose is to provide uniform, fair, and equitable treatment for persons whose real property is acquired or for persons displaced as a result of a CDBG-funded project or activity |
| Section 3 | certifies its commitment to Section 3, a provision of the Housing and Urban Development (HUD) Act of 1968, which requires recipients of certain HUD financial assistance, to the greatest extent feasible, provide job training, employment, and contracting opportunities for low and very low income residents in connection with projects and activities in their community. Attached is the Grantee Section 3 hiring information. |
| Procurement | certifies its compliance with federal procurement code (24 CFR Part 85.36) and New Mexico Procurement Code (§13-1-120 NMSA 1978) by adopting a procurement policy for CDBG projects. |

GRANTEE SECTION 3 PLAN CHART

EXHIBIT 1-Z

CDBG FEDERAL REQUIREMENTS

CITIZEN PARTICIPATION REQUIRED ELEMENTS

In accordance with the 1987 revisions to the Housing and Community Development Act and in an effort to further encourage citizen participation, Luna County has prepared and adopted this Citizen Participation Plan.

Objective A

 Luna County will provide for and encourage citizen participation within its area of jurisdiction, with particular emphasis on participation by persons of low and moderate income. *Action items:*

1. *Adopt and circulate an Open Meetings Resolution which provides citizens with reasonable notice of county/municipality upcoming meetings, actions and functions.*
2. *Develop press releases on county/municipality meetings, actions and hearings, and circulate to newspapers, radio and television media.*
3. *Develop and maintain listing of groups and representative of low and moderate income persons, and include on mailing lists of announcements, notices, press releases, etc.*

Objective B

 Luna County will provide citizens with reasonable and timely access to local meetings, information and records relating to the proposed and actual use of CDBG funds. *Action items:*

1. *Public notices, press releases, etc., should allow for a maximum length of notice to citizens.*
2. *Appropriate information and records relating to the proposed and actual use of CDBG funds must be available upon request to all citizens. Personnel and income records may be exempted from these requirements.*
3. *Meetings, hearing, etc., should be conducted at times and locations conducive to public attendance, e.g., evenings, Saturdays.*

Objective C

 Luna County will provide technical assistance to groups and representatives of low and moderate income persons that request assistance in developing proposals. *Note: the level and type of assistance is to be determined by the county/municipality. Action items:*

1. *Low and moderate income groups should be advised that technical assistance, particularly in the area of community development, is available from the county/municipality upon request.*
2. *Document technical assistance provided to such groups and has documentation available for review.*

Objective D

 Luna County will provide a minimum of two public hearings to obtain citizen participation and respond to proposals and questions at all stages of the Community Development Block Grant Program. *Action items:*

1. *Advise citizens of the CDBG program objectives, range of activities that can be applied for and other pertinent information.*
2. *Conduct a minimum of two public hearings:*
 - a. *One public hearing will be held to advise citizens of the program objectives and range of activities that can be applied for, and to obtain the citizen's views on community development and housing needs, to include the needs of low and moderate income people. This hearing will take place prior to the selection of the project to be submitted to the state for CDBG funding assistance.*
 - b. *A second public hearing will be held to review program performances, past use of funds and make available to the public its community development and housing needs, including the needs of low and moderate income families, and the activities to be undertaken to meet such needs.*
3. *Publish public hearing notices in the non-legal section of newspapers or in other local media. Evidence of compliance with these regulations will be provided with each CDBG application, i.e., hearing notice minutes of public meetings, list of needs and activities to be undertaken, etc. Amendments to goals, objectives and applications are also subject to public participation.*

Objective E

 Luna County will provide timely written answers to written complaints and grievances within 15 working days where practical. *Action items:*

1. *Adopt complaint handling procedures or policies to insure that complaints or grievances are responded to within 15 days, if possible.*
2. *Allow for appeal of a decision to a neutral authority.*
3. *File a detailed record of all complaints or grievances and responses in one central location with easy public access.*

Objective F

 Luna County will identify how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of residents can be reasonably expected to participate. *Action items:*

1. *Identify areas where large majorities of non-English speaking persons reside and make appropriate provisions when issues affecting these areas are to be discussed at public meetings, hearings, etc. Appropriate provisions will include having interpreters available at the meeting and having briefing material available in the appropriate language.*
2. *Maintain records/rosters of public hearing attendees and proceedings to verify compliance with this objective.*

FAIR HOUSING REQUIRED ELEMENTS

A resolution of the Board of County Commissioners of the County of Luna, adopting a fair housing policy, making known its commitment to the principle of fair housing, and describing actions it shall undertake to affirmatively further fair housing.

WHEREAS; the Housing and Community Development act of 1974 as amended requires that all applicant for Community Development Block Grants funds certify that they shall affirmatively further fair housing; and

WHEREAS; the Civil Rights Act of 1968 (commonly known as the Federal Fair Housing Act) and the Fair Housing Amendments Act of 1988 declare a national policy to prohibit discrimination in the sale, rental, leasing and financing of housing or land to be used for the construction of housing or in the provision of brokerage services, on the basis of race, color, religion, sex, disability, familial status or national origin; and

WHEREAS; fairness is the foundation of the American system and reflects traditional American values; and

WHEREAS; discriminatory housing practices undermine the strength and vitality of America and its people;

NOW, THEREFORE, BE RESOLVED THAT the Board of County Commissioners of the County of Luna hereby wish all persons living, working, doing business in or traveling through this County to know that: discrimination in the sale, rental, leasing, and financing of housing or land to be used for construction of housing, or in the provision of brokerage services on the basis of race, color, religion, sex, handicap, familial status or national origin is prohibited by Title VIII of the Fair Housing Act Amendments of 1988; and that it is the policy of the County of Luna to implement programs, within the constraints of its resources, to ensure equal opportunity in housing for all persons regardless of race, color, religion, sex, handicap, familial status or national origin; and within available resources the County of Luna will assist all persons who feel they have been discriminated against in housing issues on the basis of race, color, religion, sex, handicap, familial status or national origin to seek equality under existing federal and state laws to file a complaint with the New Mexico Attorney General's Office or the U.S. Department of Housing and Urban Development; and that the County of Luna shall publicize this Resolution and thereby encouraging owners of rental properties, developers, builders and others involved with housing to become aware of their respective responsibilities and rights under the Fair Housing Amendments Act of 1988 and any applicable state or local laws or ordinances; and that the County of Luna shall undertake the following actions to affirmatively further fair housing:

(List all such actions to include: mailing copies of this resolution to the real estate community, banks, developers, community organizations and local media; posting copies of this resolution at identified locations; distributing flyers; sponsoring schools)

RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE REQUIRED ELEMENTS

I. Background/Introduction

Section 104(d) of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5304(d)(4)), Section 105(b)(16) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12705(b)(16)), and implementing regulations at 24 CFR Part 42, specify that a grantee under the Community Development Block Grant (CDBG) must certify that it has in effect and is following a “residential Anti-displacement and relocation assistance plan” (Plan). As a CDBG grantee, Luna County must certify to State of New Mexico Department of Finance and Administration Local Government Division that it has and is following such a Plan.

