

Adopt an Area THIS SPRING

Show Your Pride in Our Town

We are looking for anyone interested in making our town more charming. Would you, as a resident, business or local group, consider "adopting" a key area in town?

- *The new community sign area*
- *Route 128 entrance to town*
- *Pond area at Green Street and South Moger Avenue*
- *Library path entrance*
- *Two islands at the North Bedford entrance to downtown*

Or if there is another location that you'd like to beautify, just let us know!

Make Mount Kisco Even More Beautiful!

Target Date for project completion is **Friday, May 24th** for Memorial Day Weekend. **Applications** for spring planting will be due by **Wednesday, May 1st**.

Show Your Mount Kisco Pride by Donating to the Beautification of Our Town

One of the goals of the Beautification Committee is to allow all of Mount Kisco to show pride in our community by participating in this project. We want to include everyone who would like to help. Working together, we can maximize our town's attractiveness for current residents, for new businesses, for visitors and for home buyers.

Adopters will be acknowledged at board meetings, at the Chamber of Commerce, on the town's Facebook page and website and through a permanent sign on the site they adopt for as long as they maintain it. We will also provide a thank you letter and photograph of the site for you to display.

As an adopter you will be responsible for purchase of plants and materials, planting, mulching and regular weeding, pruning and upkeep throughout the growing season (late March until Thanksgiving). The town will water the sites, as needed. We will allow adoptions of up to three years. The Beautification Committee will use its discretion to best allocate resources based on the applications that are received. Design plans must be approved, but free professional design help is available for public areas through the committee.

Thank you for your support!
