Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract if becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- (F) Contractor shall comply with the requirements of the Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.) regardless of the

method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a).

- (G) When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
- (H) Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- (I) Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's

business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

- (J) For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

- (j) Compliance with the Prohibition of Illegal Alien Labor on Assisted Projects Act:

Pursuant to the Act of May 11, 2006 (P.L. 173, No. 43), known as the Prohibition of Illegal Alien Labor on Assisted Projects Act, the Grantee shall not knowingly employ, or knowingly permit any of its subcontractors to knowingly employ, the labor services of an illegal alien on activities funded in whole or in part by a grant or loan issued by an executive agency of the Commonwealth of Pennsylvania.

In the event that the Grantee

- (A) knowingly employs, or knowingly permits any of its subcontractors to knowingly employ, the labor services of an illegal alien on activities funded in whole or in part by grants or loans issued by an executive agency of the Commonwealth of Pennsylvania; and
- (B) the Grantee or any of its subcontractors are sentenced under Federal law for an offense involving knowing use of labor by an illegal alien on activities funded in whole or in part by grants or loans issued by an executive agency of the Commonwealth of Pennsylvania,

the Grantee shall:

- (A) repay all grant funds received by the Grantee from the Grantor pursuant to this Contract, in accordance with instructions to be provided by the Grantor, and
 - (B) be ineligible to apply for any Commonwealth grant or loan for a period of two years.
- (k) Right to Know Law Provisions:
- (1) The Grantee or Subgrantee understands that the Grant Agreement and records related to or arising out of the Grant Agreement are subject to requests made pursuant to the Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, (“RTKL”). For the purpose of these provisions, the term “the Commonwealth” shall refer to the Department of Community and Economic Development.
 - (2) If the Commonwealth needs the Grantee’s or Subgrantee’s assistance in any matter arising out of the RTKL related to this Grant Agreement, it shall notify the Grantee or Subgrantee using the legal contact information provided in the Grant Agreement. The Grantee or Subgrantee, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
 - (3) Upon written notification from the Commonwealth that it requires Grantee’s or Subgrantee’s assistance in responding to a request under the RTKL for information related to this Grant Agreement that may be in Grantee’s or Subgrantee’s possession, constituting, or alleged to constitute, a public record in accordance with the RTKL (“Requested Information”), Grantee or Subgrantee shall:
 - (A) Provide the Commonwealth, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in Grantee’s or Subgrantee’s possession arising out of this Grant Agreement that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and
 - (B) Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Grant Agreement.
 - (4) If Grantee or Subgrantee considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that Grantee or Subgrantee considers exempt from production under the RTKL, Grantee or Subgrantee must notify the Commonwealth and provide, within seven (7) calendar days of receiving the written notification, a written statement

signed by a representative of Grantee or Subgrantee explaining why the requested material is exempt from public disclosure under the RTKL.

- (5) The Commonwealth will rely upon the written statement from Grantee or Subgrantee in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, Grantee or Subgrantee shall provide the Requested Information within five (5) business days of receipt of written notification of the Commonwealth's determination.
 - (6) If Grantee or Subgrantee fails to provide the Requested Information within the time period required by these provisions, Grantee or Subgrantee shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of Grantee's or Subgrantee's failure, including any statutory damages assessed against the Commonwealth.
 - (7) The Commonwealth will reimburse Grantee or Subgrantee for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.
 - (8) Grantee or Subgrantee may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, Grantee or Subgrantee shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of Grantee's or Subgrantee's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, Grantee or Subgrantee agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.
 - (9) The Grantee's or Subgrantee's duties relating to the RTKL are continuing duties that survive the expiration of this Grant Agreement and shall continue as long as the Grantee or Subgrantee has Requested Information in its possession.
- (I) Federal Contracting Provisions:

The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency ("EPA") at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

(2 CFR 200.322).

(3) Remedies

(2 CFR Part 200 Appendix II (A)).

(4) Termination Provisions

All subcontracts exceeding \$10,000 must address termination for cause and for convenience by the Grantee including the manner by which it will be effected and the basis for settlement.

