Re: Meeting Schedule and Agendas

1. Next week's [meeting schedule](#) is attached.
2. **The Memorial Day holiday weekend is May 27-30.** Along with a traffic congestion management plan, residents and visitors will see an increase in police presence, especially on Ocean Boulevard. Here's what to expect in Myrtle Beach...
 - Traffic will be one-way along Ocean Boulevard. Drivers will use the southbound lane only, while the northbound lane will be reserved for emergency service and police vehicles.
 - Kings Highway access points will be located at the following intersections: 29th Avenue North, 21st Avenue North, Ninth Avenue North, Third Avenue South, Ninth Avenue South and 13th Avenue South.
 - No golf carts will be permitted south of 29th Avenue North on Ocean Boulevard; all South Carolina golf cart laws are enforced in Myrtle Beach.
 - Mopeds will be prohibited on Ocean Boulevard from 8:00 p.m. to 8:00 a.m. each night, Friday through Monday, May 27-30; all South Carolina moped laws are enforced in Myrtle Beach.
 - Impromptu parties are illegal in both private and public parking areas.
 - The City of Myrtle Beach enforces a juvenile curfew. Juveniles, ages 17 and under, are required to be off the streets, with few exceptions, between 12:00 and 6:00 a.m. Penalties for violating the curfew can be as much as \$500 and/or 30 days in jail, upon conviction. Parents can be charged as well. Exceptions to the juvenile curfew include the following: when a minor is accompanied by the parent or guardian; minor

is involved in an emergency or on an errand necessitated by an emergency; minor is going directly to or from employment; minor is in a vehicle engaged in interstate travel; minor is on the sidewalk abutting the minor's home; minor is attending an adult-supervised recreational activity sponsored by the city or a similar civic organization; minor is exercising protected First Amendment rights; and, the minor is married or otherwise legally emancipated.

- Questions? Call 843-918-INFO (4636) for information.

3. Everyone's invited to attend the Military Appreciation Days parade and free picnic, Memorial Day Remembrance Day Ceremony and more! The City of Myrtle Beach, Military Appreciation Committee and the Myrtle Beach Area Chamber of Commerce collectively host a series of events each May to celebrate our military. To observe our city's military history of nearly 50 years, Myrtle Beach Military Appreciation Days commends those who serve, or have served, our great nation. Join us for the remaining events below.

- Military Appreciation Days Parade – 10:30 a.m., Saturday, May 28, Along Farrow Parkway, The Market Common
- Military Appreciation Days Picnic and Exhibits – 11:30 a.m., Saturday, May 28, Valor Memorial Garden, 1120 Farrow Parkway
- Jack Platt Veterans' March and Battlefield Cross Ceremony on Memorial Day – 9:00 a.m., Monday, May 30, Along Ocean Boulevard, 16th to Ninth Avenues North
- Memorial Day Remembrance Ceremony – 11:00 a.m., Monday, May 30, Myrtle Beach Convention Center, 2101 North Oak Street
- Memorial Day Tribute Film – “Soldier Stories: Valor in Vietnam” Film, 2:00 p.m., Monday, May 30, Grand 14 Cinemas at The Market Common, 4002 DeVillie Street (Free Admission)

4. Seasonal rules for umbrellas go into effect on Monday, May 30. Memorial Day through Labor Day, only circular umbrellas, up to seven-and-a-half feet in diameter, are allowed. Umbrellas must be in line with or behind the lifeguards' line of umbrellas or landward of the mean high tide line. Infant shelters are allowed year-round, but cannot be any larger than four feet wide, three feet deep and three feet tall. To learn more, see our [Tents & Umbrellas](#) webpage.

5. A comprehensive list of activities and city events is available on our [Events](#) webpage. This file of city-related festivals, programs and more is updated weekly.

6. Restoration work is underway at a little-known local cemetery off 21st Avenue North, and that's the subject of our [Photos of the Week](#). The African American graveyard, 700-A 21st Avenue North, is behind the Myrtle Beach Convention Center and it dates to the mid-1930s. Military veterans from both World Wars, Korea and Vietnam are buried there. The city purchased the land in 1992 to preserve it and has conducted research and clean-ups through the years, but this will be a more extensive effort. Already, the overgrown and rusty perimeter fence has been removed, and the edges of the property are being cleared. Markers will be raised and leveled, where necessary, and cleaned, too. In all, 243 graves were identified during a 2010 survey, although many were unmarked and unnamed. Kurt Klepper, the city's staff member leading the effort, hopes to change that with this most recent

renovation. So, consider this the “before” series of images. Stay tuned for photos of the progress!