The Plan must include three components: 1) one-for-one replacement requirements for lower-income housing units, 2) relocation assistance, and 3) a description of the steps Luna County will take to minimize displacement.

II. Activities Covered by the Plan

All activities involving the use of CDBG funds that cause displacement as a direct result of demolition or conversion of a lower-income dwelling are subject to the requirements specified in the Plan. Activities for which funds are first obligated on or after September 30, 1988 are subject to the requirements specified in the Plan, without regard to the source year of the funds.

III. Uniform Relocation Act

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) govern displacement that directly results from acquisition, rehabilitation, or demolition of real property when federal funds are used. Luna County's Residential Anti-displacement and Relocation Assistance Plan is in no way intended to supersede the URA. CDBG assisted activities may still be subject to the requirements of the URA.

IV. One-for-One Replacement Units

All occupied and vacant occupiable lower-income dwelling units that are demolished or converted to a use other than as lower-income dwelling units in connection with an assisted activity must be replaced with comparable lower-income units. Replacement lower-income dwelling units may be provided by any governmental agency or private developer and must meet the following requirements:

- A. The units must be located within Luna County to the extent feasible, the units shall be located within the same neighborhood as the units replaced

- B. The units must be sufficient in number and size to house no fewer than the number of occupants who could have been housed in the units that are demolished or converted. The number of occupants who could have been housed in the units shall be in accordance with applicable local housing occupancy codes. The units may not be replaced with smaller units (e.g., a 2-bedroom unit with two 1-bedroom units), unless Luna County has provided information demonstrating that such a proposed replacement is consistent with the needs assessment contained State of New Mexico Department of Finance and Administration Local Government Division HUD-approved Consolidated Plan.
- C. The units must be in standard condition and must at a minimum meet Section 8 Program Housing Quality Standards. Replacement lower-income units may include units brought from a substandard condition to standard condition if: 1) no person was displaced from the unit; and 2) the unit was vacant for at least 3 months before execution of the agreement between Luna County and the property owner.
- D. The units must initially be made available for occupancy at any time during the period beginning 1 year before the recipient makes public the information required under Section F below and ending 3 years after the commencement of the demolition or rehabilitation related to the conversion.
- E. The units must be designed to remain lower-income dwelling units for at least 10 years from the date of initial occupancy. Replacement lower-income dwelling units may include, but are not limited to, public housing or existing housing receiving Section 8 project-based assistance
- F. Before Luna County enters into a contract committing it to provide CDBG funds for any activity that will directly result in the demolition of lower-income dwelling units or the conversion of lower-income dwelling units to another use, Luna County must make public and submit in writing to State of New Mexico Department of Finance and Administration Local Government Division the following information:
- 1 A description of the proposed assisted activity;
 - 2 The location on a map and number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than for lower-income dwelling units as a direct result of the assisted activity;
 - 3 A time schedule for the commencement and completion of the demolition or conversion;
 - 4 The location on a map and the number of dwelling units by size (number of bedrooms) that will be provided as replacement dwelling units. If such data is not available at the time of the submission to State of New Mexico Department of Finance and Administration Local Government Division, the submission shall identify the general location on an area map and the approximate number of dwelling units by size, and information identifying the specific location and number of dwellings units by size shall be submitted and disclosed to the public as soon as it is available;
 - 5 The source of funding and time schedule for the provision of replacement dwelling units;
 - 6 The basis for concluding that each replacement unit will remain a lower-income dwelling unit for at least 10 years from the date of initial occupancy; and
 - 7 Information demonstrating that any proposed replacement of dwelling units with smaller dwelling units is consistent with the needs assessment contained in

the State of New Mexico Department of Finance and Administration Local Government Division Consolidated Plan.

- G. The one-for-one replacement requirements may not apply if HUD determines, based on objective data, that there is an adequate supply of vacant lower-income dwelling units in standard condition available on a non-discriminatory basis within _____ Luna County _____. In making such a determination, State of New Mexico Department of Finance and Administration Local Government Division will consider such factors as vacancy rates, numbers of lower-income units in _____ Luna County _____ and the number of eligible families on the Section 8 waiting list.

V. Relocation Assistance

Each lower-income person who is displaced as a direct result of CDBG assisted demolition or conversion of a lower-income dwelling shall be provided with relocation assistance.

Relocation assistance includes advisory services and reimbursement for moving expenses, security deposits, credit checks, other moving expenses, including certain interim living costs, and certain replacement housing assistance.

Displaced persons have the right to elect, as an alternative to the benefits described in this Plan, to receive benefits under the URA, if they determine that it is in their best interest to do so. The following relocation assistance shall be available to lower-income displacement persons:

- A. Displaced lower-income persons will receive the relocation assistance required under 49 CFR 24, Subpart C (General Relocation Requirements) and Subpart D (Payment for Moving and Related Expenses) whether the person elects to receive assistance under the URA or the assistance required by CDBG regulations. Relocation notices must be distributed to the affected persons in accordance with 49 CFR 24.203 of the URA;
- B. The reasonable and necessary cost of any security deposit required to rent the replacement dwelling unit and for credit checks required to rent or purchase the replacement dwelling unit;
- C. Actual reasonable out-of-pocket costs incurred in connection with temporary relocation, including moving expenses and increased housing costs, if:
 - 1. The person must relocate temporarily because continued occupancy of the dwelling unit constitutes a substantial danger to the health or safety of the person or the public; or
 - 2. The person is displaced from a lower-income dwelling unit, none of the comparable replacement units to which the person has been referred qualifies as a lower-income dwelling unit, and a suitable lower-income dwelling unit is scheduled to become available through one-for-one replacement requirements
- D. Replacement Housing Assistance. Displaced persons are eligible to receive one of the following two forms of replacement housing assistance:
 - 1. Each person shall be offered rental assistance equal to 60 times the amount necessary to reduce the monthly rent and estimated average monthly cost of

utilities for a replacement dwelling to the "Total Tenant Payment", as determined under 24 CFR 813.107. All or a portion of this assistance may be offered through a certificate or housing voucher for rental assistance under the Section 8 program. Where Section 8 assistance is provided to the displaced person,

Luna County must provide the person with referrals to comparable units whose owners are willing to participate in Section 8 program to the extent that cash assistance is provided, it will be provided in installments.

2. In lieu of the housing voucher, certificate or cash assistance described above, the person may elect to receive a lump sum payment allowing them to secure participation in a housing cooperative or mutual housing association. This lump sum payment shall be equal to the capitalized value of 60 monthly installments of the amount that is obtained by subtracting the

"Total Tenant Payment", as determined under 24 CFR 813.107, from the monthly cost of rent and average monthly cost of utilities at a comparable replacement dwelling unit. To compute the capitalized value, the installments shall be discounted at the rate of interest paid on passbook savings in a federally insured financial institution conducting business within Luna County.