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The Grantee must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract must be conditioned upon the acceptance of the wage determination. The Grantee must report all suspected or reported violations to the Grantor. The contract must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3 entitled "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic or laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. (2 CFR Part 200 Appendix II (E)).

Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the Grantor. (2 CFR Part 200 Appendix II (I)).

**ARTICLE VI
ASSIGNMENT, TRANSFER, COLLATERAL USE**

This Contract shall be binding upon and inure to the benefit of the Grantor, the Grantee, and their respective successors and assigns, except that the Grantee may not assign or transfer its rights hereunder without the prior written consent of the Grantor. Approval of an assignment does not establish any legal relationship between the Commonwealth or the Grantor and any other third party, and under no circumstances shall the Commonwealth be held liable for any act or omission committed pursuant to such an assignment.

**ARTICLE VII
INDEPENDENT CONTRACTOR**

Notwithstanding anything contained herein to the contrary, the rights and duties hereby granted to and assumed by the Grantee are those of an independent contractor only. Nothing contained herein shall be so construed as to create an employment, agency or partnership relationship between the Grantor and the Grantee.

ARTICLE VIII INTEREST OF PARTIES AND OTHERS

No officer, member, employee, independent contractor or elected official of the Commonwealth and no member of its governing body who exercises any functions or responsibilities in the review or approval of activities being performed under this Contract shall participate in any decision relating to this Contract which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is directly or indirectly interested. Nor shall any such officer, member, elected official or employee of the Commonwealth or any member of its governing body have any interest direct or indirect in this Contract or the proceeds thereof.

The Grantee covenants that the Grantee (including directors, officers, members and employees of the Grantee) presently has no interest and shall not acquire any interest, directly or indirectly, which would conflict in any manner or degree with the performance of activities required to be performed under this Contract. The Grantee further covenants that no person having any such interest shall be employed in the performance of activities for this Contract.

ARTICLE IX SUBCONTRACTS

The Grantee shall not execute or concur in any subcontract with any person or entity in any respect concerning the activities herein without prior written approval of the Grantor. Such prior written approval shall not be required for the purchase by the Grantee of articles, supplies, equipment and activities which are both necessary for and merely incidental to the performance of the work required under this Contract. The Grantee shall not execute or concur in any subcontract declared disapproved by the Grantor.

A subcontractor shall be automatically disapproved, without a declaration from the Grantor, if the subcontractor is currently or becomes suspended or debarred by the Commonwealth or the federal government. In any event, the Grantee shall be responsible for the quantity and quality of the performance of any of its subcontracts.

All subcontracts must contain provisions of nondiscrimination/sexual harassment as specified in the Article entitled Compliance with Applicable Statutes and Regulations, subsection (c) and, where applicable, must contain the federal contracting provisions as specified in the Article entitled Compliance with Applicable Statutes and Regulations subsection (l). In addition, all subcontracts involving the pass through of Contract funds to subrecipients must include the audit requirements contained in the Article entitled Contract Audit and Closeout Requirements. The Grantee is responsible for ensuring that all required audits of subcontractors are performed, and for resolving any findings contained in the audit reports. All costs deemed unallowable in the subcontract audit report are required to be returned to the Grantor, through the Grantee.

ARTICLE X BIDDING REQUIREMENTS

If the Grantee is a political subdivision or other entity for which open and competitive bidding procedures have been established by law, the Grantee shall comply with those procedures if they are applicable to the project being funded with the grant funds. Otherwise, the Grantee shall comply with open and competitive bidding procedures in awarding any and all grants, subgrants, contracts, subcontracts or other agreements in excess of \$10,000.00 for construction, reconstruction, demolition, alteration and/or repair, for acquisition of machinery and equipment, or for engagement of the services of a professional consultant, when said grants, subgrants, contracts, subcontracts or other agreements are funded in whole or at least 50% in part with funds made available under this Contract. Open and competitive bidding procedures require the Grantee to obtain a minimum of three arm's length bids from vendors capable of providing the goods and/or performing the services requested. Arm's length transactions occur when the parties to the transaction are not related to one another and each party is acting in its own self-interest. The Grantor may require the Grantee to submit proof of compliance with said procedures, and failure to provide such proof to the satisfaction of the Grantor may result in termination of the Contract and repayment of all or a portion of the funds available under this Contract. Upon written request and for good cause shown, the Grantor may, at the Grantor's sole discretion, permit the Grantee to use an alternative procedure for solicitation of bids not inconsistent with law.

