Re: Meeting Schedule and Agendas

1. Next week's [meeting schedule](#) is attached. Note the meetings will be conducted via conference call and streamed on the [Myrtle Beach City Government](#) Facebook page.
2. Need information about the coronavirus emergency? You'll find timely updates and general information on our [Coronavirus Advisory](#) webpage.
3. For information about Memorial Day weekend, city services or the coronavirus emergency, call 843-918-INFO (4636). The line is available 24 hours-a-day this weekend, through Monday, May 25. After May 25, the INFO line is available daily, from 8:00 a.m. to 8:00 p.m.
4. The Myrtle Beach Police Department reminds everyone that if you see something, say something! Report suspicious activity year-round by calling the Myrtle Beach Police Department's non-emergency line at 843-918-1382. Callers can remain anonymous. Or, send an email to pdinfo@cityofmyrtlebeach.com. In cases of emergency, call 911.
5. Ocean Boulevard will be one way, southbound, from 29th Avenue North to South Kings Highway, effective at 6:00 a.m., Friday, May 22. This one way traffic pattern will continue until 6:00 a.m., Monday, May 25. Northbound lanes will be reserved for emergency vehicles (police, fire and EMS). Businesses along Ocean Boulevard are reminded to schedule deliveries before 2:00 p.m. daily this weekend. See <http://mdwtrafficmap.com/> for additional information. The goal is to ensure safety for drivers and pedestrians, enhance emergency response times and prevent gridlock.

6. Traffic congestion usually peaks in Myrtle Beach during Memorial Day weekend, especially on Ocean Boulevard. Consistent with past Memorial Day weekends, an executive order by City Manager John Pedersen authorizes the Myrtle Beach Police Department to restrict golf carts and mopeds on Ocean Boulevard, from 29th Avenue North to the southern point of city limits. This excludes golf carts used by the police department to monitor traffic and maintain public safety. The order limiting golf carts went into effect at 12:01 a.m. today, Friday, May 22, and expires when the traffic control devices are removed on Monday, May 25. The order prohibiting mopeds on Ocean Boulevard is in effect during the following times....

- 8:00 p.m. to midnight, Friday, May 22
- 12:01 a.m. to 8:00 a.m., Saturday, May 23
- 8:00 p.m. to midnight, Saturday, May 23
- 12:01 a.m. to 8:00 a.m., Sunday, May 24
- 8:00 p.m. to midnight, Sunday, May 24
- 12:01 a.m. until traffic control devices are removed, Monday, May 25

7. A number of Myrtle Beach city parks and facilities reopened this week with normal business hours. New social distancing signage posted at city parks reminds visitors to maintain at least six feet of space. Below is the tentative reopening schedule for the remaining facilities. This list is subject to change.

Saturday, May 23

- Matt Hughes Skate Park
- Myrtle Beach Tennis Center Proshop
- Outdoor Tennis and Pickleball Courts at Midway Park

Sunday, May 31

- Playgrounds and Picnic Shelters

Monday, June 1

- Chapin Memorial Library (Revised Hours)
- City Services Building (Pending Installation of Lobby Modifications)
- Myrtle Beach Convention Center, Sports Center and Train Depot

Monday, June 15

- Sports Tourism Activities (Practice allowed beginning May 30, 2020)

Awaiting Clarification

- Doug Shaw Memorial Stadium
- Grand Park Soccer Field and Hockey Rink
- Midway Park Outdoor Basketball Courts
- Pepper Geddings Recreation Center Outdoor Courts

8. Memorial Day, Monday, May 25, is not a city holiday. Solid waste and recycling will be collected on the regular Monday-through-Thursday schedule next week.

