**Re:** Meeting Schedule and Agendas

1. Next week's [meeting schedule](#) is attached.
2. **We played musical offices this week here at City Hall.** The Planning and Zoning Department traded places with the Human Resources and Organizational Development Department. All of the phone numbers are still the same, but the locations are different. Human Resources is now on the first floor of City Hall, while Planning and Zoning moved to the City Services Building.
3. **The International Student Outreach Program (ISOP) begins Tuesday with the first session for visiting J-1 international students.** Volunteers from throughout the community, many speaking the languages of our visiting students, will provide weekly orientation programs. The meetings cover a variety of topics, including bicycle safety, banking, Social Security numbers, transportation, hurricane preparedness, living arrangements and local activities. The meetings are schedule every Tuesday at 10:00 a.m. through July 2 at Seacoast Vineyard Church, 504 27<sup>th</sup> Avenue North.
4. **How comfortable are you around water?** The Grand Strand has lots of water for recreational activities, but not everyone knows how to swim. That's why the City of Myrtle Beach offers a free water safety and survival lesson for children, teens and adults. It's called "Splash without Cash," and registration is underway now. Everyone needs to know how to save themselves should they fall into a body of water. This free program is specifically for non-swimmers, ages five and older. Pre-registration is required. Call 843-918-1476 or 843-918-1463 to sign up. Classes are offered May 13-15. Please select one of these class times: 4:00 to 4:30 p.m., 4:40 to 5:10 p.m., 5:20 to 5:50 p.m. or 6:00 to 6:30 p.m.

5. **Looking for something to do in Myrtle Beach?** Visit our Events page for a comprehensive list of activities. See <http://www.cityofmyrtlebeach.com/Events.pdf>. This file of city-related festivals, concerts, programs and more is updated weekly with new information.
6. **The Myrtle Beach Food Truck Festival last weekend offered an amazing array of dining choices, and that's the subject of our [Photos of the Week](#).** More than 50 food trucks were on hand with everything from appetizers to dessert. If you missed it, check out these foodie photos in our weekly series. Of course, the event also featured live music from several local bands. Thousands of people attended Friday, Saturday and Sunday, April 26-28, at the Burroughs & Chapin Pavilion Place on Ocean Boulevard.
7. **Did you know...** That the familiar blue-and-yellow Myrtle Beach city seal – the seagull and sun with palm trees and beach – is copyrighted? The seal was created by local artist John Dietz and first published on March 15, 1976, which became its copyright date. The city acquired the rights in 1995 and applied for and received the copyright registration that year. The city's copyright on the seal is valid through 2071. It may not be reproduced without permission from the city.
