Ryan Hemenway, Boy Scout Troop #416, described the disc golf course tee boxes that he installed at Silver View Park and thanked all of the volunteers that helped him complete this task.

C. Commissioner Mary Jo McGuire.

Commissioner Mary Jo McGuire thanked the Council for their time. She discussed Ramsey County’s vision and mission, along with the strategic focus for its residents. She commented on the data that was available to residents online. She reviewed the representatives that were serving in the District 2 office. She explained there would be a public hearing on the final proposed County budget on Monday, November 26th at 6:30 p.m. at the Red Cap Room at Union Depot. She explained the County would be focusing its efforts to increase early childhood services to already connected children and families. She described how the County was addressing Mental Health, Community Health Assessment and Community Engagement. She commented on the upcoming 2020 Census and discussed the results of the recent election.

8. COUNCIL BUSINESS
   A. Resolution 9034, Approval of a Development Review for Edgewood Middle School located at 5100 Edgewood Drive; (Planning Case MU2018-02).
Community Development Director Sevald requested the Council approve a Development Review for Edgewood Middle School. He reviewed the plans for the site in detail with the Council noting the property was zoned R-1 Single Family Residential. He reported the Planning Commission recommended approval with four conditions.

Council Member Meehlhause asked if the recommended sidewalk on the north side of County Road H would require County approval. Community Development Director Sevald stated this would require County approval.

Mayor Mueller questioned how many residents were crossing from Edgewood Drive to the school. Community Development Director Sevald stated a count would have to be conducted.

Jeff Ridlehoover, Assistant Superintendent ISD 621, commented he would like students to continue to have access to the main entrance as this was the safest avenue for students to enter the school.

Council Member Meehlhause asked who would be responsible for snow plowing a sidewalk along County Road H. Public Works Director Peterson commented this would be the City’s responsibility.

Council Member Meehlhause inquired how concerned the school district was to have a barrier in place to keep students from the bus drop off area. Mr. Ridlehoover, commented the school district was always concerned with student safety. It was his hope that students would continue to use the main entrance at the front of the building to enter the school versus the back entrance.

Mike Tierney, Anderson-Johnson Associates, explained he worked on the site design. He described the layout of the back entrance currently and noted the area ran from asphalt to grass. He stated the new drive would now have a six-inch curb for safety purposes.

Council Member Meehlhause explained he believed the Planning Commission was looking for more of a physical barrier than a curb. Community Development Director Sevald explained one of the conditions for approval required City staff to work with the applicant on a physical barrier.

Council Member Meehlhause asked if the variance request had been approved. Community Development Director Sevald reported both variance requests for this Planning Case had been approved by the Planning Commission.

Council Member Meehlhause requested further information regarding the improvements that would occur to the school. Mr. Tierney described the improvements that would occur to the cafeteria, gym and pool space.

Council Member Gunn questioned if any changes would occur at the entrance to the school. Mr. Tierney stated no changes would occur to the entrance.
Mayor Mueller congratulated the school district for taking a look at this school and for bringing forward the much needed upgrades. She stated she was delighted to see the proposed plans and asked if the stormwater management plans would meet the needs of the site. Mr. Tierney commented on the stormwater management plan and explained the water features were to the back of the site.

MOTION/SECOND: Gunn/Meehlhause. To Waive the Reading and Adopt Resolution 9034, Approval of a Development Review for Edgewood Middle School located at 5100 Edgewood Drive.

Council Member Bergeron stated he supported the proposed plan and noted the proposed additions to Edgewood Middle School would serve the community greatly.

Ayes – 5  Nays – 0  Motion carried.

D. Resolution 9032, Approving a Feasibility Study for the 2019 Street Reconstruction Project.

Public Works Director Peterson requested the Council approve a Feasibility Study for the 2019 Street Reconstruction Project. He stated this project would reconstruct Woodale Drive from Mounds View Boulevard to Edgewood. He commented Bronson Drive from Edgewood to Long Lake Road may also be reconstructed. He discussed the improvements that would be completed to the parking lot at Silver View Park. He reported the SBM Fire Department would like their parking lot included in this project. Director Peterson reported he received an estimate from Stantec of $6,000 to complete the feasibility study and recommended the Council approve this work.

Council Member Meehlhause asked if any of Woodale Drive would be assessed. Public Works Director Peterson stated not at this time.

Mayor Mueller questioned if the third “whereas” statement should be removed from the Resolution. Public Works Director Peterson stated this was correct.

Mayor Mueller commented on the negative impact road construction has had on Festival in the Park. She stated it was her hope moving this project forward that the Silver View Park portion would be completed prior to August 17, 2019.

MOTION/SECOND: Gunn/Hull. To Waive the Reading and Adopt Resolution 9032, Approving a Feasibility Study for the 2019 Street Reconstruction Project as amended removing the third “whereas” statement.

Mayor Mueller discussed Item E and asked if contractor trucks could have more than two hours to complete work in a residential neighborhood. She suggested this timeframe be increased to four hours. City Administrator Zikmund commented this would be a reasonable request.

MOTION/SECOND: Gunn/Meehlhause. To Waive the First Reading and Introduce Ordinance 952, Amending Chapter 600 (Public Health) of the Mounds View City Code as amended.

Ayes – 5  Nays – 0  Motion carried.

G. Ordinance 953, First Reading, Amending Chapter 700 (Police) of the Mounds View City Code.

City Administrator Zikmund requested the Council introduce Ordinance 953 which would amend Chapter 700 regarding Police within the Mounds View City Code. He reviewed the updated changes within the Council and recommended introduction of the Ordinance.

Mayor Mueller questioned if the restriction on the number of dogs allowed within a residence applied to residents who had foster dogs. City Administrator Zikmund stated this matter has been discussed and it was determined that staff would not require the property owner to have a kennel license for foster dogs.

MOTION/SECOND: Bergeron/Hull. To Waive the First Reading and Introduce Ordinance 953, Amending Chapter 700 (Police) of the Mounds View City Code.

Ayes – 5  Nays – 0  Motion carried.

H. Resolution 9036, Authorizing Z Systems, Inc., to Provide Equipment and Professional Services for the City Council Chambers Audio/Video System Update.

Finance Director Beer requested the Council authorize Z Systems to provide equipment and professional services for the City Council Chambers audio/visual system update. He explained
staff was directed in September of 2017 to renovate the Council Chambers as the current equipment was 20+ years old. He reported CTV assisted staff in creating an equipment list and RFP. He indicated 16 RFP’s were sent out and the City received six responses. He stated the two top candidates were interviewed by staff and it was noted Z Systems was the top candidate.

Mayor Mueller asked if the City had a penalty in place for late completion of the project. Finance Director Beer did not anticipate this would occur as the installation was very straightforward. He commented further on the proposed payment schedule for the project.

MOTION/SECOND: Meehlhause/Bergeron. To Waive the Reading and Adopt Resolution 9036, Authorizing Z Systems, Inc., to Provide Equipment and Professional Services for the City Council Chambers Audio/Video System Update.
