8. **Plan now to give the gift of life at Myrtle Beach’s next blood drive from 10:00 a.m. to 2:00 p.m., Tuesday, April 23.** The City of Myrtle Beach partners with the American Red Cross to host this quarterly blood drive at the John T. Rhodes Myrtle Beach Sports Center, 2115 Sports Center Way. Donors will receive a \$10 gift card. Make your appointment today by registering online at www.redcrossblood.org. Use the sponsor code CityMB.

9. **Have your child’s car seat installed and/or checked for proper installation at the Myrtle Beach Fire Department’s next Car Seat Safety Check, Tuesday, April 23.** This free event is hosted by the Fire Department’s certified car seat technicians from 2:00 to 4:00 p.m. in Target’s parking lot, 1150 Seaboard Street. Stay tuned for more information. You’ll find parade registration and Family Picnic exhibitor forms [here](#).

11. **A comprehensive list of city-related activities, events, festivals and recreation programs is available online.** The [Events](#) webpage, a downloadable PDF file, is updated weekly.

12. Myrtle Beach welcomed thousands of children and parents to Spring Fest at Grand Park last Saturday, and that's the subject of our [Photos of the Week](#). Recreation staff transformed the field next to Crabtree Memorial Gym into a springtime festival of games, furry friends, face paint and candy. Nearly 1,000 kids hunted for 8,000 Easter eggs on Savannah's Playground. Families also enjoyed vendors and family activities, especially the touch-a-truck, animal petting park, hayride with the Easter Bunny, games, inflatables and plant swap. The event grows each year.

13. Did you know... That the City of Myrtle Beach has had impact fees for new water and sewer service connections since the mid-1980s? Impact fees are a one-time charge to offset the cost of expanding the water and sewer system to handle growth. Current customers shouldn't have to cover the direct cost of providing service to new customers. Impact fee calculations are based on the type of structure, and fees must be paid before a building permit is issued. For instance, residential project fees are based on the number of bedrooms, restaurant fees are based on the number of seats and staff, retail space fees are based on the square footage, and office space fees are based on the number of offices and employees.

purchasing a Chemical Identification Analyzer; and to record the appropriation of such grant funds in the amount that may be approved, and to execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. No match requirement.

The Fire Department's Haz-Mat Weapons of Mass Destruction (WMD) Regional Response Team will use the grant to purchase a Thermo Fisher Scientific Gemini Chemical Identification Analyzer that utilizes two technologies to classify and identify unknown solids and liquids, making it possible to detect explosives and chemical warfare agents and to distinguish industrial chemicals. This is a 100% reimbursable grant.

REGULAR AGENDA

2nd Reading Ordinance 2024-21 to enact Section 14-200 of the City of Myrtle Beach Code of Ordinances entitled *Hate Intimidation*.

To enact a new section 14-200 of the Code of Ordinances to protect residents and visitors from and to deter crimes motivated by bias or hate towards any person or persons, in whole or in part, because of the actual or perceived race, color, creed, religion, ancestry, gender, sexual orientation, gender, gender identity, physical or mental disability, or national origin of the other person or persons.

1st Reading Ordinance 2024-22 to amend Chapter 2, Division 2, Article 6, Sec. 2-244 (a) and 2-253 of the Purchasing Code, and add Sec. 2-259 for Non-competitive Purchasing for Sole Source and Single Source.

Amend Section 2-244(a) to allow the city to advertise in online sources while also maintaining the city's ability to advertise in a newspaper of general circulation if the situation warrants and/or the item being procured may require as such (i.e., a grant may require a specific procurement method). Amend Section 2-253 referencing local vendor preference:

- *For bids between \$7,500 and \$25,000; the within the city limits bidder receives a 6% credit.*

- For bids between \$25,000-\$100,000; If the local bid is 6% or less of the apparent non-local low bid, the local vendor has the opportunity to meet the apparent low non-local bid
- From \$100,000 - \$5,000,000; If the local bid is 4% or less of the apparent non-local bid, the local vendor has opportunity to meet apparent low non-local bid.

Amend Section 259 to further clarify sole source vs. single source procurement.

1st Reading Ordinance 2024-23 to rezone ~1.78 acres (PIN# 425-1401-0029 & 425-1401-0030) from HC-1 (Highway Commercial) to WM (Wholesale/Manufacturing).

