Guest Speaker: Ed Brancati graciously accepted our invitation to speak to us about the fountain in front of Village Hall. He explained to us that to correct a break in the original pipe leading to the fountain a smaller diameter pipe was inserted into the broken pipe to fix the problem. This smaller pipe now has a break also. They are working on what steps to take to fix it. As the functioning of the fountain has been an ongoing problem we discussed the feasibility not only correcting the interior workings of the fountain but also improving its exterior to compliment renovations to the walkways and benches surrounding the fountain. Currently the fountain is a pipe emerging from the center of the water. Mr.Brancati agreed with our assessment and said that he would look into possible solutions.

Honoring Pat Reilly: Our application, signatures and fees have been accepted and we are waiting for official approval from the Leonard Park Committee once they meet. Once approved Rotarian, Anthony Monteleone has indicated that the Rotary Club will pay for engraving the plaque.

Letters of Commendation: Members discussed Letters of Commendation and awarding the Flower Basket later this year.

Motion to adjourn made by Cece Yozzo, Seconded by Maureen Zaccari.

Garden Maintenance: to be announced

Next meeting is November 1, 2023 at 1PM, at Village Hall

Respectfully Submitted,
Joanne Hack, Secretary