Displaced lower-income tenants shall be advised of their right to elect relocation assistance pursuant to the URA and the regulations at 49 CFR 24 as an alternative to the relocation assistance available under CDBG regulations.

VI. Eligibility for Relocation Assistance

A lower-income person is eligible for relocation assistance if they are considered to be a "displaced person" as defined in 24 CFR 42.305. A displaced person means a lower-income person who, in connection with an activity assisted under the CDBG program, permanently moves from real property or permanently moves personal property from real property as a direct result of demolition or conversion of a lower-income dwelling.

For purposes of this definition, a permanent move includes a move made permanently and:

- A. After notice by the owner to move from the property, if the move occurs on or after the date of the submission of a request to Luna County for CDBG assistance that is later approved for the requested activity; or
- B. After notice by the owner to move from the property, if the move occurs on or after the date of the initial official submission to HUD of the consolidated plan under 24 CFR Part 91 describing the assisted activity; or
- C. Before the dates described in A & B above, if Luna County or State of New Mexico Department of Finance and Administration Local Government Division determines that the displacement was a direct result of conversion or demolition in connection with a CDBG assisted activity; or
- D. By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:
 1. The tenant moves after execution of the CDBG agreement covering the acquisition, rehabilitation or demolition and the move occurs before the tenant is

provided written notice offering the tenant the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions, including a monthly rent and estimated average monthly utility costs that do not exceed the greater of the tenant's monthly rent before such agreement, or the total tenant payment as determined under 24 CFR 813.107 if the tenant is lower-income, or 30 percent of gross household income if the tenant is not lower-income.

2. The tenant is required to relocate temporarily, does not return to the building/complex, and either is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or other conditions of the temporary relocation are not reasonable.
3. The tenant is required to move to another dwelling unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

If the displacement occurs on or after the appropriate date described in A & B above, the lower-income person is not eligible for relocation assistance if:

- A. The person is evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable federal, State or local law, or other good cause, and the _____ Luna County _____ determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;
- B. The person moved into the property on or after the date described in A & B above after receiving written notice of the expected displacement; or
- C. _____ Luna County _____ determines that the displacement was not a direct result of the CDBG assisted activity and the State of New Mexico Department of Finance and Administration Local Government Division concurs with this determination.

VII. Minimizing Displacement

The CDBG regulations regarding the demolition or conversion of lower-income dwelling units are designed to ensure that lower-income persons are provided with adequate, affordable replacement housing. Naturally, involuntary displacement should be discouraged whenever a reasonable alternative exists. Involuntary displacement is extremely disruptive and disturbing, especially to lower-income persons who do not have the means to locate alternative housing.

There are various ways that displacement can be minimized. The following are steps that will be taken to minimize the involuntary displacement of lower-income persons when CDBG funds are involved:

- A. **Screening of Applications** All CDBG applications will be reviewed to determine whether involuntary displacement is likely to occur. Those applications involving displacement will receive a lower priority recommendation for funding unless it can be shown that alternatives are not available.
- B. **Acquisition of Property** Applicants who apply for CDBG funds to acquire property for the

development of lower-income housing will be encouraged to purchase vacant land. In the case of in-fill and other projects where this is not feasible and the project involves potential displacement, the applicant shall agree to allow the displaced lower-income person(s) to occupy the new housing at an affordable rent.

Applicants who utilize CDBG funds to rehabilitate or convert a lower-income unit to a non-residential use will be required to supply replacement housing consistent with paragraph IV, as well as relocation assistance.

- C. Cost of Relocation Assistance The cost of any required relocation assistance and the provision of replacement housing will be borne by the applicant and may be paid for out of CDBG funds awarded to the project.

VIII. Definitions

- A. "Comparable replacement dwelling unit" means a dwelling unit that:
 - 1 Meets the criteria of 49 CFR 24.2(d)(1) through (6); and
 - 2 Is available at a monthly cost for rent plus estimated average monthly utility costs that does not exceed the "Total Tenant Payment" determined under 24 CFR 813.107 after taking into account any rental assistance the household would receive.
- B. "Lower-income dwelling unit" means a dwelling unit with a market rental (including utility costs) that does not exceed the applicable Fair Market Rent (FMR) for existing housing and moderate rehabilitation established under 24 CFR Part 888.
- C. "Standard condition" means units that at a minimum meet the Existing Housing Quality Standards of the Section 8 rental subsidy program.
- D. "Substandard condition suitable for rehabilitation" means units with code violations that can be brought to Section 8 Housing Quality Standards within reasonable monetary amounts.
- E. "Vacant occupiable dwelling unit" means a dwelling unit that is in a standard condition; a vacant dwelling unit that is in substandard condition, but is suitable for rehabilitation; or a dwelling unit in any condition that has been occupied (except by a squatter) at any time within the period beginning 3 months before the date of execution of the agreement by _____ Luna County _____ covering the rehabilitation or demolition.

IX. Grievances

The _____ Luna County _____ will provide timely written answers to written complaints and grievances within 15 working days where practical. Action items:

- A. Adopt complaint handling procedures or policies to insure that complaints or grievances are responded to within 15 days, if possible.
- B. Allow for appeal of a decision to a neutral authority.
- C. File a detailed record of all complaints or grievances and responses in one central location with easy public access.

SECTION 3 PLAN REQUIRED ELEMENTS

The _____ County of Luna _____ is committed to comply with Section 3 of the Housing and Urban Development Act of 1968. This Act encourages the use of small local businesses and the hiring of low income residents of the community.

The _____ County of Luna _____ has appointed _____ as the Section 3 Coordinator, to advise and assist key personnel and staff on Section 3, to officially serve as focal point for Section 3 complaints, and as the on-site monitor of prime contractors and sub-contractors to insure the implementation and enforcement of their Section 3 plans. The approval or disapproval of the Section 3 plan is the ultimate responsibility of the _____ County of Luna _____. Documentation of efforts will be retained on file for monitoring by the state.

Therefore, the _____ County of Luna _____ shall:

1. Hiring
 - a. Advertise for all _____ County of Luna _____ positions in local newspapers
 - b. List all _____ County of Luna _____ job opportunities with the State Employment Service
 - c. Give preference in hiring to lower income persons residing in the _____ County of Luna _____. This means that if two equally qualified persons apply and one is a resident of the _____ County of Luna _____ and one is not, the resident will be hired
 - d. Maintain records of _____ County of Luna _____ hiring as specified in the CDBG Resolution to Adopt CDBG Requirements (Exhibit 1-Y). Note: Chart for Section 3 Plan MUST be filled out in its entirety and updated with a CDBG grant agreement.

2. Contracting
 - a. The _____ County of Luna _____ will compile a list of businesses, suppliers and contractors located in the _____ County of Luna _____.
 - b. These vendors will be contacted for bid or quotes whenever the _____ County of Luna _____ requires supplies, services or construction.
 - c. Preference will be given to small local businesses. This means if identical bids/quotes are received from a small business located within the _____ County of Luna _____ and one from outside the _____ County of Luna _____, the contract will be awarded to the business located within the community.