Parcel 1 fronts Stockholder Avenue and abuts Robert M. Grissom Blvd. Parcel 2 fronts Stockholder Avenue to the south and Executive Drive to the north. Both properties are currently zoned HC-1. Surrounding properties to the south are zoned HC-1 (Highway Commercial) and the properties to the north, east and west are zoned WM (Wholesale/Manufacturing). Planning Commission: 4/2/24 unanimously recommends approval (5/0)

1st Reading Ordinance 2024-24 to amend Article 14 and Article 15 to allow storage tanks for liquid substances, above ground as a conditional use in the HC-1 (Highway Commercial 1), HC-2 (Highway Commercial 2), and a permitted use in AP (Airport District) and LM (Light Manufacturing) zoning districts.

Storage tanks for liquid substances, above ground, are currently allowed as a special exception (tanks require BZA approval) in the AP (Airport District) and LM (Light Manufacturing) districts. The applicant originally requested adding above ground storage tanks as a conditional use in the HC2 district. Staff recommendation is to allow as conditional use in the HC1 and HC2 districts.

- All designs must adhere to state and federal regulations, and any regulations as required by the City of Myrtle Beach Fire Marshal.
- Storage tanks, above ground provided storage tanks shall be set back a minimum of 17' from any property line.
- Storage tanks shall only be permitted at hardware stores, gas stations, and locations for rental of general equipment and tools for construction, commercial, and industrial uses.

Staff recommends changing above ground storage tanks from a special exception to permitted use in AP and LM districts. Planning Commission: 4/2/24 Recommends approval (4/2)

1st Reading Ordinance 2024-25 to create a Planned Unit Development known as 23rd Avenue North Planned Unit Development.

This is a new single-phase PUD with the intent to build an oceanfront hotel, a second row mobile check-in lot, and a third row parking deck.

1st Reading Ordinance 2024-26 to amend a Planned Unit Development known as 21st Avenue Ocean Front Planned Unit Development.

This request is in conjunction with the proposed new 23rd Ave N PUD. This amendment to the 21st Ave N Oceanfront PUD is necessary because the proposed 23rd Ave N PUD

includes 6 parcels currently regulated by the 21st Ave N Oceanfront PUD. Properties cannot be in multiple PUDs & this proposal removes 6 parcels from the 21st Ave N PUD.

1st Reading Ordinance 2024-27 imposing temporary moratorium on activity relating to the conversion of multi-family properties in close proximity to the beach from short term rental to long term rental, to analyze the impacts of decreased multi-family short term rental inventory, and to make recommendations to city council.

To impose temporary moratorium on the conversion of properties from multi-family short term rental to multi-family long term rental and to allow City time to study the impacts of decreased short term rental inventory and to consider changes to City's Zoning Code.

Resolution R2024-8 resolution accepting a donation from Horry Telephone Cooperative (HTC) and authorizing the City Manager to enter into related agreements with HTC.

HTC desires to donate \$500,000 to the City, along with one (1) year of free fronthaul and backhaul fiber services at up to ten (10) locations. The donation must be used to support economic development efforts, including but not limited to the City's "Smart City" economic development initiatives.

Motion M2024-38 to appoint/reappoint four members to the Cultural Resources Committee.

The terms of Shawn Kennedy and Shannon Farro have expired. Ms. Farro does wish for reappointment. Mr. Kennedy does not wish to be reappointed. Two other seats are vacant due to resignations. On file are the resumes of Dan Lewis (Non-Resident), Daniel Rojas (Non-resident), John Krajc (City Resident), Ryan McRae (Non-resident), Tonya Gore (City Resident), and Tushara Rhodes (Non-Resident). Three of the four seats' terms will expire on March 10, 2027. One resigned seat's term does not expire until March 10, 2025.

Motion M2024-42 to appoint/reappoint two members to the Planning Commission.

The terms of Paul Williamson and Philip Stalvey will expire on April 13, 2024. Both wish for reappointment. Their new terms will expire on April 13, 2027.

Motion M2024-43 to declare certain vehicles abandoned or derelict pursuant to the authority of Article 41 of Title 56 South Carolina Code of Laws 2001.

This declaration is an effort to improve the appearance of both commercial and residential neighborhoods. This report includes vehicles staff tagged as abandoned or derelict. Council's approval allows these vehicles to be towed from their private property locations to a tow yard where they may be reclaimed by the current owner upon payment of the applicable towing and storage fees. If the vehicles are not claimed by the owner within 30 days of the required notice, then the tow company may sell the vehicle and keep the proceeds as compensation.
