COMMUNICATIONS

COUNCILMEMBER GAVIN: stated that the next Environmental Advisory Committee (EAC) meeting will be June 16th at 6:30 pm on the second floor of the public safety building and he also mentioned that the May meeting was canceled. He said that the next Planning Commission meeting will be May 24th at 7:00pm in the council chambers. Finally, he thanked the Berkley Days Committee and everyone else that made the Berkley Days event possible.

COUNCILMEMBER VILANI: said that she had a few quick updates from the Berkley Chamber of Commerce. She stated that the next Chamber Chat is this coming Friday from 8:30 – 9:30 am at Pinsperation and no registration is required. She said encouraged everyone to subscribed to the Berkley Local Podcast if they had not done so already and mentioned that the latest podcast featured Berkley Chamber President, Tim Murad, and he will be talking about volunteering in the city and what the real estate market is like right now. She also talked about the Berkley Cares Food Pantry and encouraged everyone to visit their website, berkleycaresfoodpantry.com, and also said that they will be having a donation day coming up this Friday. Finally, she said that the Berkley Cares Food Pantry needs non-perishable food items.

MAYOR PRO TEM DEAN: said that the Parks and Recreation Department will be having a senior picnic on June 8th and it is free. She did mention that in order to register for the senior picnic you will need to call the Parks and Recreation Department at (248) 658-3470. She extended a big thank you to all the donors for the Jaycee Park improvements. She said that the Parks and Recreation Department not only met their \$50,000.00 goal but exceeded it as well and in return they will receiving a \$50,000.00 matching grant from the Michigan Economic Development Corporation. (MEDC).

COUNCILMEMBER BAKER: said that the Historical Committee would like to remind everyone that May 29th will be Berkley's 90th anniversary for becoming a city and next year will be Berkley's 100th anniversary becoming a village. He said the Historical Committee last met on May 10th at 7:00 pm and they are currently continuing to work on the next collectible mug and they are also working on inventorying and cataloging the artifacts in the museum in a software package. He that visitors are always welcome to the Historical Museum and they are open Wednesdays from 10:00am – 1:00 pm and Sundays from 2:00 – 4:00 pm and you can also visit them online at berkleyhistory.com. He said that the Downtown Development Authority (DDA) had their last meeting on Wednesday, May 11th. He thanked everyone that helped with the Downtown Block Party on Sunday, May 1st. He stated that the next Downtown Block Party will be June 26th and will be called Berkley Pride. He said that the next Ladies Night Out will be on

Thursday, June 2^{nd} along Coolidge and 12 Mile from 5:00 - 9:00pm. He also gave a list of all the new businesses that have either recently opened or will be opening in the downtown area. He quoted Angela Davis, "In a racist society, it is not enough to be non-racist, we must be anti-racist." He talked about the latest mass shooting in Buffalo, New York where 10 innocent Americans were shot and killed. He said that hatred and division is not American and we cannot tolerate this. He mentioned that during the meeting they passed two proclamations, one promoting the LGBTQIA+ community and the other raising awareness against gun violence. He also talked about the importance of love, understanding, compassion, and inclusion of everyone. Finally, he told everyone to stay safe and to hug someone they love.

COUNCILMEMBER PRICE: said that her communications tonight is very much focused on expressing gratitude to the City's volunteers. She continued to say this is the season of great events like Berkley Days and recognized that volunteers are who helped to make it happen and how well attended and well organized it was. She also wanted to thank the residents who are volunteering their time to participate in the current stakeholders' sessions about branding. She emphasized how we need to work to together as a community so the new brand represents Berkley as a whole and she is grateful for everyone that is doing that. She also thanked the residents who submitted comments and showed up tonight and she said that by having City Council pass the National Gun Violence Awareness Day proclamation and also the proclamation proclaiming June 2022 LGBTQIA+ Month is recognizing the wishes of the residents in the community.

