Pool Update

⇒ ADI, is the pool company working on the pool. They are going to start marble dusting tomorrow in the Main Pool and Wade Pool next week. Kyle stated that he has been documenting the entire pool repair. He has some concerns with the tile adhering, because they are doing the tiling in weather below 40 degrees. Kyle is also concerned that if water gets behind the tiling. There is still a lot of work that still needs to be done. There is also an issue with the gutters. Another change order needs to be submitted to address this gutter issue. Kyle continues to document and take pictures of all the work that is being done. He is concerned that the “water blasting” that was done didn’t go down to the concrete. He will be sending out “Intent to Return” to the 2023 staff in December.

The Park Maintenance Staff has been keeping up with the leaves. The grass at 333 N. Bedford Road is not growing. Kyle is concerned about how it looks. #### ⇒ Program Update

Fall Programs coming to an end shortly. Kyle sent out over 20 emails to the residents to sign up for the basketball program. The number of participants is up from last year. The Winter Brochure is up on the Recreation's website for all to view. Registration will begin on December 1<sup>st</sup>. Kyle reported that the Mt. ### ***Old/Unfinished Business:***

#### ⇒ Walking Trail

Last week Kyle walked the trail and he handed out a map to the Rec. Commissioners. There is a concern by the pump station area. Part of the roadway is hiding by pine trees. Christy McGinn suggested a sensor light to be placed in the area. Question was raised if people would use the path. There needs to be more information for the residents to be made aware of this walking path. This is a walking path only, for walkers, strollers and wheelchairs only, no bikes, roller blades, skate boards etc. Kyle would like to meet with the Historical Social Society, Leonard Park Committee and Rec. Commission in January to move this project forward. The Commission would like to see mile markers on the path.

#### ⇒ Food Truck Event

New date: June 1<sup>st</sup>. No admission fee for the 2024 Food Truck Event.

### ***New Business:***

#### ⇒ 2024 Pool Fees

Kyle handed out the fee schedule that he is proposing for the 2024 Pool Season. They are lower than last year. With the lower fees Kyle is hoping that more people will purchase pool permits and use the pool more. Anyone over the age of 80 can use the pool for free!

***New Business cont....:***

⇒ 2024 Day Camp fees

Kyle stated that Camp Iroquois would be a 6-week program and the fees would be lower.

Kyle reported that this position is no longer needed. Christine Dennett stated to hold off on this decision until the January Meeting.

***Open Discussion:***

The February Meeting will be held on Tuesday, February 13<sup>th</sup> and will be joint meeting with the Leonard Park Committee.
