Re: Meeting Schedule and Agendas

1. Next week's [meeting schedule](#) is attached.
2. **Myrtle Beach meets and exceeds all drinking water standards in annual Water Quality Report, now available on the city's website.** To view the PDF document, visit <https://www.cityofmyrtlebeach.com/Water%20Quality%20Report.pdf>.
3. **The public is invited to attend the Myrtle Beach Fire Department's 31st Recruit School Firefighter Graduation set for 10:00 a.m., Friday, June 14.** The graduation takes place at the General Robert H. Reed Recreation Center, 800 Gabreski Lane, and celebrates new firefighters who have completed weeks of classroom and active training to prepare them for life as a Myrtle Beach firefighter. This year's guest speaker is retired New York Firefighter Jeff Cool. Questions? Call 843-918-1192 for information.
4. **Join us for a ribbon-cutting ceremony for the new Andre S. Pope Mountain Bike Skills Park at 10:00 a.m., Saturday, June 15, 4670 South Kings Highway.** The City of Myrtle Beach and the Myrtle Beach Area Mountain Biking Association cohost the event. Bicyclists attending the ceremony are asked to park at Warbird Park, 150 Farrow Parkway; a city team member will lead a bicycle ride to the event location. Onsite parking is not available for pedestrians, unfortunately. Event attendees can park at the nearby shopping center and walk to the park. For more, contact Kelly Mezzapelle at kmezzapelle@cityofmyrtlebeach.com.

- 5. The International Student Outreach Program (ISOP) for visiting J-1 international students continues on Tuesdays, through July 2.** Volunteers from throughout the community, many speaking the languages of our visiting students, provide weekly orientation programs on Tuesdays at 9:00 a.m. The programs take place at Seacoast Vineyard Church, 504 27th Avenue North, and cover a variety of topics, including bicycle safety, banking, Social Security numbers, transportation, hurricane preparedness, living arrangements and local activities.
- 6. Looking for something to do in Myrtle Beach?** Visit our Events webpage for a comprehensive list of activities. See <https://www.cityofmyrtlebeach.com/Events.pdf>. This file of city-related festivals, concerts, programs and more is updated weekly with new information.
- 7. Dozens of veterans marched on Ocean Boulevard in a solemn remembrance of Memorial Day, and that's the subject of our [Photos of the Week](#).** The annual march is coordinated by the Combat Veterans Motorcycle Association and the city's Military Appreciation Committee. The walk ended at the Burroughs & Chapin Pavilion Place, where the Combat Veterans Motorcycle Association performed the Battlefield Cross ceremony.
- 8. Did you know...** That Chapin Memorial Library celebrated its 70th anniversary this week? A public library originally opened in 1939 on North Kings Highway in the old Chamber of Commerce building, which was unused at the time. The library started with 501 books. During World War II, the library moved to the Chapin Company building as part of the government recreation program for soldiers stationed at the Myrtle Beach Army Air Field. The library returned to the Chamber building following the war, but relocated in May 1947 to the old USO building in the 1200 block of North Ocean Boulevard, before briefly moving back to the Chapin Company. In August 1948, the Chapin Foundation provided \$40,000 for a library building on city parkland and \$2,000 more for landscaping. The city's Chapin Memorial Library opened June 1, 1949, in its current location and has been expanded four times. It's the only city-owned library in the state.

Items remaining on the Consent Agenda will be briefly described by staff, and may be passed as a group with the APPROVAL OF THE AGENDA.*

Note: City laws are known as ordinances. Before a city ordinance can be enacted it must be introduced (1st Reading) and then approved (2nd Reading). Resolutions are normally actions through which City Council reinforces or makes policy not rising to the level of law. Motions are generally related to direction from City Council to city staff to take certain actions.

NO ITEMS ARE LISTED ON THE CONSENT AGENDA FOR THIS MEETING.

