Penalties: Penalty of 5% will be imposed on water balances not paid by the due date. To avoid any possibility of delay by mail we suggest that if payment of water/sewer is to be made within the last few days of the month in which due, make sure that it is either hand delivered to the Water Department Office or that you witness a timely official United States postmark being affixed to the envelope. Additional penalty will be added for unpaid water rents that are levied on the Village Tax roll. Third party postmarks, such as Pitney Bowes, and foreign postmarks are not acceptable as confirmation of mailing date.

Note: When using an online pay system, leave at least 10 days for payment to be received. If payment is not received by due date, it will be considered late and will be assessed a penalty.

Water and Sewer Fee Charges for Services: Note: Water and Sewer billing rates were adopted on April 19, 2021, in the fee schedule, as part of the 2021 - 2022 Village / Town budget. Included in the list of service fees is a \$100.00 per man-hour charge for meter re-reads and property closings (\$300 minimum on Saturdays and \$450 on Sundays and holidays).
