CFY 2022 Application for Funding
FAQ’s

Q1: Is the LGBTQ+ community considered a marginalized community?
- Yes, the LGBTQ+ may be considered a marginalized community.

Q2: Can we provide our Organization’s Certificate of Good Standing from last year or do we need to get a new one?
- ADAMHS requires a new Certificate of Good Standing every year.

Q3: Do you have to be a Non-Profit to be able to apply for funding? Can you be in the application process with Ohio Recovery Council (ORH) and still be able to apply?
- Recovery housing providers do not have to have nonprofit status but must submit a Certificate from Ohio Recovery Council (ORH Council).

Q4: It says the audit should be for the fiscal year. Can it be a calendar year?
- Treatment & Services are CY (Jan – Dec); Prevention are FY (July-June).

Q5: How much start-up funds and capital expenditure funds are available?
- ADAMHS does not provide start-up funds with Levy dollars as Levy funds can only be used for the purchase of services. They cannot be used for capital expenditures.

Q6: If you are not a recovery house and not a non-profit, are you still able to apply for funding?
- Funding will be examined on a case-by-case basis within the Application for Funding guidelines. Certain exceptions exist for Recovery Housing providers.

Q7: If we want to provide an increase in Recovery Housing services/beds, is it a “yes or no” answer - If we request more services/beds, will we get what is available? For example, if we request 20 can we get 10/15, if available?
- ADAMHS will provide Recovery services/beds based on our current community’s needs on a case-by-case basis. We will also make our recommendations based upon the organization’s prior number of individuals served.
Q8: What is meant by "Civil Commitment" as a priority?

- Civil Commitment as a priority means that ADAMHS will be looking at competency restoration and how to deploy in our community.

Q9: From SCI: Will we be able to include the CIT program which was new last year? (The ride along program that was funded for one year). Can that be included as a continuation for next year?

- Funding for this program will be dependent on previous utilization of program, current need(s), and whether the program will be physically in-person or virtual in nature.

Q10: Can treatment agencies provide recovery housing or is there a conflict?

- We will be looking at the current need(s) and demographics in specific areas.

Q11: What is the time frame for the audited financials? Does it need to be done completely before the application is submitted in September?

- If your organization has not conducted an audit, yes as ADAMHS needs this document before your application can be reviewed.

Q12: I went on the ADAMHS application portal to complete the CY 2022 Funding Application. Under the Welcome/ Submission Information section, the due date is listed as Friday September 4, 2020. Is the ADAMHS Board accepting applications now for CY 2022? If so, what is the deadline for it?

- The ADAMHS Board is now accepting applications for CY 2022 until September 9, 2021 at 4 P.M.

Q13: Do I need to submit my organization’s financial information from the prior year? Are there any exceptions to the audit portion?

- A provider shall submit audited financials conducted by an independent public accountant in accordance with General Accepted Auditing Standards (GAAS). There are NO exceptions to the audit requirement as it is required for all providers applying for funding. The financial audit ensures good stewardship.
of taxpayer funds and allows the Board to know of any recommendations or findings from the independent CPA auditor’s report prior to recommending an application for funding to the Board.
