

DON'T CROWD THE PLOW !!!
Stay at least 200 feet away!

What's wrong with this picture?

If you can't see his mirrors,
he can't see you!

Keep around 12 midsize car
lengths between yourself and the
plow.

What's wrong with this picture?

This is an accident waiting to happen!

Give plows at least 200 feet of space. It's only around 80 walking steps.

200 feet = a quick run to second base.

That's how much distance you need when the plows are out.

Stay safe —make it a double!