REGULAR AGENDA

2nd Reading Ordinance 2019-029 to enact Chapter 12, Motor Vehicles and Traffic, a new Article 6, shared mobility dockless electric scooters and bicycles, and unfranchised rental scooters.

Many communities are trying to manage the proliferation of dockless motorized scooters and bicycles. These conveyances are unregulated and often end up abandoned in parking spaces, bike lanes, parks, sidewalks, boardwalks and other public places, and are often used by minors who lack proper training or safety equipment. This ordinance does not apply to pedal-operated bicycles rented to consumers by properly licensed businesses.

If passed this ordinance would make it:

- *Unlawful to leave mobility device or unfranchised rented motor scooter in the rights-of-way, or a rented scooter on public property anywhere in the city.*
- *Illegal to operate, to provide, or to offer use of, a shared mobility device or scooter in the rights-of-way or on public property anywhere in the city.*

As proposed, law enforcement officers, parking enforcement officers any party contracted by the city are authorized to impound the devices. Any such device left unattended on public property may be removed and held by the city for 48 hours. A confiscated scooter shall be released upon proof of ownership and payment of a \$100 fee for removal and storage. Motorized scooters held for more than 48 hours may be disposed of by discarding, donation, auction or any other manner deemed appropriate by the city.

2nd Reading Ordinance 2019-030 to levy taxes and establish a municipal budget for the fiscal year beginning July 1, 2019, and ending June 29, 2020, and a Capital Improvements Program for fiscal years 2020-2024.

- *0-3% Merit Increase - \$349,000 (employees, excluding sworn police officers).*
- *4% Health Insurance premium increase - \$594,000*

- *10 new police officer and support positions (\$1,036,077)*
- *Part-Time Administrative Assistant in the Public Defender's Office (\$20,000)*

- *Full-Time Coordinator to Staff Charlie's Place (\$60,000)*
- *Solid Waste Residential Collection Crew (\$1,211,003)*

Resolution R2019-032 to name the pier in Futrell Park after former Council Member Crain E. Woods.

Mr. Crain E. Woods served for two years in the United State Army before beginning a 34-year career as an educator in Clarendon County, and later Horry County. He was first elected to serve on the Myrtle Beach City Council in November 1991, was re-elected in November 1995. He served with distinction until January 2000. During his tenure on Council, Mr. Woods was instrumental in the development of Futrell Park and was one of the city's earliest stormwater mitigation advocates. After a lifetime of public service, Mr. Woods passed away on March 5, 2017.

Per the proposed resolution, City Council:

- Honors the memory of Crain E. Woods in tribute to his tireless work for the residents of Myrtle Beach and Horry County, and his lifetime commitment to public service.*
- Names the pier in Futrell Park the "Crain E. Woods Memorial Pier," in his memory.*
- Directs that a plaque bearing this name be placed at that location.*

Resolution R2019-033 of the City of Myrtle Beach to adopt a five-year Capital Improvement Plan (CIP) for fiscal years 2020 through 2024.

The Budget Ordinance appropriates funding for projects in the first year of the Capital Improvement Plan (CIP). This resolution establishes the remainder of the plan as a base line for capital investment in years two through five. Major projects included in this CIP include the following major categories:

- General Pay as You Go Projects: \$9,185,000*
- Oceanfront/Downtown Redevelopment District Projects: \$15,615,000*
- Other City Facilities Projects: \$4,930,000*
- Storm Water Projects: \$18,000,000*
- Water and Sewer System Projects: \$23,600,000*

Adoption of the CIP by resolution is recommended as a best practice in governmental budgeting and financial management, and supports the city's strong credit scores by the rating agencies. The resolution does not appropriate any funds, but it gives the plan life beyond the fiscal year until it is replaced or revised. No new debt issue is anticipated in the first year of the CIP.

