⇒ ***Review of Income and Expenses (enclosed):***

Kyle reported that revenue is coming in as Spring Registration started today, Wednesday, March 8th. About 45 registrations already on the first day.

Camp and Pool registration doesn't start until next week, Wednesday, March 15th.

Kyle stated that we are about 7 lines over in expenses to date. This is due to all the expected and unexpected repairs.

Superintendent's Report

⇒ Registration Update

Kyle thanked Gail for double checking all the information that was put into Community Pass for registration and correcting all the incorrect data. No hiccups so far.

Superintendent's Report cont..

⇒ Pool Update

Kyle stated that many, if not all supplies for the pool including bathing suits have gone up. He stated that there are 16 filter and 13 disks in each at a fee of \$275 per disk, which really adds up. The new filters that are used now are screens that hang so they are easier to clean and maintain. The padding under the diving boards has been removed and now there is a drop in the concrete that was discovered. Kyle stated that the company that is going to do the caulking has been recommended by other municipalities. The 1-meter diving board frame is leaning and the pad needs to be replaced. The engineer looked over the pool mechanics to make sure that there were not any issues for this upcoming pool season. Everything seems to be in order for the safety of our residents and patrons. Nothing major needs to be repaired according to them.

Kyle stated that he has giving the pool staff personal a raise of \$2.00 per hour to be competitive with other local municipalities. Most guards will be making between \$14.00 and \$15.00 an hour. Sophia will run a Lifeguarding Course once the pool is open so as to hire some new guards and so we will have plenty of guards. Kyle stated that he is in contract with The Waffle Box as the concessionaire for the 2023 pool season.

⇒ Camp Update

Camp Iroquois and Teen Travel information/forms are up on the Recreation website. Kyle has some concern if Teen Travel will run. Teen Travel Camp is for children entering 6-10th grade in the Fall 2023. Kyle emailed all of Allie's potential trips for Teen Travel to make sure everything is in order. Kyle stated that the "Bus Bid" will go out to as many potential vendors for bid by Monday, 3/13. George Price is working on "Intent to return" staff. Most of the Senior staff is in place. The rates of pay for counselors will be more in line with other municipalities in the area.

⇒ Park Update

The Playground area is a mess with the removal of the old playground equipment and the preparation for the new playground equipment. 1 dead tree in that area was removed and 1 other tree was removed in the park. The tree stumps will be ground down. Kyle stated that he and AYSO walked the 333 N. Bedford Field to see what is any field issues there are at that field. The field is not level. Kyle suggested to move the field over about 30 or 40 feet to see some of this issue could be fixed. There was a complaint about Fox Park and the fact that it looks unkept. Christine questioned if AYSO contributes/donates to Mt. Kisco Recreation. Kyle's answer is "no". The questioned was raised why not. Something to address in the future.

Superintendent's Report conti...

⇒ Complex Update

The new gym floor had a tear. The install company came and repaired it the best they could. Kyle was aware that this may happen. The outdoor bathroom is broken and needs to be fixed. Waiting for the Water Department to come and fix it.

Old/Unfinished Business:

⇒ Food Truck Event Update

Kyle has been getting responses from the food trucks that he sent out applications to. All the responses are to be in by March 15th. Kyle stated the DJ has been booked.

⇒ Playground Update

Kyle stated that there are some issues with the area around the swing set and the placement of the new equipment. Progress is being made and March 20th the new ordered playground equipment will be delivered.

⇒ PT Senior Position

Kyle reported that he received 3 applications for the Part Time Senior Position. He is hoping to start the interviewing process on Friday.

⇒ Tea House Rental Form

Kyle presented a revised Tea House Rental Agreement stating No fires/grills in the park or Tea house. Increase fees, were some of the changes that were made to the Rental Agreement.

Motion to accept the New Tea House Rental Agreement and new fees by: Kathy

Seconded by: Christine
