That’s up \$18.2 million from the previous calendar year. The total includes \$316,377,892 in residential construction and \$194,320,275 in commercial construction. The numbers reflect 716 new single-family residences, two new multi-family structures and 19 new commercial buildings permits within the city limits during the year. Also included in the totals are 306 fences, 275 roofs, 177 signs, 105 swimming pools, 28 demolitions and 21 mobile homes. The 2022 construction value total is the fourth-highest ever recorded, following 2005 (\$574 million), 2006 (558.2 million) and 2017 (\$535.2 million). By the way, the number of building permits issued annually has more than tripled in the last 20 years (from 2,506 in 2002 to 8,581 in 2022). The number of construction inspections conducted by staff each year also has increased significantly, from 5,534 in 2002 to 31,035 in 2022.

REGULAR AGENDA

1st Reading Ordinance 2022-029 to annex approximately 5.26 acres along Pine Island Road (PIN #42516030015) into the City of Myrtle Beach, and to rezone the property from Horry County LI (Limited Industrial) to Myrtle Beach Pine Island Point PUD.

Pine Island Point is a mixed-use PUD of approximately 35 acres at the corner of Seaboard Street and Pine Island Road. This annexation adds approximately 5.26 acres (PIN #42516030015) along Pine Island Road. Planning Commission recommended approval on April 5, 2022 (8/0).

1st Reading Ordinance 2022-030 to amend Ordinances 2006-024, 2016-027 and 2018-067, known as Pine Island Point Planned Unit Development, to: include approximately 5.26 acres of additional land with additional housing and retail opportunities; add up to two additional signs; add public improvements; reduce the number of required trees; and, update the phasing schedule.

Pine Island Point is a mixed-use PUD of approximately 35 acres at the corner of Seaboard Street and Pine Island Road. Phase One is complete, and includes Inspire Coastal Grand, a 55 and older multifamily project, and new Sea Pine Boulevard (a private street). Plans for the additional acreage include multifamily housing and a retail building along Sea Pine Boulevard.

On May 3, 2022, the Planning Commission recommended approval (6/0) with the following changes:

- *At least one bus shelter, with the location decided with COAST RTA.*
- *Pedestrian improvements to the intersection of Pine Island Road and Seaboard Street, in coordination with the city's Public Works Department, to include at a minimum: ladder-style crosswalks on all four sides, ADA ramps on all four corners and pedestrian crossing signals for the visually impaired on all four corners.*

- *Exhibit 17.E, Sec. 902.B.2 is amended to require the number of trees for multifamily dwellings be one tree for every three units, and allow the flexibility in new tree placement as requested.*

1st Reading Ordinance 2023-001 to amend the Planned Unit Development known as Osceola Street PUD planned unit development.

Changes requested in this amendment include the following:

- *Current permitted uses, generally those of the Highway Commercial Zones, are reduced (Sec. 3) to only multifamily residential, and typical accessory uses and amenities.*
- *Minimum lot size (Sec. 6) is reduced from 10,000 square feet to 5,000 square feet.*
- *Maximum height (Sec. 6) is reduced from 60 feet to 55 feet.*
- *Minimum setback (Sec. 6) from Mr. Joe White Avenue is decreased from 25 feet to zero.*
- *Minimum setback (Sec. 6) from Osceola Street is decreased from 15 feet to zero; minimum setback from Cherokee Street remains at 15 feet.*
- *Parking requirements (Sec. 6) are unchanged for the remaining permitted uses.*

2nd Reading Ordinance 2022-055 to authorize a property exchange between the City of Myrtle Beach and Auto Rebuilt, LLC, along Alder Street for parcel along Eighth Avenue North.

The city has purchased eight properties within the last year for needed stormwater facilities in this immediate area. The city is the fee simple owner of two parcels along Alder Street, PIN #44301020037 and #44304020036. Auto Rebuilt, LLC, is the fee simple owner of a lot along Eighth Avenue North, PIN #44304020027. The Auto Rebuilt property on Eighth Avenue North is better situated for a stormwater retention facility than the city-owned properties on Alder Street. Auto Rebuilt, LLC, does not wish to sell their property, but is willing to enter in to a property exchange with the city.

2nd Reading Ordinance 2022-056 to rezone approximately 1.5 acres at 1300 North Kings Highway (PIN #42416030012) from HC-2 (Highway Commercial) to A (Amusement), and to rezone approximately 0.32 acres across Chester Street (PIN #44401020048) from MUH (Mixed Use – High Density) to A (Amusement) in order to allow anticipated uses.

The properties are adjacent to North Kings Highway, 14th Avenue North, Chester Street and 13th Avenue North. The properties are close to A (Amusement) zoned properties to the east and south. Directly adjacent properties are zoned C-8, MU-H, E and HC-2. The applicant plans to preserve the former First Presbyterian Church building.

2nd Reading Ordinance 2022-057 to amend Sec. 701 Parking and Exhibit A of the ITAP PUD (Planned Unit Development) to add minimum parking requirements for data centers and to amend Exhibit A to reflect an updated Roadway B.

Data Centers are new to Myrtle Beach and the parking requirements were not thought of during the creation of iTAP. Since Data Centers have low staffing needs and do not serve on-site customers, the parking needs are minimal. With this ordinance, a Data Center will be required to have a minimum of one parking space for every 4,000 square feet of net leasable space. This amendment is consistent with the parking requirements in Ordinance 2022-049. Planning Commission recommended approval unanimously (8/0) at the December 6, 2022.

Motion M2023-003 to declare certain vehicles abandoned or derelict pursuant to the authority of Article 41 of Title 56 South Carolina Code of Laws 2001.

This declaration is an effort to improve the appearance of both commercial and residential neighborhoods. This report includes vehicles staff have tagged as abandoned or derelict. Council's approval allows these vehicles to be towed from their private property locations to a tow yard where they may be reclaimed by the current owner upon payment of the applicable towing and storage fees. If the vehicles are not claimed by the owner within 30 days of the required notice, then the tow company may sell the vehicle and keep the proceeds as compensation.