COUNCILMEMBER HENNEN: gave an update with the Tree Board and talked about how with the Spring Tree Planting they will be adding 30 new trees in the easements and this is the results of one of the two grants that was received. They are also following up on the tree preservation as a part of the Cornwall Kenmore Project. The next meeting before the Tree Board takes a summer hiatus will be Monday, May 23rd in the council chambers. He said at the last Zoning Boards of Appeals (ZBA) meeting, they heard two cases. The first case they approved a salon on Coolidge with no parking after the previous building owner sold his parking lot to a neighboring business. For the second case, they approved changing the text to a non-conforming sign on Woodward. He said that the next ZBA meeting will be on Monday, June 13th and they will be hearing at least one case regarding approving a larger sign than what is allowed. Finally, he talked about how that he thinks that they need to look at their current grading standards. He requested to consider at least a partial enforcement moratorium for smaller projects at the next City Council meeting while they work on fine tuning that ordinance. He said so that there is a balance with protecting people from flooding while at the same time encouraging development.

<u>CITY MANAGER BAUMGARTEN</u>: thanked Berkley Days and said how the volunteers do a great job and he also thanked the Parks and Recreation Department for helping to provide the space needed for the event as well. He also thanked the Finance Department as well as the Department Directors since they had asked them to give up more the usual for their budgets this year.

ATTORNEY STARAN: had nothing to report this evening.

MAYOR TERBRACK: thanked the Berkley Days Association and said how it incredibly well attended Berkley Days was. He congratulated the Mom's and Dad's Club for their win last Thursday as well. He also congratulated the Berkley Education Foundation and the group's Off to the Races Event that helped raise money for the foundation. He recognized the recent rise in COVID cases and encouraged everyone to be safe. Finally, he talked about how there are people that still are resorting to social media instead of having open dialogue to resolve the issues they have with the City.

A RESOLUTION

of the Council of the City of Berkley, Michigan authorizing the West Nile Virus Expense Reimbursement Request

- WHEREAS, Upon the recommendation of the Oakland County Executive, the Oakland County Board of Commissioners has established a West Nile Virus Reimbursement Program to assist Oakland County cities, villages, and townships in addressing mosquito control activities; and
- WHEREAS, Oakland County's West Nile Virus Fund Program authorizes Oakland County cities, villages, and townships to apply for reimbursement of eligible expenses including mosquito larvicide material charges; and
- WHEREAS, the City of Berkley, Oakland County, Michigan has incurred expenses in connection with mosquito control activities believed to be eligible for reimbursement under Oakland County's 2022 West Nile Virus Reimbursement Program.

NOW, THEREFORE, THE CITY OF BERKLEY RESOLVES:

That the Mayor and City Council authorize the Director of Public Works, as an agent for the City of Berkley, to request reimbursement of eligible mosquito control material expenses under Oakland County's 2022 West Nile Virus Fund Program.

Introduced and Passed at a Regular City Council Meeting on Monday, June 6, 2022.

Daniel Terbrack, Mayor

Attest:

Victoria Mitchell, City Clerk

I, Victoria Mitchell, being duly appointed City Clerk of the City of Berkley, hereby certify that this is a true and correct copy of Resolution **No. R-10-22**, which was approved by the Berkley City Council at its regular meeting held on Monday, June 6, 2022.

Date: May 10th, 2022

Subject: 2022 Oakland County West Nile Virus Reimbursement Program Resolution for May 16th, 2022 City Council Meeting

As part of our participation in the 2021 Oakland County West Nile Virus Reimbursement Program, we are required to provide the attached resolution to the County by mid-June. This resolution authorizes staff to request reimbursement of program supplies.

On March 29th, 2022 the DPW submitted a West Nile Project Plan to Oakland County which outlined the planned activities for the calendar year. Our program focuses on the reduction of the Culex mosquito population by limiting breeding sites within the public right-of-way. This is accomplished each spring via the placement of larvicide tablets in approximately 1,600 storm structures (catch basins).

