

## REQUEST FOR PUBLIC INPUT

### ICIP (Infrastructure Capital Improvement Plan)

The County of Luna is currently working on the 2025-2029 Infrastructure Capital Improvement Plan and is seeking input.

A local infrastructure capital improvement plan (ICIP) is a plan that establishes planning priorities for anticipated capital projects. The state-coordinated ICIP process encourages entities to plan for the development of capital improvements so that they do not find themselves in emergency situations, but can plan for, fund, and develop infrastructure at a pace that sustains their activities.

All interested parties are invited to submit project ideas, to provide supporting data and testimony, photos, and other pertinent information at the Work Session held on July 27, 2023, at 4:00 pm.

For general questions on the ICIP, please call the County Manager's Office at 575-546-0494 opt.1. Please submit your project and comments to: [executiveassistant\\_mng@lunacountynm.us](mailto:executiveassistant_mng@lunacountynm.us).
