6. PUBLIC COMMENT

   Alison Ford, 8378 Groveland Road, requested the Council consider installing stop signs on Groveland Court. She reported the road was wide and the speed of traffic was too high. She discussed how there was a steady stream of cars driving through her neighborhood in the morning whenever 35W backed up. She stated it was difficult for her to get out of her driveway in the mornings. She feared that the traffic on her roadway would only become worse given the
fact Long Lake Road would be closed this summer. She requested the Council take action prior to something terrible happening in the community.

Brian Cornell, 8368 Groveland Road, stated there were 23 kids living on his street plus family pets. He noted one of these children was in a wheelchair. He explained he now had large truck and bus traffic on his street and requested the City Council consider installing stop signs at Groveland Court before something terrible happens in his neighborhood.

Dave Auge, 8401 Groveland Road, stated he has lived in his home since 1985. He discussed the concerns he had with the speed of traffic along Groveland Road and commented he was pleased he had several neighbors also in support of stop signs. He recommended the City Council hear the voices of the public and consider installing stop signs at Groveland Court.

Molly Kostecky, 8409 Groveland Road, stated she also supported the installation of stop signs at Groveland Court. She explained her son was in a wheelchair and his greatest joy was going up and down the street. She noted her son was not able to cross the street for safety reasons. She commented on the large number of children that live on her street and recommended the Council consider installing stop signs.

Albert Wilson, 8346 Groveland Road, indicated he agreed with the comments and concerns being raised by his neighbors. He stated he had a six-year-old daughter who liked to play with the neighbors across the street. He explained this has become a safety concern for his family. He commented the speed of traffic was on the rise and he believed a stop sign was a step in the right direction.

Mayor Mueller thanked the public for coming forward with their comments and concerns.

Council Member Gunn asked if the City Council could petition to put a stop sign on this MSA road. Public Works Director Peterson stated a petition would be required.

Mayor Mueller requested the Police Department have a strong presence in this area to ensure the speed limit is followed. She stated she supported this stop sign becoming a priority for the City to assist this neighborhood in improving their safety.

Council Member Meehlhause stated he supported a stop sign as well. He suggested an additional stop sign be considered at Laport. He discussed a grant the Police Department was applying for, noting if funded, the City would have an officer dedicated solely to traffic control.

Council Member Bergeron requested staff speak with the County and have them remind the dump truck drivers that the speed limit along Groveland Road was 30 miles per hour. Public Works Director Peterson stated he would speak with the County.

The City Council requested this item be placed on a future worksession agenda for further discussion.
7.  SPECIAL ORDER OF BUSINESS
   A.  Annual Stormwater Public Information Meeting.

Public Works Director Peterson discussed the City’s Storm Water Pollution Prevention Program (SWPPP) in detail with the Council. He described the work the City has done in the previous year to improve stormwater management in the community, noting precipitation in 2017 was slightly above average. He discussed the illicit discharge efforts the City completed and noted 13 outfalls were cleaned. Staff provided further comment on the City’s stormwater management and pollution prevention efforts.

Mayor Mueller asked for comments or questions from the public.

David Piskorski, 7878 Woodlawn Drive, requested further information regarding the City’s deicing program. Public Works Director Peterson commented on the City’s use of brine and noted research shows brine was a better option when treating ice and snow. He reported the City would be purchasing equipment to make its own brine for the 2018-2019 snow plowing season. He explained the use of brine reduced the overall use of salt on the City’s streets.

G. **Public Hearing: Resolution 8957, Northern Tier Retail LLC dba Super Spirits, New Off-Sale Intoxicating Liquor License and Cigarette/Tobacco License.**

City Administrator Zikmund requested the Council hold a public hearing and consider approval of a new off-sale intoxicating liquor license for Northern Tier Retail dba Super Spirits along with a cigarette and tobacco license. He reported all necessary paperwork and fees have been paid to the City. Staff recommended approval of the Resolution.
Council Member Meehlhause commented SuperAmerica would not be able to sell beer, wine and hard liquor at their location until they remodel their store. City Administrator Zikmund commented the applicant was aware of this stipulation.

Mayor Mueller questioned if tobacco would be sold in the liquor store, separate from the convenience store. Roger Burton, SuperAmerica representative, reported this was the case. He explained that he has been operating five convenient stores with a liquor store for the past year.

Mayor Mueller asked when the renovations would be completed at SuperAmerica. Mr. Burton indicated the hope would be to have this space operational yet this year.

Council Member Gunn inquired where parking would be located. Mr. Burton stated the gasoline fueling area may be remodeled in order to allow for additional parking to be gained at the front of the store.

Council Member Meehlhause questioned if the building would have an addition or simply be remodeled. Mr. Burton commented the building would be remodeled and no addition was necessary due to the large amount of square footage the convenient store already had. He explained 1,500 square feet on the right-hand side of the store would be remodeled to serve as Super Spirits.

Mayor Mueller opened the public hearing at 7:27 p.m.

Bob King, 7408 Silver Lake Road, reported SuperAmerica has been a great partner in the community and has helped the Mounds View Police Foundation.
