Joan Stewart Called the Meeting to Order at 1:05p.m.

Motion to approve the November minutes made by Cece Yozzo, seconded by Joanne Hauser.

Treasurer's Report by Joanne Hauser:

Village Funds (2022-2023): \$849.76

Joanne Hauser made the suggestion that we request the actual invoices from Michael's to view our plant purchases.

Motion to accept made by Maureen Zaccari, seconded by Joanne Hack

Distributing Minutes: We discussed how we might streamline distribution of the minutes and decided that emailing the minutes to our members and the Village Manager's office was more efficient. For those members without internet service our secretary, Joanne Hack will mail them. We discussed this with Village Manager, Ed Brancati who offered to send out the minutes to the Mayor and Board of Trustees. Liz Hernandez will also get a copy to post online.

Decade of Greenery Award: We plan to award a Decade of Greenery Award and are in the process of locating an appropriate photo for the award. Joanne Hauser and Joanne Hack have volunteered to work with Liz Hernandez to go through the photo files of the Village.

Remembering Pat Reilly: In addition to all the other offices and roles Pat played a part in, she was an early advocate of the Beautification Committee, serving over 50 years and an integral member up to her death. We started the discussion of how we can commemorate her life of service to Mt. Kisco.

Motion to adjourn made by Cece Yozzo, seconded by Maureen Zaccari.

Next meeting is February 2, 2023 at 1PM

Respectfully Submitted,  
Joanne Hack, Secretary
