## **ARTICLE XIII**

### **REVENUE SOURCES, BUDGETING, AND FINANCING THE AUTHORITY**

#### **Revenue Sources**

The Authority shall have the power to assess and collect fees, rents, tolls, excises, and service charges; to borrow money and issue revenue bonds in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended; to borrow money and issue bonds on the credit of the Authority a sum not to exceed 2 mills of the taxable value of the taxable property within the territory of the Authority for the purpose of acquiring, owning, purchasing, constructing, maintaining or operating a system of parks and recreational facilities or any combination thereof; and to appropriate money annually for Authority purposes and to lay and collect taxes for Authority purposes in a sum not to exceed one (1)

mill provided that it is approved in each participating municipality by a vote of the electorate, as provided in Act 321, and to raise revenue by any other levy or bond issuance authorized by Act 321. The term of any bond, note, land contract, installment purpose contract or other borrowed money shall not extend beyond the last day of the fiscal year of a property tax authorized under Article XIII.

## **Financing the Authority**

### **A. Property Tax Levy**

The Authority may levy a tax on all taxable property within the territory of the Authority as authorized by Section 11 of Act 321. For so long as the Authority is funded by a levy as authorized by Section 11 of Act 321, the imposition of such a levy shall preclude the Authority from requiring any further financial contributions from each participating municipality. Nothing in this paragraph shall be construed as preventing a participating municipality, by action of its governing body, from providing additional contributions to the Authority, for either general or a specific use.

Prior to making a final determination to levy a tax, as provided above, the Board must receive the approval of the legislative body of each participating ~~municipalities~~ municipality. Additionally, the Authority may levy the tax only upon the approval of a majority of the electors in each of the participating municipalities of the Authority.

### **B. Borrow Money/Issue Bonds ~~Or~~ or Notes**

The Authority may borrow money and issue bonds or notes to finance the acquisition, construction and improvement of a public park, including the acquisition of sites and the acquisition and installation of furnishings and equipment. Prior to making a final determination to borrow money or issue bonds or notes, as provided above, the Board must receive the approval of the legislative body of each participating municipality. The Authority shall not borrow money or issue bonds or notes for a sum that, together with the total outstanding bonded indebtedness of the authority, exceeds 2 mills of the taxable value of the taxable property within the district as determined under section 27a of the general property tax act, 1893 PA 206, MCL 211.27a. Bonds or notes issued by the Authority are a debt of the Authority and not of the participating municipalities. A tax levied to pay a bond or note obligation by the Authority under Act 321 shall not exceed five (5) years without the approval of a majority of the electors in each of the participating municipalities of the authority.

## **Budgeting**

The Board shall prepare a proposed annual operating and capital budget reflecting the projected revenues and projected expenditures of the Authority for the next fiscal year beginning July 1. The Board shall adopt the proposed budget by a majority vote of the members of the Board in such a manner as to assure that said budget is approved prior to July 1 of the year it is to commence. The Board's approval by majority vote shall be the final approval required for the budget. The budget may be amended from time to time upon approval of a majority of the Board. Nothing in this subsection shall be construed to require a participating municipality to fund the Authority with any general fund monies without the approval of said funding by that participating municipality's governing body, which shall retain the discretion to approve or deny general fund monies to the Authority during the time periods to which this subsection applies. The accounting and budgeting practices of the Authority shall conform with standard accounting practices, the Uniform Budgeting and Accounting Act, Act 2, Public Acts of Michigan, 1968, as amended, and all other applicable provisions of law.

## **ARTICLE XIV**

## **LIABILITIES**

Notwithstanding the above, the Authority's participation in any program of self-insurance will require approval of all participating municipalities.

The Authority must secure and maintain comprehensive general liability insurance, business automobile liability insurance, and if it employs any personnel, workers compensation and employer's liability insurance. The minimum liability level limits for such insurance shall be as follows:

Workers Compensation-Statutory

Employer's Liability- \$500,000.00 each person

The Authority must indemnify any participating municipality against any general losses, damages or liabilities due to the service and activities of the Authority or participation in the Authority up to the Authority's liability insurance policy limits.

## **ARTICLE XV**

### **PARTICIPATING MUNICIPALITY WITHDRAWAL**

A participating municipality shall not withdraw from the Authority during the period that a tax is authorized to be levied by the electors of the Authority.

A participating municipality may withdraw from the Authority, subject to the limitation in the first paragraph of this Article, by resolution of the participating municipality's legislative body approving the withdrawal. A certified copy of the resolution shall be provided to the Board at least three (3) months prior to the beginning of a new fiscal year for the Authority. Such new fiscal year shall serve as the effective date for the withdrawal.

A participating municipality that withdraws from the Authority shall remain liable for a proportion of the debts and liabilities of the Authority incurred while the participating municipality was a part of the Authority. The proportion of the Authority's debts for which a participating municipality remains liable as a result of this withdrawal from the Authority shall be determined by dividing the state equalized value of the real property in the participating municipality by the state equalized value of all real property in the Authority on the effective date of the withdrawal.

Any property owned by the Authority, which is in the possession of the withdrawing municipality or in the possession of personnel who will no longer remain with the Authority as a result of the participating municipality's withdrawal from the Authority, shall be returned to the Authority before the effective

date of the withdrawal. The withdrawing municipality shall not be entitled to the return of any credit for any property or money it transferred to or paid to the Authority prior to the withdrawal.

## **ARTICLE XVI**

The Authority may be dissolved by the concurring resolution of the governing body of a majority of the participating municipalities of the Authority at the time of such dissolution. Prior to dissolution of the Authority, any outstanding indebtedness of the Authority, including any bonds issued under Section 21 and/or Section 23 of Act 321 shall be paid. Any assets of the Authority remaining after the payment of any such outstanding indebtedness shall be distributed evenly to the participating municipalities of the Authority at the time of the dissolution. In all instances, the participating municipality in which said real estate is located shall be given the right of first refusal on the purchase of said real estate. In the event of a dissolution following a period of property tax levy by the Authority, any funds obtained via levy, and/or property purchased by such funds, which are subsequently distributed to the participating municipalities pursuant to this Article shall be assigned by the participating municipalities to public purposes consistent with the purposes approved by the electorate for the original levy.

In the event that, at the time of dissolution, the Authority is in possession of lands acquired with, or developed with, in whole or in part, grant funds from the Michigan Natural Resources Trust Fund (hereinafter the "MNRTF"), and/or Land and Water Conservation Fund ("LWCF") and/or Recreation Passport Grant Funds; the rules and regulations governing the disposition of such lands as adopted by the MNRTF Commission, or its designee, shall control. In the event that any grant, loan or contribution shall require a ~~long-term~~ long-term obligation as to the use, maintenance, or operation of a specific piece of property, the approval of the governing body of the participating municipality in which such property is located shall be required prior to the acceptance of the grant, loan, or contribution by the Authority.

## **ARTICLE XX**