- 9. The “umbrellas only” beach rule goes into effect on Memorial Day, Monday, May 25.** Tents are not allowed again until the day after Labor Day, with the exception of infant tents that are smaller than three feet in any dimension. Umbrellas up to seven-and-a-half feet in diameter are allowed in line with, or behind, the established umbrella line. For more, see the [Tents & Umbrellas](#) webpage.
- 10. Please join us Monday, May 25, for a special video Memorial Day Ceremony, provided via the city’s Facebook page.** Due to COVID-19, we cancelled plans for Military Appreciation Days this year, including the annual Memorial Day Ceremony at the Convention Center. However, we produced a recorded video ceremony in honor of Memorial Day, and will share that on Monday morning at 11:00 a.m. on <https://www.facebook.com/myrtlebeachcitygovernment/>. Once posted, you may visit it at your convenience to honor those who gave their lives in military service to our country.
- 11. The city’s Technology Advisory Group hosts a free, educational seminar on Angel Investing from 8:45 to 11:30 a.m.** To learn more and participate in one or both events, see the Technology Advisory Group’s [eMYRge](#) Eventbrite webpage.
- 12. The online [E-Resources](#) webpage is available on the city’s website.** City buildings are closed to the public, but we are working to provide online content for all ages. On the webpage, you’ll find creative and educational options for you and your family to enjoy!
- 13. Most activities for the next few weeks have been rescheduled, but we still maintain a comprehensive list on our [Events](#) webpage.** This file of city-related festivals, programs and more is updated weekly.
- 14. Myrtle’s Market reopened this week with farm-fresh produce, and that anniversary is the subject of our [Photos of the Week](#).** The farmers’ market is more than a month later than usual due to the COVID-19 shutdown. In addition to local vegetables and fruits, vendors also offer handmade crafts and homemade desserts. The market is open from 9:00 a.m. to 3:00 p.m., Wednesday, Friday and Saturday, at the corner of Mr. Joe White Avenue and Oak Street. Free parking is available.
- 15. Did you know...** That Monday, June 1, is Chapin Memorial Library’s 71st birthday? The library opened in its current location on June 1, 1949, and has been expended four times. A public library originally opened in Myrtle Beach in 1939 and moved around town during the war years. Then, in August 1948, the Chapin Foundation provided \$40,000 for a library building on city park land and \$2,000 more for landscaping. Chapin Library is the only city-owned library in South Carolina.

3. Public Information Update – PIO Staff

CONSENT AGENDA – *The Consent Agenda covers items anticipated to be routine in nature. Any Councilmember may ask that an item be moved from the Consent Agenda to the Regular Agenda for lengthier discussion, or a member of the public may request that such an item be moved. Items remaining on the Consent Agenda will be briefly described by staff and may be passed as a group with the approval of the agenda.*

NOTE: *City laws are known as ordinances. Before a city ordinance can be enacted, it must be introduced (1st Reading) and then approved (2nd Reading). Resolutions are actions through*

which City Council reinforces or makes policy not rising to the level of law. Motions are related to direction from City Council to city staff to take certain actions.

NO ITEMS LISTED ON THE CONSENT AGENDA.

REGULAR AGENDA

2nd Reading Ordinance 2020-024 an ordinance to declare a Specific Targeted Business Development Project known as the Great American Surf Park as eligible for development incentives, pursuant to Chapter 15, Article iv, Section 15-53.1 of the Code of Ordinances.

As contemplated in a previous Letter of Intent approved by City Council in August 2019, American Surf Parks, LLC, proposes to develop a surf park and amphitheater site on the city-owned property located behind the Sports Center, east of Grissom Parkway, and south of Burroughs and Chapin Boulevard. The grounds contain approximately 295,000 cubic yards of stockpiled spoil dirt which must be removed at an estimated cost to the developer of \$2,000,000. A large portion of the spoil dirt will be used on the property adjacent to the proposed surf park to create an amphitheater with a sloping seating bowl. The estimated capacity of that amphitheater is approximately 2,000 spectators with fixed seats and an additional 8,000 in the seating bowl.

Staff members estimate the total projected revenues from the surf park operations alone at nearly \$450,000 per year (exclusive of rent payments) for phase one of the project. This estimate includes city property taxes, business license fees, TDF, Hospitality Fees and the city's portion of the State Admissions Tax. A separate phase two is contemplated with a proposed hotel. Staff members have not estimated the financial impact of the proposed amphitheater.

