⇒ Peter and Linda reported the they had to let one of the Dance Instructors go from the Fox Senior Center because they found out that he was arrested and lied on his application. He was replaced.

***Old/Unfinished Business:***

⇒

Linda asked about prep for the pool opening. Peter was asking about Board of Health . We need new filters eventually. So we can't really do a new line at this point. The filter system does not need to be done this year but the Board of Health will require all municipalities to go over to sand filters. Does not make sense to replace liner now since it would have to be ripped up to replace filters.

***New Business:***

⇒ None Scheduled

Linda reported that the Saw Mill Club called and would like to use the pool again in the morning- Eileen stated that she thought they paid \$ 2,400. or \$3,400. Peter will follow up. Peter reported that a woman from Quest Yoga called and would like to use the Park to do some Yoga outside- Linda suggested trying to get her to do something for camp.

⇒ Peter reported that he has observed dogs being trained on the soccer field next to Saw Mill-333 N. Bedford Road. Peter believes that it might be people from Canine Kindergarten- Kathy suggested that Peter call Canine Kindergarten and ask them to walk or train dogs on the field

***Good and Welfare:*** None