ARTICLE XI RECORDS

The Grantee, using accepted procedures, shall maintain at its principal office or place of business complete and accurate records and accounts including documents, correspondence and other evidence pertaining to costs and expenses of this Contract, and reflecting all matters and activities covered by this Contract. At any time during normal business hours and as often as the Grantor deems necessary, the Grantee shall make available for inspection by the Grantor, the Commonwealth Auditor General, the Commonwealth Attorney General, the Federal awarding agency, the Inspectors General or the Comptroller General of the United States, or their duly authorized representative, all of its records with respect to all matters covered by this Contract and will permit the Grantor to audit, examine and make copies of such records.

All required records shall be maintained by the Grantee for a period of three (3) years from the date of final audit or close out of this Contract by the Grantor, except in those cases where unresolved audit questions or litigation may require maintaining some or all records for a longer period. In such event, records shall be maintained until all pending matters are resolved. (2 CFR 200.333).

ARTICLE XII PROGRESS REPORTS

The Grantee and its subcontractors shall furnish to the Grantor such progress reports in such form and quantity as the Grantor may from time to time require, including, but not limited to, status reports of the project, project account statements, certificates, approvals, proposed budgets, invoices, copies of all contracts executed and

proposed, employment placements, follow-up reports and any and all other information relative to the Contract as may be requested. The Grantor or its representative shall have the right to make reasonable inspections to monitor the Grantee's performance under this Contract.

In the event that the Grantor determines that the Grantee or its subcontractor(s) has not furnished such reports as required by the Grantor, the Grantor, by giving written notice to the Grantee, may suspend payments under this Contract until such time as the required reports are submitted.

ARTICLE XIII ACKNOWLEDGMENT OF COMMONWEALTH ASSISTANCE

Any publication concerning a project financed by the Grantor will acknowledge Commonwealth financial assistance as follows:

"This Project was financed *[in part]* by a grant
from the Commonwealth of Pennsylvania,
[insert name of Grantor]."

Any publication concerning a project financed by federal funds received under a grant administered by the Grantor will acknowledge Commonwealth grant administration as follows:

"This Project was financed *[in part]* by a grant
from the federal Department of *[Name]*, under the
administration of the Commonwealth of Pennsylvania,
[insert name of Grantor]."

Signs acknowledging said Commonwealth financial assistance or administrative participation will be erected in the project area as soon as possible after the effective date of this Contract. Acknowledgment of Commonwealth financial assistance may be combined with acknowledgment of other funding sources on project signs or in project publications.

ARTICLE XIV AUDIT REQUIREMENTS

- (a) Audit Clause for Federal Grants (Management Directive 325.9 (5)(c))
 - (1) The Grantee must comply with all applicable federal and state grant requirements including *The Single Audit Act Amendments of 1996; 2 CFR Part 200 as amended*; and any other applicable law or regulation, and any amendment to such other applicable law or regulation that may be enacted or promulgated by the federal government.
 - (2) If the Grantee is a local government or non-profit organization that expends \$750,000 or more in federal awards during its fiscal year, the Grantee is required to provide the appropriate single or program specific audit in accordance with the provisions outlined in *2 CFR Part 200.501*.