The proposed ordinance authorizes the application of the City's Voucher Incentive Program to this project. Pursuant to that program, the applicant is eligible for reimbursement of certain fees paid to the city upon completion of the project and issuance of a project Certificate of Occupancy. The amount of the reimbursement is 2% of the construction costs of the project, which equals an estimated \$41,000,000. This would allow for a Voucher Incentive of \$820,000 over a five-year period.

1st Reading Ordinance 2020-025 an ordinance to amend in the Code of Ordinances Chapter 19, Article 1, sections 19-3.1.3, 19-3.1.5, 19-3.1.6, 19-3.1.7, 19-3.1.8, 19-3.1.9 and 19-3.2 as set forth below to permit and regulate sidewalk café uses at Nance Plaza.

The decision to allow café uses in Nance Plaza was discussed during the consideration of the Arts and Innovation District, and prior to Council's decision to sell a city-owned building to be used as a brewery. This ordinance proposes to amend the Café Ordinance to allow for a café in the right-of-way of George Cox Street, adjacent to Nance Plaza, in the Arts and Innovation District, and is subject to the approval of the Zoning Administrator. The following will be considered: the size of the café does not adversely impact the remaining parts of the public way or Nance Plaza; the café does not compromise the essential purpose of Nance Plaza; and, the café maintains a minimum of 5 feet for pedestrian passage in the right-of-way.

Additional conditions to operate a café on the west side of Nance Plaza:

- *The café perimeter must be fully, or partially, enclosed by a barrier to be approved by the Zoning Administrator. (The barrier cannot interfere with pedestrian passage.)*
- *Proof of an off-premise beer and wine license issued by the SCDOR must be provided to the city.*
- *The permittee shall supply clear plastic cups for beer and wine to patrons. The permittee's name and/or business logo shall be displayed on the cups.*
- *The café cannot serve liquor, beer or wine for use in Nance Plaza in a container other than a clear plastic cup with logo.*
- *Permittee may not alcoholic beverages in the plastic cups with logos after midnight. The café shall be closed between midnight until the permitted business opens for business the next day.*
- *Permittee shall display city-approved signage, which will be viewable from the café, regarding this article and other rules and restrictions concerning alcohol consumption both inside and outside of the plaza.*

Motion M2020-065 to appoint members of the Myrtle Beach Coronavirus Recovery Task Force.

As approved in the resolution directing the Manager to implement Executive Order 8, the Task Force responsibilities include:

- *Review the effect all previous and subsequent Executive Orders, especially with respect to:*
 - *The health of our residents and visitors.*
 - *Local capacity to provide adequate medical treatment and facilities.*
 - *The supply of commodities, such as food, medical supplies and other essential materials.*
 - *Local economic conditions.*
 - *Enforcement of existing laws, Governor's Executive Orders and the city's Emergency Orders.*
- *Make recommendations to City Council regarding future phases of recovery.*
- *And, other tasks, as assigned by City Council.*

The proposed committee would include:

- *Medical Provider Representative*
- *City of Myrtle Beach Fire Chief*
- *City of Myrtle Beach Police Chief*
- *Hotel Owner or Manager*
- *Restaurant Owner or Manager*
- *City Convention Center Director*
- *Retail Business Owner or Manager*
- *Amusement/Attraction Owner or Manager*
- *Small Business Owner/Manager*
- *Three residents representing the south, central and center city areas.*

Committee's meeting and reporting expectations:

- *Meet as needed, and as called on by the committee's chairperson.*
- *Report to Council at each City Council Meeting until the expiration of the Civil Emergency.*
- *Report new developments and concerns to City Council along with recommendations to accelerate, slow down or maintain the target dates and maximum occupancy targets.*

Motion M2020-067 to authorize the City Manager to enter into such documents as necessary to acquire the property fronting on both Canal and Nance Streets, shown as Canal Sec. Lot 16 (TMS #181-02-04-034), to be used for workforce housing purposes, at the appraised value of \$55,000, with funds authorized exclusively for this use.

