**THE SENATE
STATE OF MICHIGAN**

Department of Labor and Economic Development,

I write to you in support of the Recreation Authority of Roseville and Eastpointe's (RARE) grant application.

RARE is requesting funding for a recreational facility that is shared by both Roseville and Eastpointe communities and is decades old. RARE is hoping to renovate the area inside of the building that was last updated in the 1980s to meet today's modern needs. Not only are they updating dated walls and flooring, they also plan on updating technology in the rooms to better serve the residents. These rooms are used by residents and those in neighboring communities as a gathering place for all sorts of meetings. The rooms will be friendlier for birthday parties, family reunions, and holiday parties, but will also be better equipped to hold programs such as Hunter Safety Classes, Boater Safety Classes, and various organizational meetings held by RARE. In receiving this funding, residents of Roseville and Eastpointe will have an updated location to gather and hold meetings.

I enthusiastically support this renovation project and believe that funding this project will help to improve the lives of both Roseville and Eastpointe families as well as families in the neighboring communities.

Sincerely,

Senator Veronica Klinefelt

Dear Michigan Community Center Grant Program:

Subject: Support for (The Roseville Recreation Authority Recreation Project.)

On behalf of Michigan's 62nd House District, I am respectfully submitting, this letter of support for the MI Community Center Grant program application from the Roseville/Eastpointe Recreation Authority with renovation of meeting rooms in the Recreation Authority Center.

The grant funding for this project will bring important updates to the community. The proposed Recreation building project includes replacing the flooring, updating the walls, installing drop-down screens and projectors, replacing doors, and changing the room-divider walls to a powered system (as opposed to manual). These rooms have been basically the same since their initial construction in 1981, and this renovation project will benefit all users of these rooms and allow for expanded programming opportunities and community engagement.

If funded, I am of the strong opinion that the project would not only increase local economic activity, but it will also enhance access for all age levels and support the community development.

Therefore, with the above reasons in mind, please accept this letter as a voice of my support for The Roseville/Eastpointe Recreation Authority to be a recipient of the MI Community Center Grant program.

Sincerely,

A handwritten signature in blue ink, reading "Alicia St. Germaine", is located below the "Sincerely," text.

Re: Recreation Center Room Renovations

To Whom It May Concern:

It is an honor to support the Recreational Authority of Roseville and Eastpointe's (RARE) application for 'Recreation Center Room Renovations' for the MI Community Center grant opportunity.

The City of Eastpointe and the City of Roseville created RARE in 2011 under Public Act 321 of 2000 to provide recreational programming and services to the residents of the two communities. RARE owns and manages the Recreation Center located at 18185 Sycamore, Roseville, Michigan.

RARE provides a wide variety of programs at the Recreation Center for residents of all ages, from enrichment and sports for children, to exercise, games and travel opportunities for seniors. RARE is also creating therapeutic recreation opportunities for youth, teens and adults with special needs.

RARE is proposing to replace walls, flooring and doors in three outdated meeting rooms at the Recreation Authority, and to install drop-down projector screens and projectors in two of the rooms. These rooms are in the same condition since the construction in 1981. The renovation of these rooms and updating of the technology will enable RARE to expand programming for the residents of the two communities.

Thank you in advance for your consideration.

Sincerely,

Mariah Walton

An Eastpointe man is recovering after being shot in the chest by a relative at the John F. Kennedy Memorial Park on Saturday night, according to police.

Police reported officers were flagged down about 8 p.m. by the victim at the park on Schroeder Avenue and Stephens Road. The victim's car had three bullet holes in it, police said Sunday in a news release.

The victim told investigators he had been talking to his brother when the discussion escalated into an argument. According to the release, the brother pulled out a gun and fired several times, striking the victim in the chest.

Police said the victim was transported to an area hospital where he is reported to be temporary serious condition. They did not say what the two men were arguing about.

The suspect was later arrested in the area of Hayes Road and Harper Avenue on Detroit's east side, officers said in the release.

Names of the suspect and victim were withheld by police. Information will be submitted on Monday to the Macomb County Prosecutor's Office for a determination on criminal charges.
