### Beautification Committee Meeting Minutes

June 5, 2019

We met on the benches around the fountain in front of the Library.

The meeting was called to order at 1:15P.M. by Chairman Joan Stewart. The minutes were read and accepted by Joanne Hauser and second by Andre Ferrara.

The Treasurer reported that all was submitted by June 1<sup>st</sup>.

Village funds \$2,500.00

Trust fund \$1,350.00

Friends \$3,234.28

Joanne Hauser made a motion which was seconded by Cece Yozzo to donate \$100.00 to the Independent Fire Company in memory of Bill Stewart. The motion was accepted unanimously with one abstention.

Village Clean-up did not have the best participation this year. Neighbors Link could not participate because most people were working. Next year we may consider holding clean-up on one day. This will be discussed in September. Cece was thanked for her organizing clean up this year.

Fountain -The flowers look good, but some members thought that some should be planted closer to the edge.

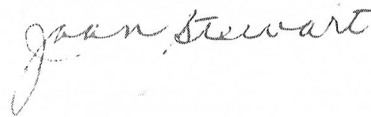

Joanne called Joe Luppino to ask about the status of the fountain, and he advised that it was leaking, and in need of repair. Tony Monteleone will ask Michelle at Michaels nursery about the cost of a plain ornament for the fountain. We spoke to Willie and he said that he has been watering the plantings every other day...

Planting with the Boys and Girls Club pre-school- The marigolds that the children planted did not grow. Next year we should get containers with a plastic top, and make sure that the plants are watered and receive enough sunlight. The men from the Village Highway Dept. are wonderful to the children and also brought enough plants for the area.

The next meeting will be Wednesday, Sept.4<sup>th</sup> at 1P.M. in Village Hall.

Meeting adjourned by Joanne Hauser and second by Cece Yozzo

Respectfully Submitted,  
Joan Stewart