- 7. Did you know...** That the City of Myrtle Beach just won renewal of its Class Five CRS Rating as part of the National Flood Insurance Program (NFIP)? That means savings for Myrtle Beach property owners. CRS stands for Community Rating System, a Federal Emergency Management Agency (FEMA) program. For Myrtle Beach properties in a flood zone, the Class Five rating provides a 25% discount on flood insurance premiums. For properties inside the city but outside of a flood zone, a Class Five provides a 10% discount on flood insurance premiums. The discount is automatically granted to those with flood insurance in the city limits. Owners’ savings are a tangible result of staff’s efforts to protect lives and reduce property damage. The city team accomplished the renewed rating through a point system during a three-year verification cycle.

NON-AGENDA ITEMS FROM THE PUBLIC (30 MINUTE TIME LIMIT)

CONSENT AGENDA – *The Consent Agenda covers items anticipated to be routine in nature. Any Council member may ask that an item be moved from the Consent Agenda to the Regular Agenda for lengthier discussion, or a member of the public may request that such an item be moved. Items remaining on the Consent Agenda will be briefly described by staff and may be passed as a group with the approval of the agenda.*

Note: *City laws are known as ordinances. Before a city ordinance can be enacted, it must be introduced (1st Reading) and then approved (2nd Reading). Resolutions are actions through*

which City Council reinforces or makes policy not rising to the level of law. Motions are related to direction from City Council to city staff to take certain actions.

Motion M2022-083 to approve a Special Event Permit to Crossroads Event Productions for the “Myrtle Beach Jazz Festival,” October 14-16, 2022, between the hours of 12:00 p.m. and midnight on Friday and Saturday, and 12:00 p.m. to 11:00 p.m. on Sunday. The City Manager is authorized to make changes to these plans as he deems necessary in keeping with the nature of the event, and as circumstances dictate.

The promoter is expecting approximately 5,000 attendees. The event will include live music, food and retail and craft vendors. Beer, wine and spirituous liquors will also be available for purchase. Carver Street will be closed between 18th and 21st Avenues North, beginning at 12:00 p.m., Thursday, October 13, through 1:00 p.m., Monday, October 17.

Motion M2022-084 to designate the Myrtle Beach Area Chamber of Commerce as the organization to manage and direct the expenditure of tourism and promotion funds for the 2022-23 fiscal year per SC Code §6-4-10(3), Accommodations Tax Revenues.

Per State statute, the funds received by a municipality or a county in county areas collecting more than fifty thousand dollars must be allocated in the following manner:

- (1) The first \$25,000 must be allocated to the general fund.*
- (2) Total of 5% of the balance (after the \$25,000) must be allocated to the general fund.*
- (3) Total of 30% of the balance for advertising and promotion of tourism to develop and increase tourist attendance through the generation of publicity. To manage and direct the expenditure of these tourism promotion funds, the municipality or county shall select one or more organizations, such as a chamber of commerce, visitor and convention bureau, or regional tourism commission, which has an existing, ongoing tourist promotion program.*
- (4) Total of 65% to the city for tourism related expenses.*

Recognizing the unique nature of this city’s tourism demands, the South Carolina Legislature has also approved a budgetary proviso that allows half of the money that would ordinarily go to the Myrtle Beach Area Chamber of Commerce (MBACC) to be retained by the city and used to meet public safety expenses related to tourism. After these deductions, the amount available for advertising and promotion by the MBACC in Fiscal Year 2022-23 is an estimated \$1,512,750.

Motion M2022-085 to approve a Mutual Aid and Assistance Agreement for Water and Wastewater Utilities.

This agreement is made and entered into by public and private water and wastewater utilities that have, by executing this agreement, manifested their intent to participate in the Intrastate Program for Mutual Aid and Assistance.

Recognizing that emergencies may require assistance in the form of personnel, equipment and supplies from outside the area of impact, the signatory of utilities established the Intrastate Program for Mutual Aid and Assistance. Through the Mutual Aid and Assistance Program, members coordinate response activities and share resources during emergencies. This agreement sets forth the procedures and standards for the administration of the Intrastate Mutual Aid and Assistance Program.

Motion M2022-086 authorizing the City Manager or his designee to apply for a grant of \$78,946.52 from the U.S. Department of Justice's Patrick Leahy Bullet Proof Vest Partnership to: purchase 76 bulletproof vests; record the appropriation of such grant funds in the amount that may be approved; and, execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. A match of \$39,473.26 is required from the Police Department budget.

