

Luna County Tax Distribution Comparison

Where Do My Property Tax Dollars Go?

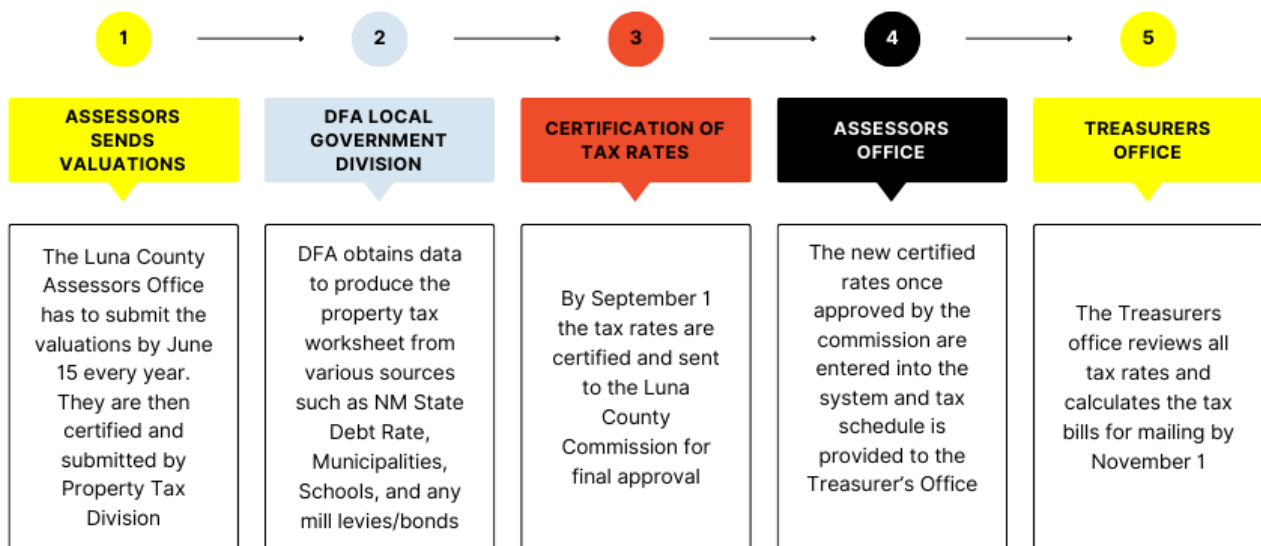

Below is an example based on a home with a market value of \$300,000 with \$100,000 taxable value, located within the City of Deming. The County distribution includes funds for Department of Health Services, District Attorney Office, District Court Building, Assessment of Values in Luna County, Recording of property deeds and elections, and collecting taxes on behalf of all entities and disbursing funds to the entities below.

How are my tax rates determined?

Below is a flowchart of the tax rate process.

Tax Bill Process
