For Immediate Release

GRANT PROPOSALS SOUGHT

The **SUBURBAN RAMSEY EMERGENCY COALITION** is seeking grant proposals from non-profit organizations serving residents within the Mounds View and Roseville School Districts. Grant proposals must address immediate needs of the underserved and most vulnerable among us who have been impacted by the COVID-19 pandemic. Currently, the areas of focus for grants are food insecurity and housing instability for those at risk of eviction, foreclosure or homelessness.

A short **Letter of Intent** to submit a proposal should be sent to the Coalition. It should outline the need, its size and duration, urgency, strategy to address, and impact that a Coalition grant would have upon it. For more information about eligibility and the complete application process, contact the Coalition at shoreviewcommunityfoundation@gmail.com. The Coalition will continue to accept applications as long as needs exist and donations are received.

The Suburban Ramsey Emergency Coalition is a unique partnership of local affiliates of all four major international service clubs (Lions, Rotary, Kiwanis and Optimists), Roseville Area Community Foundation and Shoreview Community Foundation. The Coalition is working with the Suburban Ramsey Family Collaborative and Ramsey County Commissioners from our area as informational resources. These partnerships make the Coalition ideally suited to identify and fill needs within our communities. Follow us at www.facebook.com/SuburbanRamseyCoalition.

Donations may be made by endorsing your check to the **Suburban Ramsey COVID-19 Response Fund** and sending to the Shoreview Foundation c/o Carol Mills, 5845 St. Albans Court, Shoreview, MN 55126, or online at GiveMN.org, [Suburban Ramsey COVID-19 Response Fund](https://www.givemn.org/suburban-ramsey-covid-19-response-fund). This fund is a dedicated account for the Coalition within the Saint Paul and Minnesota Foundation, which is acting as our fiscal agent through affiliation with the Shoreview Foundation.
