

Conservation Advisory Council
Minutes of November 19, 2014 Meeting
Village Hall

Chairperson Robert Liebman called the meeting to order at 7:30 P.M.

Members present:

Chairperson Robert Liebman
Alison Bisbano

Minutes:

Approve minutes of October meeting

Alison: I'll make the corrections, then send the corrected minutes to Robert Liebman, and then submit the minutes.

Budget update: Expenses

Bob: I received \$35 for the Westchester Climate Change Summit. I received \$551.53 for the New York State Conference on the Environment. The total is \$586.53.

Natural Resource Inventory: Status update

Alison: I have arranged to come in and read the Nature Resource Inventory binder.

Bob: Call Julie Noble after having reviewed Rosendale, NY's Natural Resource Inventory and ask her what the process would be to update the Natural Resource Inventory within a \$5,000 budget. It seems we can focus on plants and animals. Read over the Vision Statement to see if there is enough information included in the Vision Statement in case we can use that information.

CAC Climate Change Report: Review Part 2 draft

Bob: I will add a Table of Contents.

The draft was reviewed.

Planning Board Items: Boys and Girls Club

Bob: The plan for the Boys and Girls Club subdivision has been revised. This plan was presented to the Planning Board.

Alison: Do we need to review the new plan?

Bob: It may be of interest to us. We will need to look at the Boys and Girls Club's new application.

Planning Board Items: The Hearth at Mount Kisco

Bob: There is a problem with the DEP. There are regulations that the project is violating. The Village Board thinks that the applicant needs to apply for a waiver.

The meeting adjourned at 8:45 P.M.

Respectfully submitted by,

Alison Bisbano
