This atlas represents a combined effort of the Luna County Planning & Community Development Department and the Luna County Road Department.

The Luna County Planning & Community Development Department acknowledges and thanks all who participated in the creation of this work. This atlas and the Luna County GIS database include the work of many unaccredited individuals and sources. Data for this atlas was obtained from the Luna County GIS database, BLM, Luna County recorded subdivision plats, and aerial photography. It was funded, published and printed by Luna County.

Luna County makes no warranty with respect to the accuracy, completeness or usefulness of this atlas. Luna County assumes no liability for direct, indirect, special, or consequential damages resulting from the use or misuse of this atlas or any of the information contained herein.
