Re: Meeting Schedule and Agendas

1. Next week's [meeting schedule](#) is attached.
2. **Myrtle Beach's Downtown Historic District application is under consideration for the National Register of Historic Places!** The meeting takes place at 10:30 a.m., Friday, July 26, in the Wachovia Room at the South Carolina Archives and History Center, 8301 Parklane Road, in Columbia. The Historic District nomination includes portions of Main Street, Oak Street, Broadway Street, North Kings Highway and Eighth and Ninth Avenues North. In total, 18 contributing buildings and eight non-contributing buildings are under review. If approved, the Myrtle Beach Downtown Historic District will continue the process to achieve designation on the National Register of Historic Places. This allows contributing buildings to utilize State and Federal Tax Credits. Questions? Contact Lauren Clever at lclever@cityofmyrtlebeach.com.
3. **Pedestrian improvements set to begin at Meyers Avenue and Yorkshire Parkway intersection next week.** A contractor will create ADA-accessible sidewalk connections at the intersection of Meyers Avenue and Yorkshire Parkway. Then, in early August, work will begin on decorative brick red crosswalks. The stamped asphalt crosswalks will improve pedestrian safety in two ways. First, they will be more visible to motorists. Second, the stamped brick texture will provide an audible reminder to drivers about the pedestrian crossings. Signage and pavement markings will complete the improvements. Residents of nearby neighborhoods requested extra pedestrian safety alerts at this location.

4. **Crabtree Memorial Gymnasium hosts a special Customer Appreciation Carnival from 10:00 a.m. to 1:00 p.m., Saturday, July 20, 1004 Crabtree Lane.** The family-friendly event features games, fun prizes, a bakeoff contest and much more! If you would like participate in activities but need disability-related accommodations, contact Rob Cardella at 843-918-2359.
5. **Consider giving the gift of life alongside City of Myrtle Beach employees at the American Red Cross Blood Drive from 10:00 a.m. to 3:00 p.m., Tuesday, July 30.** The event takes place at the Myrtle Beach Sports Center, 2115 Sports Center Way. For more information and to sign up, contact Carolyn Wheaton at 843-918-1114 or cwheaton@cityofmyrtlebeach.com.
6. **The application deadline for the Police Department's Citizens Police Academy is 5:00 p.m., Thursday, July 25.** The 38th Session begins September 9 and the program gives participants a behind-the-scenes look at law enforcement. Topics include crime scene investigation, emergency vehicle operations and simulated firearms training. For more, see https://www.cityofmyrtlebeach.com/i_want_to/apply_for/citizens_police_academy.php.
7. **Looking for something to do in Myrtle Beach?** Visit our Events webpage for a comprehensive list of activities. See <https://www.cityofmyrtlebeach.com/Events.pdf>. This file of city-related festivals, concerts, programs and more is updated weekly.
8. **Youngsters practiced their reading skills with two therapy dogs last week at Chapin Memorial Library, and that's the subject of our [Photos of the Week](#).** Shane and Elvis, a Samoyed and an Irish Setter, were furry good listeners as the children read aloud. The dogs seemed to enjoy the experience as much as the kids did! This has become an annual program in the summertime at Chapin Library. This year, the Paws for Reading program was held on various Thursdays in June and July.
9. **Did you know...** That the little beachfront lots in the Cabana Section on North Ocean Boulevard were platted in the mid-1920s, before Myrtle Beach was even a town? The cabana lots come with restrictions. You cannot live in a cabana. Even parking a vehicle on a cabana lot is prohibited, unless there's an existing curb cut.

CONSENT AGENDA – *The Consent Agenda covers items anticipated to be routine in nature. Any Councilmember may ask that an item be moved from the Consent Agenda to the Regular Agenda for lengthier discussion, or a member of the public may request that such an item be moved. Items remaining on the Consent Agenda will be briefly described by staff and may be passed as a group with the APPROVAL OF THE AGENDA.*

Note: City laws are known as ordinances. Before a city ordinance can be enacted it must be introduced (1st Reading) and then approved (2nd Reading). Resolutions are normally actions through which City Council reinforces or makes policy not rising to the level of law. Motions are generally related to direction from City Council to city staff to take certain actions.

NO ITEMS ARE LISTED ON THE CONSENT AGENDA FOR THIS MEETING.

REGULAR AGENDA

2nd Reading Ordinance 2019-033 to amend Chapter 12, Motor Vehicles and Traffic, Article III, Stopping, Standing and Parking, Division 1, generally to add public utilities to the list of exemptions from metered payment.