3. Training

The County of Luna shall maintain a list of all training programs operated by the County of Luna and its agencies and will direct them to give preference to County of Luna residents. The County of Luna will also direct all CDBG sponsored training to provide preference to County of Luna residents.

4. CDBG Contracts

All CDBG bid proposals and contracts shall include the following Section 3 language.

- a. The work to be performed under this contract is on a project assisted under a program providing direct federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that the greatest extent feasible, opportunities for training and employment be given lower income residents of the project areas, and contracts for work in connection with the project be awarded to business concerns residing in the project area.
- b. The parties to this contract will comply with the provision of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 CFR and all applicable rules and orders of the Department issued there-under prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.
- c. The contractor will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under the Section 3 clause, and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
- d. The contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for, or recipient of federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 CFR 135. The contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR 135, and will not let any subcontract unless the subcontractor has first provided it with the requirements of these regulations.
- e. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 135, and all applicable rules and orders of the Department, issued thereunder prior to the execution of the contract, shall be a condition of the federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors and assigns to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided, and to such sanctions as are specified by 24 CFR 135.

The County of Luna shall require each contractor to prepare a written Section 3 plan as a part of their bids on all jobs exceeding \$100,000. All Section 3 plans shall be reviewed and approved by the City's Equal Opportunity Section 3 Compliance Officer and retained for monitoring by the state.

The County of Luna will maintain all necessary reports and will insure that all contractors and subcontractors submit required reports.

LOWER INCOME CLARIFICATION

A family who resides in County of Luna and whose income does not exceed the income limit for the size of family as per the attached Section 8 Income Limit for County of Luna. Information contained in our Section 3 Plan reflects the status of the County of Luna employees regarding lower income considerations based on their salary paid by the County of Luna.

Certification

This Federal Requirements Plan hereby incorporates all of the State of New Mexico CDBG requirements to include Citizen Participation, Fair Housing, Residential Anti-Displacement & Relocation as well as Section 3. The Luna County herewith certifies to follow the CDBG Federal Requirements Plan described above and adopt the plan by resolution once throughout the term of the CDBG grant agreement.

RESOLUTION #23-08

ADA GRIEVANCE PROCEDURE

Luna County has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by the US Department of Justice Regulations implementing Title II of the 'Americans with Disabilities Act'. Title II states, in part, that no otherwise qualified individual shall solely by reason of such disability, be excluded from participation, or be denied the benefits of, or be subjected to discrimination in programs or activities sponsored by a public entity.

COMPLAINTS SHOULD BE ADDRESSED TO:

Risk Manager
County of Luna
P.O. Drawer 551
Deming, NM 88031-0551

1. A complaint should be filed, preferably in writing, and contain the name, address and telephone number of the complainant, with a brief description of the alleged violation.
2. The complaint should be filed immediately, but no later than 180 days after the complainant becomes aware of the alleged violation. Alleged allegations occurring prior to the posting of this procedure will be considered on an individual case basis.
3. An informal but thorough investigation shall be conducted by the Risk Manager in a timely manner, affording all interested parties and their representatives, if any, an opportunity to submit evidence relevant to the complaint.
4. A written determination as to the validity of the complaint and resolution, if applicable, shall be issued by the Risk Manager with a copy forwarded to the complainant upon completion of the investigation.
5. The Risk Manager shall maintain files and records relating to any complaint filed.
6. The complainant may request reconsideration of the case by the County Manger provided such request is received in writing within ten (10) working days of the receipt of the initial determination.
7. The right of a person to a prompt and equitable resolution of any complaint filed shall not be impaired by the filing of an ADA complaint with a responsible Federal Department/Agency. Use of this Grievance Procedure is not a prerequisite to the pursuit of other remedies.
8. These rules shall be construed to protect the substantive rights of interested persons to meet appropriate due process standards and to assure Luna County's compliance with the ADA Act and the implementation of applicable regulations.
9. The Board of County Commissioners shall be the final appeals entity.

Contact Person TBD

Have you initiated a feasibility/capacity study with RTO or Incumbent Utility? Y/N

Will this project be developed in phases? Y/N Timeline: _____

Will you be constructing a substation? Y/N

What is the planned disposition of the RECs generated by the facility? TBD

Have you registered with WREGIS? Y/N (N/A as we will not be final asset owner)

Incorporated/Authorized to do business in NM? Y/N

Have you been involved in similar projects? Y/N

If yes, when and where? Galehead has over 10 GW of renewable energy in the development pipeline. Galehead has been active in NM since 2019, developing over 300 MWdc of solar projects to serve demand in PNM and EPE territories. One of its projects has a Power Purchase Agreement (PPA) with EPE.

Will you be seeking an IRB? Y/N

What assistance/involvement are you seeking from Luna County? We are working with the county to get Right of Way access for to connect the project to the Point of Interconnection

Workforce training/educational opportunities that you can provide for the Community? South Peak Solar has reached out to the Deming, Luna County Economic Development organization and the New Mexico Workforce Connection to facilitate workforce training opportunities and entry level construction jobs.

What local businesses/contractors will you be utilizing? TBD, but we are in discussions with a NM-based EPC firm for another project we have in Dona Ana County.

Community Partnerships No formal partnerships, but have reached out to Deming, Luna County Economic Development organization and the New Mexico Workforce Connection

**Supplemental Narrative for Solar PV Development NM 18 I LLC (“South
Peak”) Permitting Application**

Luna County, New Mexico

Project Overview

Galehead Development (“Galehead”), together with Lacuna Sustainable Investments (“Lacuna” and collectively, is pleased to apply to Luna County for a Conditional Use Permit for Solar PV

Development NM 18 I, LLC (referred to hereafter as “South Peak” or the “Project”).

South Peak is a 75 MWac solar generation and 37.5 MW/150 MWh storage development project located in Luna County, New Mexico. The Project is in the Facilities Study stage process of Public Service Company of New Mexico’s (“PNM”) interconnection queue. Following this phase, the Project is expected to execute a Large Generator Interconnection Agreement (“SGIA”) with Network Resource Interconnection Service (“NRIS”) with PNM, which is currently anticipated for Q1 2023. It holds PNM queue number IA-PNM-2019-01 and is the first project listed in PNM’s interconnection queue on OASIS. In order to connect to Hondale Substation, the Project is forecasted to pay to PNM \$7.7 million to upgrade the substation. The upgrade will enable future projects owned by other developers to also connect to the substation.

The Project is expected to begin construction in December 2024 and to complete construction and connect to PNM’s Hondale Substation by December 2025.

Item	Description
Project Name	South Peak

Sponsor Information

Galehead Development

Galehead Development was founded in 2016 and consists of a 40 person team based in Boston, MA. Galehead identifies and develops greenfield land sites optimal for renewable energy generation facilities. LandCommand is Galehead's proprietary GIS prospecting analytics software and has delivered over 18+ GW of active wind, solar, and storage pipeline across 25 states. Our founders have over 40 years of experience in the power industry and Fortune 500 management.