Motion M2019-080 to approve a Special Event Permit to Mike Shank / Festival Promotions for the "Independence Day 5K race on the streets in the Market Common area and at Valor Park on July 4, 2019, between the hours of 7:30 and 9:00 a.m. The City Manager is authorized to make changes to these plans as he deems necessary in keeping with the nature of the event and as circumstances dictate.

This will be the 10th year for this event, which is expected to draw 1,000 athletes. Temporary road closures are planned for portions of Farrow Parkway, Shine, Pampas, Mallard Lakes, Cactus, Swallow and Myers.

Motion M2019-081 to declare certain vehicles abandoned or derelict pursuant to the authority of Article 41 of Title 56 South Carolina Code of Laws 2001.

This declaration is an effort to improve the appearance of both commercial and residential neighborhoods. This report includes vehicles that staff has tagged as abandoned or derelict. Council's approval of this item allows these vehicles to be towed from their private property locations to a tow yard where they may be reclaimed by the current owner upon payment of the applicable towing and storage fees. If the vehicles are not claimed by the owner within 30 days of the required notice, then the tow company may sell the vehicle and keep the proceeds as compensation.

Motion M2019-082 to approve a Mutual Aid Agreement between Coastal Carolina University Police Department, Conway Police Department, Horry County Sheriff's Department and 15th Circuit Solicitor's Office.

Mutual aid agreements between agencies cover the purchase and use of "GrayKey," a forensic tool used by law enforcement in the furtherance of investigations that have digital devices that need to be forensically processed.

Motion M2019-083 to approve a Mutual Aid Agreement with the City of Myrtle Beach and the Family Justice Center.

This motion approves an annual agreement allowing the cooperation between the city and this agency. Specifically, the Family Justice Center:

- *Provides community awareness of, and education on, domestic violence in this community.*
- *Works with the Police Department in the investigation of domestic violence cases.*

Motion M2019-084 to authorize the City Manager to negotiate a contract for Architectural Services relating to the proposed Arts & Innovation District.

The city is currently engaged in an effort to identify a firm to assist in the design of the public structures and spaces in the proposed Arts and Innovation District as described in the newly adopted Downtown Master Plan. State law precludes the usual "Request for Proposal" process for procuring architectural services. Instead, the city has conducted a "Request for Qualifications" process, the final step of which should conclude on Monday. If at that time a leading firm has emerged, Council will be asked to consider this motion for a specific firm. If a leading firm has not yet emerged Monday, this item will be continued to the Tuesday, June 25, 2019, meeting.

Since price is not a consideration in the RFQ process, approval of this motion only authorizes the Manager to negotiate an agreement with the firm identified in this action. Once the agreement has been negotiated, that contract will come back before City council for approval.

Motion M2019-085 to designate an organization to manage and direct the expenditure of tourism and promotion funds for the 2019-20 fiscal year per SC Code §6-4-10(3).

Per state statute, the city is required to designate a "Direct Marketing Organization" (DMO) to provide "out of market" advertising and promotion associated with statewide Accommodations Tax funding. Historically, the Myrtle Beach Area Chamber of Commerce has been designated as the City of Myrtle Beach's DMO. The statute requires that the funds be distributed as follows:

- *The first \$25,000 to the General Fund.*

- 5% of the balance (after the \$25,000) to the General Fund.
- 30% of the balance for advertising and promotion of tourism.
- 65% to the city for tourism related expenses.

Recognizing the unique nature of this city's tourism demands, the Legislature has also approved a budgetary proviso that allows half of the money that would ordinarily go to the DMO to be retained by the city and used to meet public safety expenses. After these deductions, the amount available will go to the DMO in Fiscal Year 2019-20 (an estimated \$1,586,250).

Motion M2019-086 to approve grants to outside agencies for the fiscal year beginning July 1, 2019.

As presented the Fiscal Year 2019-20 budget, this includes \$173,000 to support agencies that provide services aligned with City Council's strategic vision. Council may choose to increase or decrease this amount at their sole discretion. The proposed outcome of this motion is to allocate those funds among the 18 applicants.
