**Work Classification:**                      New                       Renewal                       Renewal with Changes

**Total Square Footage of Encroachment:**

**Initial the following as being attached to this application:**

	A copy of current insurance certificate for public liability, food product liability, liquor liability (where applicable) and property damage in the amounts of One Million (\$1,000,000.00) Dollars with the City of Myrtle Beach included as an additional insured.
	Application Fee = Total Square Footage of Encroachment x \$1.00

**Initial the following as being attached to this application for NEW OR CHANGES TO EXISTING CAFÉS ONLY:**

	Copy of valid City of Myrtle Beach business license.
	A scale drawing showing the layout and dimensions of the total sidewalk, area for café use, placement of objects shown, location and description of tables, chairs and materials. This drawing shall be signed and dated. (City Code 19-3.1.5)
	Photographs, drawings, or manufacturer's brochures describing the appearance of all proposed tables, chairs, planters, and other related objects.
	Photographs showing the current storefront.

**Check the area in which your business is located:**

	Cafes located on 9th Avenue North between Nance Plaza and Broadway Street, West side only of Nance Plaza, East side only of Broadway between 9th Avenue North and Oak Street, East side only of Oak Street between Broadway Street and 8th Avenue North, 8th Avenue North between Oak Street and Kings Highway, Main Street between Oak Street and Kings Highway, South side of Main Street between Broadway Street and Oak Street, Broadway Street between US Highway 501/Main Street and 4th Avenue, C-6 Zones. These areas shall maintain a minimum of four (4) feet clearance for pedestrian passage. The Director may require more clearance if necessary to protect the public safety or handicap access.
	Cafes located on the Boardwalk from Plyler Park to 1st Avenue North, provided however that there can be no more than 12 feet encroachment on the public way, and there must be not less than 12 feet of pedestrian passage on the Boardwalk abutting the cafe. The Director may require more clearance if necessary to protect the public safety or handicap access.
	Cafes located on sidewalks from the Boardwalk extending to Ocean Boulevard on 9th Avenue North and the non-park rights of way and public alleys on the northern and southern boundary of Plyler Park, provided however, that the café encroaches no more than 12 feet into the public way, and there must not be less than 12 feet of pedestrian passage. The Director may require more clearance if necessary to protect the public safety or handicap access.
	Cafes located on the existing soft encroachment area from 8th Avenue North to the southern terminus of the Boardwalk (Boardwalk adjacent cafes) provided, however, that encroachment is no more than 12 feet from the private property line, and the encroachment may be composed of paver, brick or weatherproof decking on the surface, not higher than 6 inches from the finished grade. The Director may require more clearance if necessary to protect the public safety or handicap access.

*I hereby certify that as the permittee I shall defend, indemnify and hold harmless the City, City officers and City employees from claims for damage to property or injury to persons which may occur in connection with an activity carried on under this permit.*
