Dear Appointment Committee,

I am interested in serving on the Chapin Memorial Library Board for the City of Myrtle Beach. I have been a resident of Myrtle Beach and an enthusiastic patron of the library for 25 years. I have been involved in children's activities, film series, and summer programs, and I am interested in supporting the continued growth and development of the institution as it enters a new chapter.

In addition to being a resident, library advocate and avid reader, I am also an educator and a writer. I am a senior lecturer in the Department of English and publications editor for the Edwards College of Humanities and Fine Arts at Coastal Carolina University. In that role, I teach composition and business communication in addition to writing and editing publications that promote the students, faculty and programs of the Edwards College. I have been on the faculty at CCU for 14 years and have experienced the impacts of its continued growth not only on the Conway community but on the Myrtle Beach community as well. In addition, I have been a contributor to *Grand Strand Magazine* for nearly two decades.

I have three boys that have grown up visiting Chapin Library and attending its programs. They have, and still do, attend Myrtle Beach area schools. My husband works in the area restaurant industry, and we reside on the north end of the city.

In short, I am a committed and dedicated member of the community, and I'm interested in participating in the future of Chapin Library. I hope you find my background and interests fit your needs.

Sincerely,
Sara Sobota

JJ FICKENWORTH

Professional Experience:

Leadership / Supervisory / Instruction:

- ◆ Instructed, supervised, and evaluated youth and adults in 8 organizations on various subjects from algebra and first aid to book mending and library procedures, resulting in 15 plus years experience.
- ◆ Established and maintained cooperative relationships with library users, members of the community, military, national corporate officials, students, and university personnel.
- ◆ Supervised a university Access Services unit with 7 full-time staff and 40-50 student workers. Effectively communicated priorities. Directed, hired, trained, disciplined, maintained schedules, and provided financial management of unit.
- ◆ Strategically planned, marketed, and managed a home business with over 100 customers.
- ◆ Managed an academic department's \$44,000 annual budget.
- ◆ Conceptualized and developed a Library Technical Services continuity binder where no example existed, leading to effective cross training and supervision of library assistants.
- ◆ Nationally recognized for leadership with Civil Air Patrol's highest youth program award, the General Carl A. Spaatz Award, earned by less than 1% of youth members since its inception in 1964. Recognition continued in adult program, culminating in organization's highest award, the Gill Robb Wilson Award.

Communications / Planning / Organizing:

- ◆ Planned and staffed weekly, monthly, and quarterly meeting schedules to incorporate and accomplish unit strategic goals.
- ◆ Initiated communication with and collected information from 3 branch libraries to annually update and maintain periodical/serials records in the Georgia Libraries Journal List (GOLD).
- ◆ Resolved patron complaints on the floor in a positive manner.
- ◆ Developed procedures to process incoming and outgoing interlibrary loan materials for a county public library system connected to a lending network of 249 libraries in 123 counties.
- ◆ Edited, co-authored, published, and distributed newsletters for 2 companies.
- ◆ Strong time and project management skills. Organized, budgeted, and led successful 3-day conference and banquet for 300 people with a staff of 25 to include recruiting instructors at no cost, lowering participant registration fees.

Library / Clerical Skills:

- ◆ Technologically adept in using computers, common search engines, Adobe products, and MS Office.
- ◆ Maintained accurate reports of library technical services, circulation, and reference activities.
- ◆ Taught college student about information literacy and how to conduct effective research.
- ◆ Performed reference services for public, academic, and school libraries.
- ◆ Catalogued, prepared, and processed materials for circulation using MARC and AACR2 standards.
- ◆ Assisted staff and patrons to locate and check out materials and use internet, copier, scanner, microform, and fax machines.
- ◆ Shelved materials using Dewey Decimal and Library of Congress classification systems.
- ◆ Monitored patron usage of library facilities and assured their conformance with and understanding of established policies and procedures.
- ◆ Solely responsible for taking a 2-year book mending backlog to being up-to-date within 5 weeks. Organized and mended over 2,300 library materials in 15 months, saving the library an estimated \$15,015 of library bindery costs.