- (3) If the Grantee expends total federal awards of less than the threshold established by 2 *CFR* 200.501, it is exempt from federal audit requirements for that year, but records must be available for review or audit by appropriate officials (or designees) of the federal agency, pass-through entity, and Government Accountability Office (GAO).
 - (4) If the Grantee is a for-profit entity, it is not subject to the auditing and reporting requirements of 2 *CFR* Part 200, Subpart F – *Audit Requirements (Subpart F)*. However, the Grantor is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The contract with the for-profit subrecipient should describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the contract and post-award audits. The post-award audits may be in the form of a financial audit in accordance with *Government Auditing Standards*, a single audit report or program-specific audit report in accordance with *Subpart F*. However, these post-award audits must be submitted directly to the Grantor. Only single audit reports for local governmental and non-profit subrecipients are electronically submitted to the Federal Audit Clearinghouse.
- (b) Additional Potential Components of the Single Audit Reporting Package (Management Directive 325.9 (5)(c))
- (1) In instances where a federal program-specific audit guide is available, the audit report package for a program-specific audit may be different and should be prepared in accordance with the appropriate audit guide, *Government Auditing Standards*, and *Subpart F*.
 - (2) In addition to the requirements of *Subpart F*, commonwealth agencies may require that the single audit reporting packages include additional components in the SEFA, or supplemental schedules, as identified through the respective grant agreement.
- (c) Submission of the Audit Report (Management Directive 325.9 (5)(c))
- The Grantee must submit an electronic copy of the audit report package to the Federal Audit Clearinghouse, which shall include the elements outlined in *Subpart F*.
- (d) Submission of the Federal Audit Clearinghouse Confirmation (Management Directive 325.9 (5)(c))
- The Grantee must send a copy of the confirmation from the Federal Audit Clearinghouse to the resource account RA-BOASingleAudit@pa.gov.

- (e) Audit Oversight Provisions (Management Directive 325.9 (5)(c))
- (1) The Grantee is responsible for obtaining the necessary audit and securing the services of a certified public accountant or independent governmental auditor.
 - (2) The Commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial or performance nature, if deemed necessary by commonwealth or federal agencies. Any such additional audit work will rely on work already performed by the Grantee's auditor and the costs for any additional work performed by the federal or state agencies will be borne by those agencies at no additional expense to the Grantee.
 - (3) Audit Documentation and audit reports must be retained by the Grantee's auditor for a minimum of five years from the date of issuance of the audit report, unless the Grantee's auditor is notified in writing by the commonwealth, the cognizant federal agency for audit, or the oversight federal agency for audit to extend the retention period. Audit documentation will be made available upon request to authorized representatives of the commonwealth, the cognizant federal agency for audit, the oversight federal agency for audit, the federal funding agency, or the GAO.
- (f) Project Closeout Procedures.

The submission of a Single Audit does not exempt the Grantee from complying with project closeout procedures as may be issued by the Grantor, including, but not limited to, the submission of a financial statement of the project after termination of project activities.

ARTICLE XV TEMPORARY SUSPENSION OF THE CONTRACT

Upon written notice and at any time during the period covered under this Contract, the Grantor may suspend payments and/or request suspension of all or any part of the Contract activities. The Grantor may give such notice to suspend for the following reasons:

- (a) Violations of laws and regulations, audit exceptions, misuse of funds, failure to submit required reports or when responsible public officials or private citizens make allegations of mismanagement, malfeasance or criminal activity.
- (b) When, in the opinion of the Grantor, the activities cannot be continued in such manner as to adequately fulfill the intent of statute or regulations due to act of God, strike or disaster.

During the term of suspension, the Grantor and Grantee shall retain and hold available any and all funds previously approved for application to the activities. During

this period all such funds held by the Grantee shall be placed in an interest bearing program expenditures account. The Grantee may not expend any such funds during the period that the Contract is suspended except pursuant to order of a court of competent jurisdiction. The Grantee shall have the right to cure any default or other circumstance that is the basis for suspension of this Contract within a reasonable period of time.

This Contract is also conditioned upon complete performance by the Grantee of past agreements or contracts between the Grantor and the Grantee. Complete performance includes the Grantee's timely submission of the required final audit of past agreements or contracts to the Grantor. In the event that the Grantor determines that there has been incomplete performance of past agreements or contracts by the Grantee, the Grantor, by giving written notice to the Grantee, will suspend payments under this Contract until such time as the Grantee has fulfilled its obligations under past agreements or contracts to the satisfaction of the Grantor. When the Grantee has fulfilled its obligation under past agreements or contracts to Grantor's satisfaction, the Grantor will resume payments under this Contract.