Galehead Development currently manages approximately 13 GW of development assets for our Joint Development Partners and Pipeline. About 1 GW of renewable capacity originated by Galehead will commence construction in 2022-2023. Galehead has nearly 5.5 GW of diversified (solar/wind/storage) pre-NTP development asset sales to Downstream Partners. Galehead recently completed a platform investment by Macquarie's Green Investment Group (Macquarie's GIG).

Lacuna Sustainable Investments

Lacuna Sustainable Investments was founded in 2019 to address the lack of investment in early stage, pre-construction renewable energy infrastructure. Lacuna provides flexible and patient capital to people, projects, and portfolios in the renewable energy space, with a particular focus on solar and storage across the US. Now in its second fund, the firm seeks situations where its

capital can fulfill a need and expertise provides tangible value on the journey to the “right” long-term capital, investor, or owner.

Lacuna has particular expertise addressing the strategic, capital, and operational issues its partners face on a day-to-day basis – earned through the team’s collective range of experiences as entrepreneurs, advisors and operators at self-funded start-ups and work with industry leading developers, independent power producers, and top legal, accounting and private equity firms.

Collectively, the Lacuna team has over 50 years experience developing, investing in, and financing renewable energy projects across the country. Lacuna currently has \$150MM of dedicated capital under management and has demonstrated the ability to access broader capital markets for its partners and projects.

Project Layout

The Project commissioned Wood Plc, an internationally renowned engineering consultancy, to develop a site layout for the project. As shown in figure [#] below, the Project crosses two parcels, both of which are owned by Mr. James Koenig, a long-time resident of Luna County. The northern parcel will contain solar panels as well as house the project substation and the battery energy storage facility. The layout is designed to avoid wetlands, flood zones, and areas identified on which potential cultural artifacts reside in order to have minimal impact on the land and its surroundings.

Figure 1 - Site Layout

		<ul style="list-style-type: none"> ● Immediate vicinity of the project may support critical habitat for listed species. Field Survey recommended. ● <i>See below for more details on wetlands and cultural desktop analysis and field surveys</i>
Biological Field Survey	<p>A field survey evaluating the potential effects of the proposed project on federally threatened or endangered species listed under the Endangered Species Act of 1973, state threatened or endangered species listed under New Mexico Wildlife Conservation Act and the state's endangered plant species regulations. The survey also provides a description of of general site characteristics, vegetation, wildlife, and aquatic resources in the Project area.</p>	<ul style="list-style-type: none"> ● Non-hydric soils ● Project area and surrounding landscape has been previously disturbed by cattle grazing, litter dumping, and lightly-used two-track roads ● Suitable nesting habitat for migratory birds is present. ● One potentially active passerine nest and nine inactive nests identified. No raptor nests. ● Peregrine falcon flying above at the time of field survey, but expected to migratory as no critical habitat for the species is within the project area. ● No bald or golden eagles were observed during the survey and the area does not support suitable habitat for these species. ● <i>No listed species identified in the area during the field survey</i>, except for a single peregrine falcon above, which was likely migratory. ● Recommendation: No mitigations specific to listed wildlife species are necessary.
Wetlands Field Survey (subset of biological survey)	<p>A field survey evaluating the presence of wetlands on site.</p>	<ul style="list-style-type: none"> ● No mapped streams and state wetlands unlikely given terrain and the NHD and NWI datasets (desktop) ● One potential wetland mapped within the project area during field survey. ● The wetland is a “stock pond” with no hydric soils. ● Pond not located within the project footprint (within setback area). ● <i>No potentially jurisdictional</i>

		<p><i>waterfeatures</i></p> <ul style="list-style-type: none"> ● Recommendation: no Nationwide Permit or USACE coordination necessary.
Cultural Field Survey	A field survey to find, identify, and record any cultural resources that might be affected within the area and to provide National Register of Historic Places (“NHRP”) eligibility recommendations for those resources and to inform cultural resource impact avoidance and minimize effects.	<ul style="list-style-type: none"> ● ARMS database search indicated no previous surveys had been conducted within the Project Area. ● No cultural or historic sites were known to occur on the property nor any SRCP- or NRHP-listed cultural properties (desktop). ● Field surveys indicated <i>three cultural properties on a segment of the site</i>. ● Two of the three are within the project’s setback area and all three will be avoided per the current site layout ● Recommendation to avoid these areas, but not subject to special permitting under New Mexico state and Federal law because they are situated on private land.
Phase 1 ESA	A desktop and field survey evaluating the potential presence of Recognized Environmental Conditions (“RECs”) on the site, where an REC is the presence or likely presence of hazardous substances or petroleum products due to a release to the environment.	<ul style="list-style-type: none"> ● No RECs, <i>controlled RECs</i>, or significant data gaps in connection with the subject property.

Below is a map for showing the resource boundary for the identified cultural resources from the cultural studies field survey. As shown on the site layout, the Project expects to avoid this area in its entirety.

Figure 2 - Cultural Resource Area

Permitting

Following approval of the Conditional Use Permit (“CUP”), the Project will pursue permits with other authorities prior to beginning construction. While the CUP is considered discretionary, the other permits are considered ministerial, which means that they would be automatically granted as long as the permit-specific criteria are met.

Below is a matrix of permits the Project will require prior to construction.

Scope	Authority	Permit, License, or Consultation	Anticipated Date of Completion
State	NM Department of Environmental Protection (NMED) – Surface Water Quality Bureau (SWQB)	National Pollutant Discharge Elimination System (NPDES) Stormwater General Permit for Construction	December 2023
	NM Department of Transportation (NMDOT)	Oversize and/or Overweight Permit Application	December 2024
		Commercial Driveway Permit	December 2024
	NM Regulation & Licenses Department	General Construction Building Permit	December 2024
		Electrical Permit	December 2024

Technical Review

In addition to the environmental and cultural studies completed, several technical field surveys were completed. These include a preliminary geotechnical survey, American Land Title Association (“ALTA”), and a topographical survey for the site. The geotechnical and topographical field surveys inform site design aspects for the Project and to enable the appropriate equipment to be matched to the site. The ALTA survey confirms the boundaries of the property and how they relate to the Title for the property. While these studies do not inform permitting considerations, it demonstrates the commitment of the sponsor to the Project.

Economic Development Benefits

Mesilla Valley Economic Development Authority (MVEDA) completed an economic analysis to estimate the development benefits of a 75 MW project in which the economic conditions would be similar to what is found in Luna County. On a pre-Industrial Revenue Bond (IRB) basis given current estimated construction and equipment costs, the Project would bring approximately \$1.15 million in incremental annual property tax revenue to the County. This is based on a total estimated construction cost and capital investment in the County of approximately \$145 million. However, in the effort of transparency, the Project would seek an IRB with the County prior to construction start. MVEDA estimated \$41.5 million of total value of the economic impact of the project and \$50 million of construction impact.

