and Joanne Visaggio

Guests: Village Manager, Ed Brancati

Joan Stewart Called the Meeting to Order at 1:00p.m.

Motion to Approve March Minutes Approved by Joanne Hauser;  
Seconded by Joanne Visaggio

Fountain: Village Manager, Ed Brancati reported back to us on the two plans we sent for his review and based on the suggestions of Ed and Jan Johannessen we agreed to go forward the smaller platform design with the horizontal cone nozzle. Formal drawings will now be drawn up with the guidance of Anthony Oliveri, Village Engineer and Jan Johannessen, Village Planner. The firm, Peter J. Landi Inc. who is currently doing the village streetscape will bid on the construction. We were assured that any plants that are destroyed will be replaced by the construction company. Mr Brancati also gave us an overview of all the activity currently taking place and planned for the future to beautify the village.

Honoring Pat Reilly: The Leonard Park Committee will inform us when the bronze casting of her plaque is complete.

Garden Maintenance: Planting of this year's annuals will take place Saturday, May 11 at 10 am.  
Rain date will be Saturday, April 13 1pm.

Village Clean Up: Kris Mullen is heading up this year's Clean Up. Kris is contacting business and civic groups who are volunteering to clean up an area in the village before Memorial Day. Trash bags and plastic gloves are available in Village Hall in the office of the Village Manager on the 2nd floor

Motion to adjourn made by Cece Yozzo; Seconded by Valencia Elliott