ARTICLE XVI TERMINATION OF THE CONTRACT

The Grantor may terminate this Contract at any time for its convenience or for any other reason if it determines that termination is in its best interests, or is otherwise appropriate, by giving written notice to the Grantee of such termination and specifying the effective date thereof. Termination pursuant to this section shall not be applicable to funds that the Grantee is legally or contractually obligated to pay as a result of project activities entered into prior to the date that it receives written notice of termination. All grant monies not legally or contractually obligated, plus accrued interest, shall be returned to the Grantor on or before the effective date of termination and all project records shall be made available to the Grantor.

ARTICLE XVII ENTIRE AGREEMENT

This Contract, when signed by all the parties hereto, constitutes the full and complete understanding and agreement of the parties of its express terms as provided above.

No provision of this Contract shall be construed in any manner so as to create any rights in third parties not party to this Contract. It shall be interpreted solely to define specific duties and responsibilities between the Grantor and the Grantee and shall not provide any basis for claims of any other individual, partnership, corporation, organization or municipal entity.

ARTICLE XVIII AMENDMENTS AND MODIFICATIONS

A properly executed Contract amendment is required to change the termination date of this Contract, to change the Contract Activity Period, to amend the grant amount

or to make major changes in the approved program scope, objectives or methods. Such an amendment must be executed if there is a significant change in the activities to be conducted under this Contract. Other revisions to the Project Description or Budget may be made upon written approval from the Grantor after prior written request of the Grantee; provided, the request is made by the Grantee and approved by the Grantor prior to the termination or expiration of the Contract.

ARTICLE XIX SEVERABILITY

Should any section or any part of any section of this Contract be rendered void, invalid or unenforceable by any court of law, for any reason, such a determination shall not render void, invalid, or unenforceable any other section or part of any section of this Contract.

ARTICLE XX CONSTRUCTION

This Contract shall be interpreted and construed in accordance with federal law, where applicable, and with the laws of the Commonwealth. All of the terms and conditions of this Contract are expressly intended to be construed as covenants as well as conditions. The titles of the sections and subsections herein have been inserted as a matter of convenience and reference only and shall not control or affect the meaning or construction of any of the terms or provisions herein.

ARTICLE XXI NONWAIVER OF REMEDIES

No delay or failure on the part of the Grantor in exercising any right, power or privilege hereunder shall affect such right, power or privilege; nor shall any single or partial exercise thereof or any abandonment, waiver, or discontinuance of steps to enforce such a right, power or privilege preclude any other or further exercise thereof, or the exercise of any other right, power or privilege. The rights and remedies of the Grantor hereunder are cumulative and concurrent and not exclusive of any rights or remedies which it might otherwise have. The Grantor shall have the right at all times to enforce the provisions of this Contract in accordance with the terms hereof notwithstanding any conduct or custom on the part of the Grantor in refraining from so doing at any time or times. The failure of the Grantor at any time or times to enforce its rights under such provisions, in accordance with the same, shall not be construed as having created a custom in any way or manner contrary to specific provisions of this Contract or as having in any way or manner modified or waived the same.

**Covid-19 County Relief Block Grant
 MCKEAN COUNTY**

McKean County will make expenditures necessary to respond to the COVID-19 public health emergency in compliance with Act 24 of 2020 and the CARES Act.

The purpose of this project is to offset the cost of direct county COVID-19 response; assist businesses and municipalities planning efforts, purchase PPE, offer grant programs to businesses with fewer than 100 employees that have received no other funding, increase broadband to underserved or unserved areas as well as identify tourism related Covid-19 businesses and continue to work with behavior health treatment services. Also, to include Non-Profit assistance programs that have been impacted by the pandemic.

The County of McKean will offset the cost of direct county response to COVID-19 and will provide grants to one or more municipalities, small businesses, non-profits, behavioral health along with a main focus of the employment of broadband to underserved and/or unserved areas. Compliance guidelines for Act 24 of 2020 and the CARES Act will be properly administered throughout the process. The County will retain 2% of the allotted amount to cover administrative costs incurred to maintain the program.

Funds will be used as follows;

1. Priority funding will be directed to Broadband Internet Connectivity. The absence of this vital infrastructure countywide was a significant contributing factor to the impact of COVID-19 on education, social services and the economy, including employment.
2. Reimbursing COVID related expenses and establishing reserves of PPE will be funded.
3. Behavioral health and related agencies.
4. Small businesses, non-profits and tourism.
