**ARDAN PARK - STORM WATER POND INFORMATIONAL MEETING**

**ARDAN PARK, 8307 LONG LAKE ROAD  
SEPTEMBER 28, 2023 AT 5:00 P.M.**

A storm water pond analysis has been completed by Stantec Engineering Service for all of the City’s ponds and basins. The report includes information for the City with regard to the necessary maintenance timeframes along with a capital improvement plan for the future maintenance needs for all the storm water ponds and basins.

The meeting will consist of a short presentation followed by a question and answer (Q & A) session, to include an **optional** “walk and learn” with City and Stantec Staff to gain an insight on the function and maintenance regarding the Ardan storm water ponds.

Agenda:

- 5:00 - 5:15 p.m. - Staff Presentation
- 5:15 - 5:45 p.m. – Q & A
- 5:45 - 6:45 p.m. – Walk and Learn with Staff
  
- 7:00 p.m.            Meeting Concludes

The intent of this meeting is to acquire further input from the property owners regarding water quality, upland vegetation and additional concerns regarding the ponds. If there is inclement weather the meeting will be held at the Mounds View Community Center, 5394 Edgewood Drive.

NOTE: The meeting will be held on-site at Ardan Park. Should you choose to participate with the option to physically visit the ponds remember to have the appropriate footwear.

Staff will have audio equipment present so that all participants will be able to hear.

Please contact the Public Works Department, M – F, 7 a.m. to 3:30 p.m., (763) 717-4050 with questions regarding this meeting.