Be it remembered that at a Regular Meeting of the Board of County Commissioners of Luna County in Deming New Mexico, on the 12th day of January 2023, the following proceedings were had and entered of record.

RESOLUTION NO. 23-17

CALL TO REVISE ORDINANCE 76

WHEREAS, pursuant to Section 4-37-1, NMSA 1978, grants Counties, through the Board of County Commissioners the power to make, publish and repeal ordinances;

WHEREAS, Section 4-37-7, NMSA 1978, Ordinances governs the proposal of ordinances.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners hereby give notice of its intent to consider the 2nd Revision to Ordinance 76; Tax Obligations for Land Transfers, Division and/or Recombinations, at the Regular Meeting on February 9, 2023, at 10:00 a.m. or as soon thereafter as the matter may be heard in the Luna County Courthouse, 700 S. Silver Ave., Deming, New Mexico.

BE IT FURTHER RESOLVED that the Luna County Manager is authorized to take all necessary action necessary to properly place the issue of the adoption of the 2nd Revision to Ordinance 76 before the Board of County Commissioners, including but not limited to, the publication of title and a general summary of the proposed adoptions and making a copy of the proposed available to interested persons beginning with the date of publication, but no later than two weeks prior to the February 9, 2023 Regular Meeting.

Done at Deming, New Mexico this 12th day of January 2023.

LUNA COUNTY

RESOLUTION 23-13

DISPOSITION OF PERSONAL PROPERTY

WHEREAS, pursuant to Section 4-38-1, NMSA 1978, the powers of a county as a body politic and corporate shall be exercised by a Board of County Commissioners;

WHEREAS, Section 4-38-13, NMSA 1978, provides that the Board of County Commissioners shall have the power at any session to make such orders concerning the property belonging to the county as they may deem expedient;

WHEREAS, Section 13-6-1, NMSA 1978 declares that a County may dispose of tangible personal property and delete it from the public inventory upon a specific finding that each item is of current resale value of five thousand dollars (\$5,000.00) or less and is worn out, unusable or obsolete to the extent that the item is no longer economical or safe for continued use;

WHEREAS, a designated committee of three Luna County Officials has declared that all of the tangible personal property that is the subject of this resolution meets the criteria set for in Section 13-6-1, NMSA 1978; and

WHEREAS, pursuant to Section 13-6-2, NMSA 1978, the personal property will be disposed of by live or online auction open to the public or by an inter-governmental transfer to another state agency or local public body.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Board of County Commissioners of Luna County:

1. Finds that the property described in the Attachments hereto and incorporated by reference into this Resolution consists of property owned by the County of Luna with varying resale values, which is worn-out, unusable or obsolete to the extent that the items are no longer economical or safe for continued use by the County;
2. A copy of this Resolution and Attachments shall be sent to the State Auditor and the Local Government Division of the Department of Finance and Administration at least thirty (30) days before the disposal of the property, pursuant to Section 13-6-1(B)(2), NMSA 1978;
3. A copy of this Resolution and Attachments shall be made a permanent part of the official minutes of Luna County and maintained as a public record subject to the Inspection of Public Records Act.
4. All of the personal property will be disposed of by live or online auction process open to the public or through inter-governmental transfer.

Community and Commercial Energy Project (Energy Project) Policy

1.0 PURPOSE.

The purpose of this policy is to outline required information for the Application of a Conditional Use or Special Use Permit and the review and approval standards for a Community and Commercial Energy Project (Energy Project). A Development Review Statement and Application are required to start the process and a Plan of Development and Project Narrative are required prior to approval. These criteria are written to:

- 1.1 Assist the Applicant and relevant authorities;
- 1.2 Provide overview of the Energy Project;
- 1.3 Provide information so citizens may gain an understanding of the Energy Project;
- 1.4 Provide a basis for public discussion and informed comment on the Energy Project;
- 1.5 Identify significant environmental, social, cultural, and economic effects related to the Energy Project and provide a background on which decision makers will consider the project.
- 1.6 Provide information in the Development Review Statement, Application, Project Narrative and the Plan of Development that is current at the time of submission. Where information is unavailable, not yet finalized, or will be gathered post-permit, estimates and/or alternative options must be provided and noted as estimates or alternatives.

2.0 INTENT

The Application and Development Review Statement are intended to:

- 2.1 Address major issues associated with the Energy Project; however, they are not all inclusive;
- 2.2 Discover issues not listed that may be deemed significant and issues that may emerge as significant (studies, public input) during the course of review;
- 2.3 Address standards for energy production facilities, not to regulate the production of energy;

- 2.4 Provide a method to claim statutory and regulatory exemptions i.e. Community Solar;
- 2.5 Develop a plain language Plan of Development easily understood by the general public. Any necessary technical data, statistics and supplementary information shall be attached as Exhibits to the Plan of Development. All sources of information are to be referenced and current. Information presented as maps, diagrams or plans are preferred as it is generally easier to understand;
- 2.6 Facilitate required consultation and communications with the Planning Department;
- 2.7 Specify the maps, information, surveys and studies to be included in the Development Review Process. Requirements will be tailored for each specific project based on the totality of circumstances unique to each project;
- 2.8 Produce plans and protocols for remediation, decommissioning, construction; reclamation and disposal; and to address recognized and potential hazards related to the Energy Project;
- 2.9 Guarantee the viability of decommissioning and reclamation through a Development Agreement;
- 2.10 Allow for public input.

3.0 CONDITIONAL USE PERMIT PROCESS

- 3.1 Application and payment of fees.
- 3.2 Development Review Statement.
- 3.3 Development Review Meeting.
- 3.4 Submission of additional information, if necessary.
- 3.5 Project Narrative and Site Plan.
- 3.6 Written Plan of Development by developer.
- 3.7 Notice to adjacent landowners and the public.
- 3.8 Receipt of comments from adjacent landowners and the public.
- 3.9 Developer's response to comments.
- 3.10 Written recommendation from Planning Department.
- 3.11 Supplemental Development Review Meeting, if necessary.

- 3.12 Administrative approval, with conditions or conditions subsequent if any, unless Commission Approval requested by either Planning Department or developer.
- 3.13 Submission of post approval documents, e.g. regulatory approvals/licenses.

4.0 SPECIAL USE PERMIT PROCESS

- 4.1 Application and payment of fees.
- 4.2 Development Review Statement.
- 4.3 Development Review Meeting.
- 4.4 Submission of additional information, if necessary.
- 4.5 Project Narrative and Site Plan.
- 4.6 Written Plan of Development by developer.
- 4.7 Public Hearing Notices.
- 4.8 Receipt of public comments.
- 4.9 Developer's response to public comments.
- 4.10 Written recommendation by Planning Department.
- 4.11 Supplemental Development Review Meeting, if necessary.
- 4.12 Public Hearing before the Board of County Commissioners.
- 4.13 Submission of post approval documents, e.g. regulatory approvals/licenses.

