Treasurer's Report by Joanne Hauser:

Village Funds (2020-2021): \$1,250 (Joanne will contact the Village Manager and Treasurer to inquire why our budget was cut in half)

Friends Fund: \$3,460.73

Earlier this year we lost a beloved member Katie Weisman. Katie was pivotal in the planning and planting of the fountain garden and with contributions to Friends from Pat Reilly and Joan Stewart we purchased a garden sign in her honor.

Joe Luppino met us at the fountain garden to help explain the damage to the plants closest to the fountain spray. Joe explained that in the past the water in the fountain was chlorinated by slow release disks. This year due to supply chain problems they were unavailable and the town had to use liquid chlorine every 3 days. This elevated chlorine spraying on the plants caused the damage. This should not happen again. John Reber was very helpful in offering advice on how to best deal with affected plants.

NEXT MEETING: October 6th, Reading Room at the Library
(Please contact Joan Stewart if you cannot attend 914-666-5259)

Respectfully Submitted,
Joanne Hack, Secretary