This ordinance adds public utilities to the list of exemptions from metered parking, which now includes:

- *Commercial trucks, while loading and unloading.*
- *Vehicles bearing license plates or hang tags, or other publicly-placed permits indicating the operator is a Disabled Veteran, Purple Heart/Medal of Honor Recipient or a person with disabilities.*
- *Jurors and witnesses involved in criminal cases in any court when serving in-court.*
- *Public employees in the performance of their duty.*
- *Vehicles bearing a properly issued city residential decal.*
- *Vehicles actively being used in media or news coverage, and properly displaying a press parking placard.*

"Public utilities" are publicly owned utilities or private corporations subject to oversight by the SC Public Service Commission, and engaged in providing essential services to the public (such as electricity, natural gas, water, sewer, telephone, transportation, cable and data delivery). Access to unmetered parking allows these providers to respond more quickly to maintenance issues.

2nd Reading Ordinance 2019-034 to find that the lot known as "Washington Park Parke Area and Playground," located between 23rd Avenue North and 24th Avenue North, and between Kings Highway and Withers Drive, and adjoining Lot 9 Block 1-W, Washington Park Section of Myrtle Beach to the Southeast, identified as Horry County PIN #424-10-03-0003 and TMS #181-04-06-005, has no immediate or foreseeable value to the city, to declare the property surplus, and to authorize the sale of that property to Blvd Group, LLC, at a price of \$160,000, which represents the appraised value.

Washington Park is an unimproved parcel located off a service alleyway running behind the buildings on the east side of Kings Highway, between 24th and 23rd Avenues North. Due to the condition of the service alley, access to the property is limited. The property has not been developed for any public purpose in the past, and no future public use has been identified. The owner of the adjacent hotel located off 24th Avenue North would like to acquire the property for parking purposes.

The proposed ordinance finds that:

- *The parcel has no current or foreseeable public use, and is, therefore, surplus.*
- *That it serves the public interest to dispose of the property by accepting the offer to purchase at the appraised value from the adjacent property owner.*

The proposed ordinance authorizes the City Manager to execute the proposed offer to purchase the property. The property is listed at an estimated tax value of \$148,000. Estimated City taxes on that property once it is in private ownership would be about \$740/year.

1st Reading Ordinance 2019-035 to rezone 2.16 acres between Ocean Boulevard and Chester Street (PIN #424-15-04-0199, #424-15-04-0200, #424-15-04-0201 and #444-02-01-0431) and the adjacent rights-of-way of Ocean Boulevard and Withers Drive, from MU-H (Mixed-Use High Density) to A (Amusement) in order to accommodate a mix of family-centric uses, and to amend Sections 14 of Appendix A Zoning to restrict amusements near a public library, school and church.

The subject property is in the Downtown Master Plan Area and located within an Opportunity Zone. The applicant proposes to develop: an amusement on the second row property; six eight-bedroom vacation rental homes; and, a 350-space, four-story parking garage on the third row. The rezoning is recommended to take advantage of the reduced set-backs in the A zone to facilitate development of the third row improvements. The proposed ordinance also states that no portion of the ride, at maximum extension, shall be closer than 220' to any public library, school or church.

Opportunity Funds must be invested before 2020 in order to maximize tax benefits. The third-row property is across Chester Street, Chapin Memorial Library and Chapin Park. The Master Plan suggests moving the library and repurposing the existing building. Current parking spaces on these lots are not required for any nearby businesses. Once a property is rezoned, any permitted use in that zone may be built, and the applicant will not be held to the original plans.

1st Reading Ordinance 2019-036 to extend the corporate limits of the City of Myrtle Beach by annexing 0.632 acres located at 4105 and 4107 Little River Road (Horry County TMS #174-09-01-030 and 174-09-01-035), and rezone said property from Horry County SF 6 (Single Family Residential) to City of Myrtle Beach RMM (Multi-Family Residential).

The applicant owns property along Little River Road, currently located in the unincorporated part of Horry County and zoned SF 6 (Single Family, 6,000 sq. ft. per unit). Applicant wishes to combine the two lots to construct townhouses. The proposed zoning allows a maximum of 12 units/acre; it does not allow mobile homes. The applicant is required to annex as a condition of receiving city utilities to service the proposed townhomes.