The Patrick Leahy Bulletproof Vest Partnership (BVP), created by the Bulletproof Vest Partnership Grant Act of 1998, is a unique U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement. Since 1999, the BVP program has awarded more than 13,000 jurisdictions a total of \$548 million in federal funds for the purchase of over one million vests (1,490,930) as of January 2022.

REGULAR AGENDA

2nd Reading Ordinance 2022-025 authorizing: the creation of the Myrtle Beach Downtown Municipal Improvement District and approving an improvement plan for the district; providing for the financing of improvements therein by assessments and other revenues as herein described; providing for the publication of this ordinance upon the enactment hereof; ordering the preparation of an assessment roll; the publishing of the completion of the assessment roll and sending notice of such assessment to property owners; and, other matters relating thereto.

The purpose of the MID is to provide for the provision and funding of various public improvements for the benefit of the current and future users of the real property located within the district, as set forth in Resolution 2022-01, adopted on April 12, 2022.

Proposed public improvements consist of the following:

- *Ambassador Program*
- *Events and Marketing*
- *Special Projects*
- *Planning and Research*

Absent the establishment of the district, other funding sources would need to be identified to provide for the public improvements proposed within the district.

2nd Reading Ordinance 2022-026 to rezone approximately 0.54 acres on Grey Street (Pin #425-13-03-0034) from R5 (Single Family) to RMM (Multifamily Medium Density) to match the zoning of the adjacent parcel to allow for the development of multifamily units.

The property fronts on both Grey Street and White Street in the Carrie May Johnson Neighborhood. The adjacent property to the north is zoned RMM, and adjacent properties on the other three sides are zoned R5. R5 is a Single Family District with a minimum lot size of 5,000 square feet. RMM is a Multifamily District that allows up to 12 units per acre.

If approved, the rezoning could result in a slight density increase. In R5, the property is currently nonconforming with two residential units. However, the property is currently eligible for subdivision into four single-family lots. Rezoning to RMM could result in as many as six units total, depending upon the design. The city has a documented shortage of workforce housing.

2nd Reading Ordinance 2022-027 annex approximately 1.26 acres at 2115 Highway 501 (PIN #425-09-03-0003 and #425-09-03-0009) and rezone the property from Horry County HC (Highway Commercial) to Myrtle Beach HC1 (Highway Commercial) in order to attain city water and sewer service.

The request is to annex two parcels along Highway 501 near Seaboard Street. Parcel #425-09-03-0003 is approximately 0.35 acres, and it is currently leased to Brakes 4 Less. Parcel #425-09-03-0009 is approximately 0.91 acres, and it currently sits vacant, but with plans for a fast food restaurant.

1st Reading Ordinance 2022-028 to levy taxes and establish a municipal budget for the fiscal year beginning July 1, 2022, and ending June 30, 2023.

State law requires each unit of local government to approve a budget for the fiscal year detailing the community's operational and financial goals for that year. The total budget proposal for Fiscal Year 2022-23 is \$292,204,387 (a .04% increase from the current revised budget). The proposed budget includes:

- *A proposed property tax increase of 10 mills (from 78.9 mills to 88.9 mills). Property taxes will equate to 88.9 cents/\$100 of assessed valuation (\$.829 for operations and .06 for debt service).*
- *A proposed blended water and sewer rate increase of 4.68%.*
- *A stormwater fee increase of \$1.67/ERU (adopted in separate resolution).*
- *A parking fee increase of \$.50-\$1.25 hourly, \$2.00-\$5.00 daily and \$20 for a weekly on-street pass. (The non-resident annual vehicle decal fees, golf cart decal fees, employee decal fees and replacement decal fees remain unchanged.)*

The proposed budget is balanced with fund balance targets and ratios of recurring revenues to expenditure met. The General Fund is balanced with ratio of recurring sources to recurring uses at 104.5% and fund balance at 19.8% of recurring expenditures.

Resolution R2022-022 an Intergovernmental Agreement between Horry County and the City of Myrtle Beach to allocate county-wide Community Development Block Grant (CDBG) funding and to proportionately distribute the benefits thereof.

To increase city Community Development Block Grant (CDBG) funding, Myrtle Beach relinquished direct recipient status and cooperated with Horry County and Conway to obtain Urban County Entitlement status in 2008. These jurisdictions have entered into several three-year Intergovernmental agreements since 2008. In the most recent agreement in 2019, Conway opted out of the tri-party Intergovernmental Agreement. This newest agreement is a three-year agreement that is scheduled to begin on October 1, 2022.