5.0 SUBMISSIONS

- 5.1 Application: Form provided by Planning Department.
- 5.2 Development Review Statement: Form provided by Planning Department.
- 5.3 Site Plan including maps, drawings and technical data.
- 5.4 Project Narrative.
- 5.5 Plan of Development.
- 5.6 Other Discretionary: Approvals, Certificates, Licenses,

6.0 PLAN OF DEVELOPMENT, PROJECT NARRATIVE AND SITE PLAN CHECKLIST

- **Plan of Development BY DEVELOPER**

The Plan of Development shall address risks associated with the Energy Project and other key issues identified in the Development Review Process,

related to the proposed use, including the following potential environmental effects:

- Potential positive and negative effects the Energy Project may have on current or future use of the subject land and the surrounding area.
- Remediation
- Hazard Mitigation
- Visual Impacts
- Navigational Impacts
- Reception Interference
- Noise and Light Pollution
- Impact on Bird Migration including strikes
- Native Vegetation/Weeds
- Endangered Species
- Economic Impact
- Geology and Soil
- Wildlife Habitat
- Water Quality/Surface Water
- Air Quality
- Public Health and Safety
- Infrastructure Impact and Requirements/Roads
- Decommissioning/Reclamation/Removal/Recycling/Disposal
- List of studies or analyses performed, prior and post conditional or special use permit and/or references.

- **Project Narrative BY DEVELOPER**

Introduction: Unless waived, this section shall provide information on the following:

- Name of the Energy Project.
- Maps showing vicinity and project location including existing reservations, restrictions, easements and covenants of record.
- Name, address, and phone number of the developer and similarly for the contact person. An overview of the company from the developer providing relevant information regarding qualifications and experience in energy

development, financial capabilities and environmental management history of the company.

- Relevant background information on the Energy Project, including a general overview of the project location, time frame and project life, phases of development, likely markets for electricity produced and possibilities for future expansion.
- Reasons for the choice of this/these locations.
- Estimated economic impact: describing the impact on the local economy in respect, but not limited to, construction costs,
 - permanent jobs, production value, infrastructure improvements, etc.
- Industry Standards or Codes applicable to construction, maintenance, and operation of the Energy Project e.g. NFPA, OSHA.
- **Site Plan:** Each component may be specifically waived or amended by the Planning Department. The Site Plan should include:
 - Scale and North Point Up;
 - Phases of construction (if applicable);
 - Name, address and phone number of subject property landowner; developer and designated contact person;
 - Boundary of the entire site including delineation of individual landowners, if applicable, and boundary of area affected by Conditional Use or Special Use;
 - Acreage of site and point(s) of access to the Energy Project;
 - Estimated final topography;
 - Adjoining streets with names and location of nearby railroads and airports;
 - Electric lines;
 - Active residential buildings within 300 feet of the subject property boundary;
 - Significant natural and man-made features on the site;
 - Wind characteristics and dominant wind directions (wind projects only);
 - Schematic location of Energy Equipment, electric collector and feeder lines, maintenance roads and other associated facilities;
 - Proposed setbacks of all structures from the boundary lines;
 - Map of County roads that will be used for the Energy Project.

- **Decommissioning Narrative:**
- Applicant shall submit a Decommissioning Narrative and estimated cost describing the manner in which the Energy Project will be dismantled and removed from the site at the end of its useful life. (A Decommissioning Bond of \$50,000/MW will be required to be paid up front) All above ground components of the Energy Project shall be removed. Foundations or piers shall be removed to four feet below ground level and the area removed filled with four feet of soil which is reasonably similar in quality to that of the original excavation. Remainder of the foundation may be left intact. Access roads shall be removed to the owner's satisfaction.
- Description of options available to the County for financial assurance of decommissioning and reclamation. An available option or an alternative option must be approved by Luna County to reasonably restore the site to its pre-project topography and reasonably similar soil quality. The purpose is to assure removal of all improvements subject to the permit at the end of the project's life, or in the event of abandonment of the Energy Project. Agreed upon option must be in place prior to the start of construction.
- Estimate of Useful Life. The Applicant shall provide an estimate of the useful life of the Energy Project. The estimate should include potential events that would stop energy production for over a month. Notification of any interruptions to production should be delivered to the Planning Department prior to planned interruptions and as soon as practicable after unplanned interruptions and include an estimate of the duration of the interruption.
- Prior to permanent abandonment or termination of the Energy Project, a Notification to abandon must be delivered to the Planning Department at least thirty (30) days prior to the permanent cease of production of energy. A project will be deemed abandoned after any one-year period during which energy production ceases, after which decommissioning and reclamation must be completed within eighteen (18) months.
- If the Permittee fails to timely complete decommissioning or reclamation, the property owner or County may complete decommissioning or reclamation at

the expense of the Permittee, enforceable by lien or judgment against the Permittee and revocation of any other permits held by such Permittees.

- Safety Narrative.
Describe the safety and security procedures of the facility and signage that will be used and a written Hazard Mitigation Plan. Also include any recommended or necessary training or services for first responders, adjacent property owners and other impacted parties.
- Roads (General Agreement; however, methodology may be agreed upon after permit is issued)
 - If the Energy Project will result in extraordinary impact or wear and tear on public roadways, a Road Agreement for maintenance and repairs or an impact fee may be required.
 - Road Agreements may include responsibility for maintaining or repairing roads to a condition better than what existed prior to project construction or operation.

7.0 CONDITIONS PRECEDENT TO PERMIT ISSUANCE

- 7.1 Land Clearing and Revegetation in consideration of the flora/fauna of the area
 - 7.1.1 To the extent possible, the Permittee shall minimize the removal of trees and natural vegetation.
 - 7.1.2 To the extent possible, the Permittee shall minimize permanent compaction of the land during all phases of the project's life.
 - 7.1.3 During site clearance and construction, a dust mitigation and sediment control plan is required and may include silt fences and other temporary erosion controls to be installed and left in place until new native vegetation covers the bare ground around the Energy Project or a suitable alternative is agreed upon.
- 7.2 Storm Water is the natural flow of water cannot be altered or discharged onto adjoining property. Retention ponds may be built if needed and in accordance with County/State regulations.

7.3 Addressing

7.3.1 Prior to commencement of land clearing or construction activities, the Permittee must have requested and the Planning Department must have assigned an address to the project site.

7.4 Amendments to Permits

7.4.1 The discovery of any conditions not previously identified (unforeseen circumstances) that necessitates material and substantive changes to any of the details or specifications of the Energy Project requires the Permittee to request an amendment to the permit from the Planning Department. Such requests will not be unreasonably denied but may require new notices, Plan of Development, Project Narrative or other documentation. The Permittee shall have the right to move or relocate within the boundaries of the permitted site if the unforeseen circumstances prohibit development as originally planned.

7.4.2 Permits may not be transferred by the Permittee to any other party or entity without prior approval by the County. The Permittee must request a transfer in writing with a new Application and fee. Transferees must also execute an Assumption of Responsibilities and Obligations originally agreed to by the Permittee requiring the Transferee to meet the same conditions as the Permittee including financial obligations for decommissioning and reclamation.