Berkley switches product every few years to reduce the likelihood of material resistance. The current larvicide is Altosid XR as supplied by Clarke Mosquito Control. The extended release tablets have a 150 day residual providing coverage throughout the summer and early fall.

The Oakland County Program provides for a <u>partial</u> reimbursement of our material costs based on population and road mileage. We anticipate a reimbursement of \$1844.72 for calendar year 2022. See table below for a history of reimbursements:

PROGRAM YEAR	REIMBURSEMENT
2012	\$2,093.68
2013	\$2,010.84
2014	\$1,920.35
2015	\$1,920.35

What You Need to Know

WHAT IS WEST NILE VIRUS (WNV)?

West Nile virus (WNV) is a seasonal epidemic in North America that flares up in the summer and continues into the fall. It can infect humans, birds, horses, and some other mammals. In a small number of people infected by the virus, the disease can be serious, even fatal.

HOW IS WNV SPREAD?

- WNV is most often spread to humans by the bite of an infected mosquito. The mosquito becomes infected by biting a bird that carries the virus. Horses and other mammals bitten by mosquitoes that carry the virus can also become infected. Whenever mosquitoes are active, there is a risk of getting WNV; however, the risk is highest from late July through September.
- In a very small number of cases, WNV has been spread through blood transfusions, organ transplants, breastfeeding, and during pregnancy from mother to baby.
- WNV is **not** spread through casual contact such as touching or kissing a person with the virus.

WHAT ARE THE SYMPTOMS OF WEST NILE VIRUS?

If symptoms develop, they typically appear 3 to 14 days after the bite of an infected mosquito.

- Serious symptoms in a few people. About one in 150 people infected with WNV will develop severe illness. Symptoms can include high fever, headache, neck stiffness, stupor, disorientation, coma, tremors, convulsions, muscle weakness, vision loss, numbness, and paralysis. These symptoms may last several weeks, and neurological effects may be permanent.
- **Mild symptoms in some people.** Up to 20% of people who become infected display symptoms such as headache, body aches, joint pains, vomiting, diarrhea, rash, and swollen lymph glands. Most people with mild illness recover completely, but fatigue and weakness can last for weeks or months.
- No symptoms in most people. Most people (80%) infected with WNV do not have any symptoms.

WHAT IS THE TREATMENT FOR WNV?

There is no treatment for WNV infection. Illness may last weeks to months, even in healthy persons. In more severe cases people may need hospital care for supportive treatment such as intravenous fluids, pain medications, and nursing care.

WHAT SHOULD I DO IF I THINK I HAVE WNV?

Mild WNV illness usually improves without medical attention. Seek medical attention immediately if symptoms of severe WNV illness develop, such as unusually severe headaches or confusion; this may indicate encephalitis (inflammation of the brain) or meningitis (inflammation of the membranes that surround the brain and spinal cord). Severe WNV illness usually requires hospitalization. Pregnant women and nursing mothers who develop symptoms that could be WNV are encouraged to see their health care provider.

WHO IS AT RISK OF GETTING SICK FROM WNV?

• People over the age of 50 years are more likely to have serious illness with WNV and should take special care to avoid mosquito bites.

- Being outside increases the risk of being bitten by an infected mosquito. Taking steps to avoid mosquito bites when outside working, playing or relaxing will lower your risk of getting sick from WNV.
- The risk of getting WNV through blood transfusions and organ transplants is very small and should not prevent people from having surgery. All donated blood is screened for WNV (and many other viruses) before being used. If you have concerns, talk with your health care provider.
- Pregnancy and nursing do not increase the risk of becoming ill from WNV, and the risk that WNV may pass to a fetus or an infant through breastmilk is still being evaluated. Talk with your health care provider if you have concerns.

HOW CAN WEST NILE VIRUS BE PREVENTED?

The best way to prevent EEE infection is to prevent mosquitoes from biting you.

