

Online Services Available

The Luna County Assessor's, Clerk's & Treasurer's Offices
are now Online!

The public will now be able to access information from each of these offices on the Luna County Website (www.lunacountynm.us) Some of the information includes Property information from the Assessor's Office, Property Tax information from the Treasurer's Office and Public Record Information from the Clerk's Office

Once you are on the Luna County Home Page you can access this information two ways. You can click on **I Want To ...** from the top of the page. You will then choose **Lookup County Information** from the drop down menu. From this page you can select the County Office you need information from.

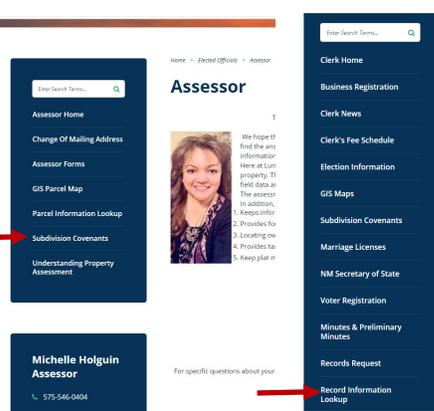

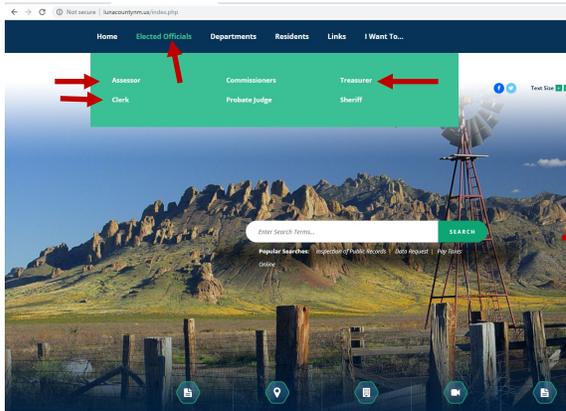

Welcome to the County Lookup

Please Select an Option from above To Continue.

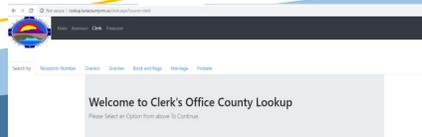

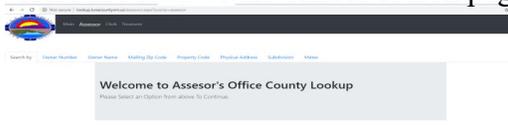

Updates and corrections occur on a daily basis; however the County shall not incur any liability for omissions with respect to the information provided in this data.

For official copies of documents, please visit the County office.

... Or you may click on **Elected Officials** and select the office you need information from. It will take you to their home page where there is a menu on the left side of the screen. If you select the **Information Lookup** option it will direct you to a search option page where you may lookup your desired information

Here are each of the offices search pages

If you have any questions or need any assistance in being guided through our website please feel free to call any of our offices.