This agreement also includes compliance with the Department of Housing and Urban Development's "restrictive covenant" requirement, which states:

- *Any projects costing \$20,000 to \$50,000 must provide benefits for low and moderate income persons or areas for a minimum of 10 years.*
- *For projects costing \$50,001 to \$100,000, the minimum is 15 years.*
- *For projects costing \$100,001 to \$150,000, the minimum is 20 years.*
- *For projects costing more than \$150,001, the minimum is 30 years.*

Resolution R2022-023 to adopt the Myrtle Beach Housing and Community Development Annual Action Plan and budget for Fiscal Year 2022-23.

In total, the city's Community Development Block Grant (CDBG) allocation is projected to decrease from \$405,014 to \$381,039. The funds are budgeted based on the federal fiscal year and must be spent to primarily benefit low and moderate income people.

The following is the proposed allocation covering the period of October 1, 2022-September 30, 2023:

- *Public Infrastructure – \$326,039*
- *Public Facilities – \$55,000*

Motion M2022-087 to approve a Special Event Permit to Mike Shank/NS Promotions for the “Summer 5K Series” on the streets in the Market Common area. Three races will take place on June 7, July 19 and August 16, 2022, between the hours of 5:00 and 8:00 p.m. The City Manager is authorized to make changes to these plans as he deems necessary in keeping with the nature of the event, and as circumstances dictate.

This request includes rolling closures for portions of the following streets: Knoles, Johnson, Shine, Howard and Huger. The Parks, Recreation and Sports Tourism Department will provide course set-up and monitoring.

Motion M2022-088 to approve a Special Event Permit to Mike Shank/NS Promotions for the “Independence Day 5K Race” on the streets in the Market Common area and at Grand Park on July 4, 2022, between the hours of 6:00 and 10:00 a.m. The City Manager is authorized to make changes to these plans as he deems necessary in keeping with the nature of the event, and as circumstances dictate.

This request includes rolling closures for portions of the following streets: Farrow Parkway, Pampas, Myers and Forbus Court.

Motion M2022-089 to approve a Special Event Permit to NS Promotions for the “2022 Turkey Trot 5K Race” on the streets in the Market Common area on November 24, 2022, from 6:00 to 11:00 a.m., with take down completed by noon. The City Manager is authorized to make changes to these plans as he deems necessary in keeping with the nature of the event, and as circumstances dictate.

It is anticipated that there will be at least 1,200 runners for this event. This request includes rolling closures for portions of the following streets: Farrow Parkway, Pampas, Forbus and Myers. No in-kind services are requested.

Motion M2022-090 to accept a donation of \$10,000 from Ms. Carol W. Conner for beach walkover maintenance activities to promote beach maintenance and accessibility. No local match is required.

The 34th Avenue North walkover, stairs and sand level had been improved in a timely and adequate fashion at the request of local beachgoer Barbara Enrick. After a responsive and well-executed beach nourishment project on 34th Avenue North, these funds were donated due to satisfaction with city employees' actions and will be used for future beach walkover maintenance activities.

Motion M2022-091 to allocate \$7,500 in 2022 Accommodations Tax funding for the Waccamaw Arts and Crafts Guild.

During the distribution of the 2022 Accommodations Tax monies at the April 26, 2022, City Council meeting, a total of \$2,500 remained unused. And, an additional \$5,000 will reduce the amount of funding earmarked for city projects. This motion allocates these monies to the Waccamaw Arts and Crafts Guild. With this allocation, the Waccamaw Arts and Crafts Guild will receive a total of \$9,500 in 2022 Accommodations Tax funding.

Motion M2022-092 to appoint one member to the Technology Advisory Committee.

Sarah Bonnoitt, with HTC, is resigning her position with the Technology Advisory Group (TAG). HTC wishes to replace her with Kevin Cox, HTC's Strategic Account Advisor.

Via Motion M2019-189, City Council approved a 10-year gift agreement with HTC. Per the agreement, HTC will contribute \$250,000 over the course of the 10 years (\$125,000 in cash and \$125,000 in in-kind services). In consideration of this gift, HTC will appoint a member to the TAG board for as long as the agreement is in place. Currently, Sarah Bonnoitt is the HTC representative and HTC wishes to replace Ms. Bonnoitt with Mr. Cox.