8.0 LIABILITY ON TERMINATION OR EXPIRATION

8.1 In the event of termination or abandonment of a project, the Permit shall remain liable to the County for any expenses incurred by the County until completion of decommissioning and abatement.

8.2 In addition to application fees, the Applicant shall be responsible for other reasonable costs incurred by the County, including but not limited to publication costs.

8.3 In addition to any penalties, the Permittee shall be responsible for costs of enforcement incurred as a result of any breach of the terms of the Permit, including reasonable attorney's fees.

8.4 In addition to penalties and enforcement costs, the County shall retain the right to seek other legal remedies, including injunctive relief.

9.0 ADMINISTRATION AND ENFORCEMENT

It shall be the duty of the Planning Department to administer and enforce the requirements prescribed in this policy. When provided, submissions shall be on the forms made available in the Planning Department, such as Applications and Development Review Statements. Applications shall be addressed in a timely manner by the Planning Department.

10.0 APPEALS

- 10.1 Any Applicant or property owner adjacent to a proposed project adversely affected by any decision of the Planning Department made pursuant to this Policy may appeal in writing to the Board of County Commissioners of Luna County.
- 10.2 The Notice of Appeal must be submitted to the County Manager's office within ten (10) working days of the date the decision is posted on the Luna County website.
- 10.3 The Notice of Appeal must include:
- 10.3.1 The decision from which the appeal is taken;
 - 10.3.2 The specific provisions in the decision which are objectionable;
 - 10.3.3 The legal grounds or basis of each objection and any supporting documentation;
 - 10.3.4 The specific relief requested; and
 - 10.3.5 The name, address and contact information of the Appellant.
- 10.3.6 The Board of County Commissioners shall fix a reasonable time for hearing appeals, not to exceed thirty (30) days of receipt of the appeal and give notice to the public and parties not less than fourteen (14) days prior to the hearing.
- 10.3.7 The Board of County Commissioners shall have the sole discretion at appeal to uphold, reverse or modify the Planning Department decision.

11.0 JUDICIAL REVIEW

Any party aggrieved by the decision of the Board of County Commissioners shall have the right to appeal as afforded by New Mexico law.

12.0 PENALTIES FOR VIOLATION

Penalties shall be pursuant to Section 4-37-3, NMSA 1978.

13.0 CONFLICTING REGULATIONS

Where there exists a conflict between this policy and any other regulations applicable to the same area, whether the conflict is with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail.

14.0 SEVERABILITY

If any section; clause; provision; or portion of this policy is adjudged unconstitutional or invalid by a court of appropriate jurisdiction, the remainder of this policy shall not be affected thereby.

Be it remembered that at the Regular Meeting of the Luna County Board of County Commissioners in Deming New Mexico, on the 12th day of January 2023, the following proceedings were had and entered of record.

PROCLAMATION 23-01

SUPPORTING ALL ECONOMIC DEVELOPMENT IN LUNA COUNTY

WHEREAS, Luna County has long suffered from exceptionally high unemployment rates, often the highest in the state;

WHEREAS, it is the goal of the Board of County Commissioners of Luna County to create a business environment that is free of bureaucratic roadblocks to economic development and to create an atmosphere that invites, welcomes and promotes economic development by both established businesses and new businesses in Luna County;

WHEREAS, the Southline Transmission Project is a proposed 280-mile transmission line, with 56 miles located in Luna County, that will improve electric grid reliability and increase New Mexico's ability to export its wind and solar resources; and

WHEREAS, the project has secured all major regulatory approvals and is now seeking funding support from the Department of Energy in order to commercialize the project and start construction in 2024; and

WHEREAS, the Board of County Commissioners of Luna County reiterates its support for this project that seeks to improve the lives of the citizens of Luna County through employment opportunities, construction and the purchase of goods and services in Luna County associated directly with the construction of the project, as well as through the development of renewable energy projects that will be enabled by the new transmission capacity.

NOW, THEREFORE, BE IT PROCLAIMED, by the Board of County Commissioners of Luna County, on behalf of employees and citizens of Luna County, that Luna County supports the Southline Transmission Project and encourages the Department of Energy to support the Southline Transmission Project to ensure it can commence construction and operations.

PROCLAMATION 23-02

**A PROCLAMATION OF SUPPORT BY LUNA COUNTY
WITH DEMING SOLAR, LLC TO COLLABORATE IN A
COMMUNITY BENEFIT PARTNERSHIP PROGRAM**

WHEREAS, Deming Solar, LLC (“Deming Solar”) intends to develop a community solar project to be located at 11315 Hermanas Grande SW Deming, NM within the County (the “Project”); and

WHEREAS, the County of Luna (the County) approved a Conditional Use Permit for the Project on September 30, 2022; and

WHEREAS, Deming Solar intends to submit a Request for Proposal as part of the New Mexico Community Solar Program;

WHEREAS, the County and Deming Solar desire to collaborate to ensure that the local community receives benefits from the Project; and

WHEREAS, Deming Solar has agreed to undertake certain obligations and make certain donations set forth below for the benefit of the County;

NOW, THEREFORE, BE IT PROCLAIMED BY THE COUNTY COMMISSIONERS AS THE GOVERNING BODY OF LUNA COUNTY, NEW MEXICO, that:

1. Deming Solar, LLC (“Deming”) will develop a marketing and outreach campaign aimed at educating Luna County residents about the economic and environmental benefits associated with the Project, and more specifically the benefits associated with becoming a subscriber of the Project; and
2. Deming Solar will work to prioritize local Luna County residents in its efforts to fully subscribe the Project; and
3. For each Luna County resident that enrolls in the Project, Deming Solar will donate \$100.00 to Luna County designated public services and programs per Luna County. Subscribers will be able to select from a list of County-selected organizations (List of organizations to be developed following adoption of this resolution). Deming Solar will fund all donation amounts on the first day the facility is operational; and
4. Deming Solar will donate an additional \$5,000.00 to the organization with the highest number of subscriber selections. Deming Solar will fund this amount on the first day the facility is operational; and

5. Deming Solar will comply with all conditions of approval placed on it by the Planning Department.
6. This Proclamation will be governed by, and all matters in connection with this Proclamation will be construed and enforced in accordance with, the laws of the State of New Mexico, and the parties hereby agree to submit to the personal jurisdiction of the federal or state courts located in or for Luna County, New Mexico.
7. Deming Solar may, with the consent of the County, assign this Proclamation provided the assignee assumes and agrees to be bound by this Proclamation by executing and submitting to the County notice of assignment and assumption of this Proclamation. In the event this Proclamation is assigned, Deming Solar will have no further obligations under this Proclamation, except for any obligations outstanding on the date of the transfer, but only if the successor has in writing confirmed its acceptance of its obligations. Nothing in this Proclamation will limit in any way the right of the owners of Deming Solar to sell or otherwise transfer (including by merger or consolidation with any other entity) all or a portion of their ownership interests in the Project without the consent of the County.
