Re: Meeting Schedule and Agendas

1. Next week's [meeting schedule](#) is attached.
2. **Attention, city utility customers... Cycle three bills dated July 22, 2022, were delivered to the Greensboro, NC, Bulk Mail Center, where they remain!** The City of Myrtle Beach wants to assure customers that no penalties or cut-offs will occur for those affected by the post office's error. The balance will be rolled over to the next utility bill issued August 12, 2022. Customers may contact 843-918-1212 for a new copy of the bill, or stop by the Utility Billing Office in the City Services Building, 921 North Oak Street. We apologize for any inconvenience.
3. **And, Myrtle Beach city utility customers will notice a slight increase in their bills for water, sewer and stormwater service starting in August.** New rates approved in this year's budget will be reflected in your utility bills this month. Water and sewer charges increase slightly (4.0 and 5.0 percent, respectively), largely due to wholesale cost hikes passed on by Grand Strand Water and Sewer Authority. The city's stormwater fee also increases by \$1.67 per month, per ERU (equivalent residential unit). For a typical family using 4,000 gallons of water per month, these fee increases – combined – add \$4.25 per month to your utility bill. Solid waste fees did not change this year.
4. **The Myrtle Beach Police Department hosts a special Career Day for rising juniors and seniors from local high schools on Thursday, August 11, 9:00 a.m. to 5:00 p.m.** The event takes place at the Warren S. Gall Police Annex, 3340 Mustang Street. Breakfast and lunch will be provided. Students will spend the day with members of the Police

Department's many divisions, including K9, crime scene, dispatch, investigations, detention and more! For details, see <https://www.facebook.com/events/617904139518251/>.

5. **The annual Highway 15 "Back to School" event is set for 5:00 to 7:00 p.m. on Friday, August 12.** The event takes place beside Patrick Mobile Homes, 1908 Highway 15. For more information, contact the Neighborhood Services Department at neighborhoodservices@cityofmyrtlebeach.com or 843-918-1061.
6. **Another back to school party, collectively hosted by various groups in the community, is set for 10:00 a.m. to 2:00 p.m., Saturday, August 13, at Charlie's Place, 1420 Carver Street.** The event is made possible by a partnership between the City of Myrtle Beach's Lifelong Impacted Teen Advisory Board, Mary Riley, the Carver Street Economic Renaissance Corporation and Horry County Police Corporal Dwight Tomlin, Sr. A truckload of back to school necessities will be delivered to Charlies Place to include non-perishable foods (snacks, lunches and dinners) and household items (laundry detergent, dish detergent, etc.).
7. **The Myrtle Beach Pelicans host a special "Touch a Truck" event from 3:00 to 7:00 p.m. on Sunday, August 14.** The free event takes place in the stadium parking lot, 1251 21st Avenue North. Perfect for the whole family, the event includes vehicles from the Myrtle Beach Fire, Police and Public Works Departments, with staff attending to answer questions and interact with event attendees.
8. **The annual Back to School Prayer Walk begins at 5:00 p.m. on Sunday, August 14, at Doug Shaw Memorial Stadium, 705 33rd Avenue North.** Community members representing all faiths and belief systems are invited to attend and walk around the schools ahead of the beginning of the school year to show support to our Myrtle Beach students.
9. **The city's Neighborhood Services Department hosts monthly Beachside Chats to discuss race and healing with community members at Charlie's Place, 1420 Carver Street.** The August event follows the annual Back to School Prayer Walk and includes food, fun and fellowship! For information, call 843-918-1061.
10. **The city's July 2022 list of new business licenses is now available.** The list, published monthly, is available on the [Issued Business Licenses](#) webpage.
11. **A comprehensive list of activities and city events is available on our [Events](#) webpage.** This file of city-related festivals, programs and more is updated weekly.
12. **New sidewalk handrails are being installed along five blocks of Ocean Boulevard, and that's the subject of our [Photos of the Week](#).** The metal railings are designed to separate people on foot from those in a car. The wrought-iron-looking handrails not only keep people from stepping into the roadway, but also provide visual cues about where the road stops and the sidewalk begins. Plus, they look good and give the boulevard some style! The four foot high handrails are being installed from Seventh Avenue South to 12th Avenue North. The million dollar project includes new trashcans, too, and a safe place to walk. The work is expected to take several more weeks to complete. These photos were shot in the early morning hours, after the construction team had left for the day. The work is being conducted overnight to avoid disrupting summertime traffic.

