McKean County Commissioners Partner with the McKean County Community Foundation

The McKean County Community Foundation (MCCF) is excited to announce the partnership with the McKean County Board of Commissioners, who announced at their June 28th meeting, an exclusive partnership to benefit nonprofit organizations serving McKean County. These dedicated nonprofits enhance the daily living experiences of all residents in the region and were often overlooked for funding amid the COVID-19 pandemic. McKean County Commissioners have provided funds of up to \$250,000 to the McKean County Community Foundation for grant distributions in 2022. These dollars represent a portion of McKean County's American Rescue Plan Act.

Nonprofit agencies include any 501 (c) 3 nonprofits that serve the residents of the county and faith-based organizations that provide community services. Applications will be available on the Community Foundation's website www.mckeancountyfoundation.org. This Partnership grant cycle will open in the near future and the deadlines will be early this fall. Watch for more information on the McKean County Community Foundation Facebook page, website and local newspapers. If you have questions, please contact the Community Foundation.
