***Minutes of Meeting: Review minutes of February 9, 2022(enclosed)***

Minutes could not be accessed; February minute file corrupt.

⇒ Kathy would like to welcome Christine Dennett as a new Recreation Commission Member.

⇒ ***Review of Income and Expenses (enclosed):***

Kyle reported that most all budget lines are good. Over in a few small lines, no concern. However, about to start spending money for the camp and pool season. Revenue: started registration on Monday for Spring/Summer programs along with camp and pool registrations. There is still about 5 weeks before most of our programs start.

***Superintendent's Report:***

⇒ Camp Update

Camp Iroquois has 35 people registered for the 7 weeks.

⇒ Program Update

Thanks to Gail for inputting all the programs including pool and camp information into Community Pass.

## *Superintendent's Report cont....:*

### ⇒ Pool Update

Kyle reported that he just submitted a purchase order for \$4,000. to redo all the chlorine and CO2 lines for the pool. Last summer there were line blow outs and Kyle is going to replace all the lines so this won't happen and noted that chlorine lines should be replace every year and CO2 lines every 5 years. After these lines are replace Kyle is going to teach Jose and the Park Staff how to do this so it can be done in house going forward. Pool covers should come off early April.

Kyle reported that Gail has entered all of last year's pool permit holders into the new software. As a result of these entries, this year the check in process should be quick and easy for the desk staff. Linda questioned about the stained surface of the pool and what was going to be done going forward. Kyle reported that he along with Jose are going to acid wash the Main Pool to try and remove the stains on the bottom. Protective gear must be worn and he explained the procedure.

### ⇒ Parks Update

Kyle reported that there was a Leonard Park Committee Meeting, on Tuesday, March 8<sup>th</sup>. Out of the 6 people on the Committee; Peter Grunthal, Theresa Sacchetti and Audra Gardner were the only members in attendance. Christy stated that she is hopeful to get more people to interview for a seat on the Leonard Park Committee. She suggested to get information out to the resident about what the Committee does and their purpose. Linda question who the Chairperson is for the Committee. Kyle responded that as of now no one. Kyle runs the meetings but stated that he is not the Chair nor on the Committee. Linda requested the names of the people listed on the Leonard Park Committee. Kyle stated that he would email that information to the Commission members. Christine stated that she was on that committee for the last 2 years and felt that it was not run properly. Linda stated that in order for the Park to be better the Commission and the Committee need to work together for the betterment of the Park. Bob suggested to have a joint meeting to get to know all the members on both committees to discuss priorities for the park. Kyle stated that Peter would like to see the park stay as natural as possible. He is requesting to be put on the Agenda for the next Village Board meeting. He would like to ask the Board to do some plantings or put something around all the swells and drainage work that was done.

Kyle would like to know where the best place would be to have the "Lending Library" in the park. Peter Grunthal suggested between the park garage and the playground area. Kyle stated that that is where the electric car ports are. Peter had no idea that they were in the park and the Committee was stunned to find out that that was done without any approval from the Committee and it might go against the deed. Bob stated that when baseball scoreboards were put up in the park no names could be on them as it goes against the deed.

### ***Superintendent's Report cont....:***

#### ⇒ Complex

Kyle would like to see the Commission Members come to the Complex to see the improvements that have been made. The receptionist area along with the walk through has all been painted a white to brighten it up and make it look inviting and clean. He will continue to make updates to present a more appealing area. The restrooms will all be painted as well as the camp building. The toilet in the Men's room has been fixed. Bob stated that the Gym looks better and clean. Kyle stated that it is being cleaned on a more regular basis. Bob questioned if there has been any word on replacing the gym floor. Kyle said that he has not heard anything regarding that matter. Kyle is hopeful that some of Bond will be used for Tennis Lights, walkway, volleyball courts, playground equipment, and a new gym floor. Kyle stated with the Cell Tower at the park money generated by it would stay in the park.

### ***Old/Unfinished Business:***

#### ⇒ Food Truck

Kyle thanked Christy for all her help and for her connections. Kyle stated that he has 7 food trucks committed to participate in the May 21<sup>st</sup> event. Joe Fish is interested in participating not sure if there is space and not to conflict with another vendor. Lewisboro and North Castle are also having food truck events on that day. Kyle stated that the beer and wine issue has not been resolved. Kyle would like to do a percentage of all sales for beer and wine. Kyle will Cc Christy about his participation in the event. Linda suggested contacting O'Connor's as another possible beer and wine participant. Kathy suggested a time line to receive an answer back from Issi and Exit 4 as the potential beer and wine vendor. Kyle stated that he has the DJ and the inflatables already booked for the event.

#### ⇒ Open Rec. Position Update

Kyle followed up with the administration on March 2 to see when this position can be put out. Conflict with the county and the title for the Senior position.

Kyle would like to have a part time person in the Senior position.

Kyle has given the administration a write up about what he is looking for regarding the positions. He will follow up.

### ***New Business:***

#### ⇒ In person meetings

Kyle asked if the Commission would like to do in person Rec. Commission Meetings instead of Zoom Meetings.

Motion to keep the meetings Zoom by: Kathy. Seconded by Kim. All in favor.

⇒ Cell Tower  
Discussed at EXECUTIVE MEETING.