The adjacent in-city property, located to the north of this property, is zoned Longleaf PUD (Residential) and is a townhouse development. The zoning across Little River Road is R-10 (Single Family, Minimum 10,000 sq. ft. lot). The property currently contains mobile homes, although that is not a permitted use in the proposed zone. If approved, these mobile homes would be grandfathered in as legal non-conforming uses.

1st Reading Ordinance 2019-037 to amend Ordinance No. 2019-023 to ensure consistency in the amounts of penalty charges between the local hospitality tax and local accommodations tax.

Ordinance 2019-022, adopted on 03/07/19, amended the Accommodations Tax with no changes to the penalty provisions section. Ordinance 2019-023, also adopted on 03/07/19, authorized the city to levy a Hospitality Tax, which included penalties that differed from those of the Accommodations Tax.

The current A-Tax penalty is 2% per month on the amount of taxes which remain unpaid. The current Hospitality Tax penalty is 25%. The proposed ordinance would standardize on the current A-Tax penalty.

Motion M2019-096 to appoint eight members of the Workforce Housing Advisory Board.

The Workforce Housing Advisory Board was created in an effort to implement City's Council's Workforce Housing Policy, adopted as R2019-005 on 0122/19. As set forward, the Workforce Housing Advisory Board must consist of 14 members, with six who are set by the following resolution: The Planning & Zoning Department Director (Kenneth May), the Executive Director of Downtown Redevelopment (Lauren Clever), the Neighborhood Services Director (Cookie Goings), the Housing Authority's appointment (Teresa Dean), Habitat for Humanity's appointment (Carla Schuessler) and the New Directions' appointee (Kathy Jenkins).

In addition, eight seats are to be Council-appointed; the appointments are also occupation or organization restricted. Due to these restrictions, we have not been able to get a pool of applicants through the normal advertising process. As a result, we have had to recruit applicants from the aforementioned categories. Designated by Council, the proposed appointments in each category are: a member of the financial/banking industry (Tonya Slavin); a member of the Homebuilders Association (Lawrence Langdale); a licensed realtor (NAME); a member of the Hospitality Industry (Stephen Greene); a city or school district employee (Amber Campbell); a member of the Myrtle Beach Area Chamber of Commerce (Karen Riordan); a member of the health care industry (Emily Lloyd); and, a member of the local clergy (NAME).

Motion M2019-097 to authorize the City Manager to enter into an agreement for architectural services with the firm of LS3P related to the public spaces and venues in the proposed Arts and Innovation District.

As required by state law, LS3P was initially selected through a public "Request for Qualification" process. Based on that process, City Council gave the Manager authority to negotiate a specific contract with the firm in June. LS3P's resulting proposal is an innovative one, designed to take advantage of the economies of scale essential in packaging together the design of these public improvements.

The proposal recognizes that: some of the design work is relatively simple (the public plaza and non-habitable structures); some of the design work is medium complexity (multi-family residential and retail); and, some of the design work is very complicated (performing arts center). The proposal also further recognizes that the size and cost of the structure is negatively correlated to the appropriate charge for architectural services (expressed as a percentage of construction costs). As a result, the proposal reflects the percentage charged for architectural fees will go down as the construction price of the structure goes up.

In addition to these percentage charges, the proposal includes a flat fee of \$100,000 for "Advanced Planning" efforts. Efforts include documenting existing building edges, floor plans, size, massing and facilitating a number of public input sessions. Funds were provided in the current budget for these expenses.

Motion M2019-098 to approve a Special Event Permit to Philip Jackson and Chalmers Lester of Surf City Surf Shop to host a surfing contest in association with the Surf Dreams Foundation. Surf Dreams Foundation is proposing to hold this event on the beach at 66th Avenue North on August 10, 2019, from 7:30 a.m. to 4:30 p.m. The City Manager is authorized to make changes to these plans as he deems necessary in keeping with the nature of the event and as circumstances dictate.

This is a one-day surfing contest and clinic to be held on the beach just north of the beach access at 66th Avenue North. A total of 50 to 60 participants are expected.

Motion M2019-099 to approve the acceptance a \$12,500 Opportunity Zone Grant Award from the South Carolina Department of Commerce to assist with Opportunity Zone Investment Program.

This recognizes the city's receipt of a \$12,500 grant from the South Carolina Department of Commerce to assist with the City's Opportunity Zone efforts.

Motion M2019-100 to consider City co-sponsorship of the Myrtle Beach International Culture Festival