13. Did you know... That songwriter Harrison Elliott wrote a new tune about Myrtle Beach back in 1951? The sheet music for Elliott's "Myrtle Beach, S.C." was published by The South Carolina Musician in Andrews, S.C. Here's that blast from the past, to be sung *allegretto moderato*! (Many thanks to Robert Shelley for bringing this to our attention some years ago.)

Myrtle Beach, S.C.

Words and music by Harrison Elliott

Come on to Myrtle Beach, S.C.
And swim the ocean blue with me.
Then we'll stroll in the sand
Of the nation's finest strand
Sweetheart, you and me.

And under Carolina skies
By the old Palmetto trees
Where the breezes below
I'll say I love you so
Down in Myrtle Beach, S.C.

NON-AGENDA ITEMS FROM THE PUBLIC (30 MINUTE TIME LIMIT)

CONSENT AGENDA – *The Consent Agenda covers items anticipated to be routine in nature. Any Council member may ask that an item be moved from the Consent Agenda to the Regular Agenda for lengthier discussion, or a member of the public may request that such an item be moved. Items remaining on the Consent Agenda will be briefly described by staff and may be passed as a group with the approval of the agenda.*

Note: *City laws are known as ordinances. Before a city ordinance can be enacted, it must be introduced (1st Reading) and then approved (2nd Reading). Resolutions are actions through which City Council reinforces or makes policy not rising to the level of law. Motions are related to direction from City Council to city staff to take certain actions.*

Motion M2022-121 authorizing the City Manager or his designee to: apply for a grant of \$37,475 from the Edward Byrne Memorial Justice Assistance Grant (JAG) Programs; record the appropriation of such grant funds in the amount that may be

approved; and, execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. No match is required.

The purpose of the grant is to purchase ballistic shields to enhance protection during response scenarios. These ballistic shields would be rated by the National Institute of Justice (NIJ) as “level III protection” and have the power to stop high-powered rifle threats. The shields act as a portable cover for officers and can be used in conjunction with duty pistols and patrol rifles.

This motion begins the 30-day review period for JAG grants and contains assurances that the governing body notification and public comment requirements of the program have been satisfied. This motion documents that the JAG application was made available for review by Council for at least 30 days, and that an opportunity to comment on this application was provided.

Motion M2022-122 authorizing the City Manager or his designee to: apply for a grant in the amount of \$120,000 from the South Carolina Department of Parks, Recreation, and Tourism – Park and Recreation Development Fund (PARD); record the appropriation of such grant funds in the amount approved; and, execute and deliver the grant agreement and such related documents as may be required to put the grant into effect. A local required match of \$24,000 is available in the Parks Division’s playground improvements capital improvements budget.

The grant funding will be used to purchase and install a splash pad in Futrell Park. The splash pad will include drainage and a regulated water system that has a flow rate of up to 74 gallons per minute. The Horry County Legislative Delegation endorses the projects and recommends an amount for funding. Projects need the endorsement of the majority weighted vote factor of County Legislative Delegation members.

Motion M2022-123 to approve a Special Event Permit to Grand Strand Brewing/Dirty Don’s Oyster Bar and Grill for the “Downtown Oyster Roast and Beer Festival” to be held on October 29, 2022, from 12:00 to 7:00 p.m. The City Manager is authorized to make changes to these plans as he deems necessary in keeping with the nature of the event, and as circumstances dictate.

The event will be held in Nance Plaza and on Ninth Avenue North. The event will include food vendors, live music, retail vendors and beer and wine sales. The event will include a road closure of Ninth Avenue North, from Kings Highway to Broadway Street.

Motion M2022-124 to approve a \$2,000 donation from the Solicitors Intervention Program EPIC.

The funding will be used to purchase equipment for the Myrtle Beach Police Departments Project Lifesaver Program. The primary mission of Project Lifesaver is to provide timely response to save lives and reduce potential injury for adults and children with the propensity to wander due to a cognitive condition.

