Re: Meeting Schedule and Agendas

1. Next week's [meeting schedule](#) is attached.
2. **Masks are required in public places in Myrtle Beach, effective Friday, July 3.** The Myrtle Beach City Council unanimously supported a public mask requirement during a special Council meeting on Thursday, July 2. City Manager John Pedersen issued [Executive Order 12](#) which requires residents and visitors to wear a cloth facemask at retail and foodservice establishments, as well as in public spaces at overnight accommodations. Customers must wear a mask in enclosed areas of retail stores, grocery stores, pharmacies, personal care businesses, professional services and gyms and fitness centers, with limited exceptions. Retail, restaurant and accommodation staff also must wear masks whenever they are in public areas or working with the public. Failure to wear a mask when required is a civil infraction with a fine of up to \$100 upon conviction. Exemptions from the mask requirement, assuming you can accomplish social distancing of six feet or more, include the beach, when walking, when doing indoor or outdoor physical activity, in a car, in an unenclosed area of a retail or foodservice establishment, while actually eating, when working in a private office, within the same household as other family members or when an underlying medical condition precludes wearing a mask. The emergency order requiring masks in public is in place through Labor Day, unless lifted earlier. City Council members encouraged residents and visitors to voluntarily comply with the order for the health and safety of all. Many residents and visitors have requested such a mask requirement as the number of COVID-19 cases in Horry County has risen. Businesses whose staff are repeatedly cited for not wearing masks could be declared public nuisances and have their

business license suspended. Questions? A helpful list of [Executive Order 12 FAQs](#) is also available.

3. **The list of new business licenses for June 2020 is now available.** To view the list, visit the [Issued Business Licenses](#) webpage.
4. **Need information about the coronavirus emergency?** You'll find timely updates and general information on our [Coronavirus Advisory](#) webpage.
5. **The online [E-Resources](#) webpage is available on the city's website.** City buildings are closed to the public, but we are working to provide online content for all ages. On the webpage, you'll find creative and educational options for you and your family to enjoy!
6. **A comprehensive list of activities and city events is available on our [Events](#) webpage.** This file of city-related festivals, programs and more is updated weekly.
7. **Dozens of residents attended the latest Beachside Chat at Chapin Park last Sunday, and that's the subject of our [Photos of the Week](#).** Myrtle Beach folks brought a chair and a facemask to the outdoor event. Gathering in small groups, they talked about the issues of the day and shared perspectives and personal experiences. The Beachside Chats are hosted by the Neighborhood Services Department.
8. **Did you know...** That Bathsheba Bowens Memorial Park, 840 Nance Street, is named in memory of Miss Beulah Bathsheba Bowens, a Myrtle Beach resident? Born in December 1951, Bowens served as an outstanding role model as a student, tutor, choir singer, church member and community leader. She passed away unexpectedly in February 1968 at 17. The park was made possible by Sandy Grove Baptist Church.
