

## **CHECKING CONTRACTOR LICENSE STATUS**

### **Plumbing or Electrical License:**

The Village/Town of Mount Kisco requires all plumbers and electricians who perform work in the Village be licensed by Westchester County. To check the status of licensed Electricians, Master Plumbers, Restricted Plumbers and Journeyman Plumbers, you can check Westchester County's website at <http://wro.westchesterclerk.com/license.aspx>

### **Home Improvement License:**

Westchester County requires that residential contractors hold a current Westchester County Home Improvement License. To check to see if a particular contractor holds a current Westchester County Home Improvement License, you can check Westchester County's website at <http://consumer.westchestergov.com> and click on Home Contractors.