Motion M2022-125 to approve the City Manager or his designee to renew and enter into a Mutual Aid Agreement between fire departments within Horry and Georgetown Counties as governed by the Executive Committee of the Horry-Georgetown Fire Chief’s Association.

This updates and renews the local mutual agreement. A formal mutual aid agreement has been in place between local fire departments for decades. When approved, fire departments in Horry and Georgetown Counties are eligible to receive and provide assistance to one another when requested. The agreement is valid for five years.

REGULAR AGENDA

2nd Reading Ordinance 2022-035 to amend the Code of Ordinances, City of Myrtle Beach, Appendix A Zoning Article 14 zoning districts, to allow auto parts stores in the MUM zoning classification.

The applicant has a potential auto parts retail tenant willing to occupy a portion of the former Food Lion plaza space on Hwy 501. The applicant is hoping to fill the remainder space with a tenant that offers groceries for sale. Motor vehicle part stores are permitted in the Highway Commercial (HC1, HC2), Light Manufacturing (LM) and Wholesale/Manufacturing (WM) zoning districts. MU-M is a form-based zoning district with a variety of permitted uses and strict design guidelines. Motor Vehicle Part Stores are regulated separately and differently than Motor Vehicle Repair and Maintenance businesses. Approval of this request would not result in automobile repair shops in MU-M. On July 19, 2022, the Planning Commission voted to recommend approval (6-0).

2nd Reading Ordinance 2022-036 to amend the Code of Ordinances, City of Myrtle Beach, Appendix A Zoning Article 15 Conditional and Accessory Uses and Special Exceptions, to: allow developments in MU-H (Mixed Use – High Density) Districts to install required parking on adjacent property zoned RMH (Multifamily Residential High Density); clarify the code regarding parking lot proximity to the primary use; and, strengthen landscape buffering requirements.

Applicant wishes to demolish the Mariner Hotel and develop a commercial product that requires additional parking. The property is split zoned between MU-H along Ocean Boulevard and RMH in the rear. Currently, parking lots are only allowed in the RMH under two circumstances:

- *An accessory to an RMH use (example is a parking lot in an apartment complex)*
- *An accessory to an abutting or adjoining use in an MU-M district (example is a restaurant in MU-M with parking on an adjoining lot in an RMH district)*

The request is to allow the same for a use in an abutting or adjoining MU-H district. The ordinance also recommends strengthening the landscape buffer requirements to the parking lots that abut, or share a property line with, the MU property to which it is an accessory. The ordinance, if adopted, would double the size of the required landscape buffer. On July 19, 2022, the Planning Commission voted to recommend approval (6-0).

2nd Reading Ordinance 2022-037 to amend the Code of Ordinances, City of Myrtle Beach, Appendix A Zoning Article 14 Zoning Districts and 15 Conditional Uses, to: add golf cart rentals as a conditional use in the Amusement (A), Entertainment (E), and Highway Commercial (HC) Zoning Districts; and, align the city zoning code with changes in state law regarding golf cart registration requirements.

Due to the popularity of moped rentals, the city put in place regulations regarding the location and operations of moped rental establishments. In recent years, the city has seen a similar trend in short-term golf cart rentals. The city's Zoning Code currently does not specifically address golf cart rentals, and it has been applying moped rental regulations to golf cart rental establishments. Since golf carts are no longer viewed as the same as

mopeds, staff suggests adding “golf cart rental and sales establishment” to the code as a Conditional Use with the same conditions as “moped rental and sales establishment,” and to adjust those conditions accordingly. On July 19, 2022, Planning Commission voted to recommend approval (6-0).

Motion M2022-126 to declare certain vehicles abandoned or derelict pursuant to the authority of Article 41 of Title 56 South Carolina Code of Laws 2001.

This declaration is an effort to improve the appearance of both commercial and residential neighborhoods. This report includes vehicles staff tagged as abandoned or derelict. Council’s approval allows these vehicles to be towed from their private property locations to a tow yard where they may be reclaimed by the current owner upon payment of the applicable towing and storage fees. If the vehicles are not claimed by the owner within 30 days of the required notice, then the tow company may sell the vehicle and keep the proceeds as compensation.