Staff proposed the acquisition of the 0.74 acre parcel for workforce housing uses. The proposed price is \$55,000, which reflects the appraised value of the property. The property is zoned R-8 and can accommodate up to four single family structures within that zoning designation. The funds for the purchase would come from the Workforce Housing account, which is funded by a charge of 0.25% of the value of new construction when greater than \$100,000. (No charge on projects valued less than \$100,000.)

Motion M2020-068 to authorize the City Manager to enter into negotiations with Mydatt Services, Inc. (d/b/a BLOCK by BLOCK) to provide “ambassador services” in downtown Myrtle Beach.

Within the target area (east of Kings Highway, from 29th Avenue North to 7th Avenue South, and the Arts and Innovation District), the Ambassador Program is designed to:

- *Build relationships with stakeholders (e.g. residents, visitors, property owners and business owners) and offer hospitality services in the designated area.*
- *Further enhance the reality and perception of personal safety for our residents and guests.*
- *Report and/or address maintenance issues, including burned-out street lights, damaged public property and sidewalk trip hazards.*
- *Act as a “force multiplier” for the Police Department to report actual or suspected criminal activity.*
- *Identify and report obvious zoning and building code violations.*
- *Work with the city litter teams to report unsightly debris and other major aesthetic issues.*
- *Water the hanging baskets on a daily basis.*
- *Work with local area agencies to address homelessness and to make appropriate social service referrals.*

The proposed agreement is for one year, which is to be considered a trial period. The proposed cost of this program is \$449,814.46. Under the terms of the proposed agreement, the city is also obligated to provide a location for the contractor. The proposed source of funding is the “Downtown Improvement Fund.” Within that fund, approximately \$518,000 comes to the city as a result of the decision to close the Downtown Redevelopment Corporation. The actual deployment of ambassadors will fluctuate depending on the time of the year and the number of people anticipated to be in the target area.

Motion M2020-069 to allocate Accommodations Tax funding for 2020.

State law provides that State Accommodations Taxes be allocated as follows:

- *The first \$25,000 statutory allocation goes to the General Fund.*
- *The city receives statutory allocation of 5% of revenues after the first \$25,000 is deducted.*
- *The city receives 15% of revenue after the first \$25,000 is deducted for direct policing services (per Proviso No. 109.11).*

- *Promotional allocation of 15% of revenue after the first \$25,000 is deducted is used to pay the Chamber for advertising and promotion of tourism (per Proviso No. 109.11).*
- *And, 65% of the balance goes to a special fund for tourism-related expenditures.*

The purpose of this motion is to allocate the 65% portion of this fund (approximately \$5.19 million dollars between city-related tourism usages and 40 applicants who applied for funding through the Accommodations Tax application process).

Motion M2020-070 authorizing the City Manager or his designee to apply for a grant for \$125,363.00 from the U.S. Department of Justice’s Office of Justice Programs (OJP) Bureau of Justice Assistance FY 2020 Coronavirus Emergency Supplemental Funding Program (CESF) to be used to: purchase of personal protective equipment (PPE) and sanitizing equipment for the Police Department; provide training related to mitigation, preparation, response and recovery from the COVID 19 pandemic; record the appropriation of such grant funds in the amount that may be approved; and, execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. No match is required.

The Police Department will use the emergency supplemental funding program to purchase PPE and sanitizing equipment for the officers and provide necessary training related to mitigation, preparation, response and recovery efforts from the pandemic. No match is required.

Motion M2020-071 authorizing the City Manager or his designee to apply for a grant for \$3,500 from the United States Tennis Association (USTA) Facility Recovery Grant Program to be used to: purchase tennis equipment to assist in reopening the Tennis Center due to the COVID19 closing; record the appropriation of such grant funds in the amount that may be approved; and, execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. No match is required.

The Parks, Recreation and Sports Tourism Department will use the recovery grant funding to purchase much needed tennis equipment. The USTA Facility Recovery Grant Program was created to help facilities defray some of the tennis-related costs associated with reopening in 2020 if the facility was closed due to the impact of COVID-19.