- Use Environmental Protection Agency (EPA)-registered insect repellant.
 - All EPA-registered insect repellants are evaluated for safety and effectiveness, and will contain DEET, picaridin, IR3535, Oil of Lemon Eucalyptus or para-menthane-diol as the active ingredient. Repellents containing a higher percentage of the active ingredient typically provide longer-lasting protection. Always follow the product label instructions.
 - Be careful using repellent on the hands of children as it may irritate the eyes and mouth.
- Get rid of mosquito breeding sites by removing standing water around your home:
 - Turn over any type of container that can collect water. Once a week, empty out items that hold water such as tires, buckets, planters, toys, pools, birdbaths, pet bowls, flowerpots, and trash containers.
 - Clean clogged roof gutters, particularly if leaves tend to plug up the drains.
- Treat standing water that cannot be eliminated, such as retention ponds or drainage ditches, with a mosquito larvicide. Mosquito larvicide is easy to use and can be purchased at most home improvement stores.
- Wear protective clothing such as long-sleeved shirts and pants.
- Limit outdoor activity from dusk to dawn when mosquitoes are most active.
- Maintain window and door screens to keep mosquitoes out of buildings. Do not prop open doors.

<u>A PROCLAMATION</u> of the Council of the City of Berkley, Michigan Declaring June 19, 2022, to be Juneteenth Celebration Day

- WHEREAS, Juneteenth is a holiday marking the end of slavery in the United States; and The State of Michigan began recognizing Juneteenth as an official state holiday in June WHEREAS. 2005 with the passage of PA 48 of 2005; and WHEREAS. Millions of African-Americans were captured and brought to this country as slaves in the inhumane conditions of slave ships that sailed across the Atlantic Ocean; and WHEREAS, While approximately 11.5 million African-Americans survived the inhumane conditions, it is acknowledged that many millions of African-Americans did not survive the passage; and WHEREAS, It is recognized that slavery then existed in this country for more than 200 years until the United States Congress passed the Thirteenth Amendment of the Constitution, abolishing slavery throughout the country, on January 31, 1865; and WHEREAS, Union Army General Gordon Granger arrived in Galveston, Texas several months after the passage of the amendment, and one of his first actions was to read General Order #3, which stated that all slaves are free and that former masters and slaves have absolute equality of personal and property rights; and Following General Granger's reading of General Order #3 celebrations erupted as slaves WHEREAS, learned of their freedom, and subsequently, June 19th (Juneteenth) became the emancipation date for those long-suffering for freedom; and Since then, Juneteenth has been known as the oldest celebration commemorating the end of WHEREAS, slavery in the United States; and WHEREAS, This tradition of celebration has remained strong in recognizing the great triumph against the cruelty of slavery, and honoring and respecting the strength, endurance, and immense resilience of all African-American ancestors who endured the shackles of slavery and those who persevered to see its end; and citizens must join together to acknowledge the history of slavery and the oppression which WHEREAS, followed its ending, and to further carry forward the ideals of equality and democracy for all regardless of a person's racial identity. NOW, THEREFORE, THE COUNCIL OF THE CITY OF BERKLEY HEREBY PROCLAIMS
- **SECTION 1:** That June 19, 2022, is hereby declared as *Juneteenth Celebration Day* in the City of Berkley.
- **SECTION 2:** The City of Berkley calls upon the community to pause and reflect on this nation's history of slavery and oppression, to celebrate the progress made thus far in ending slavery and the equal rights milestones that have followed, and to acknowledge that more progress must be made to ensure those Americans of African descent are truly free and equal as we move toward a brighter future.

<u>A PROCLAMATION</u> of the Council of the City of Berkley, Michigan <u>Declaring the week of June 19-25, 2022</u> <u>As Lightning Safety Week</u>

- WHEREAS, According to the National Weather Service lightning kills an average of 49 people and injures hundreds more each year in the United States; and
- **WHEREAS,** Every summer the state of Michigan experiences severe thunderstorms which produce lightning strikes that can cause property damage and personal injury; and
- **WHEREAS,** With rising global temperatures the likelihood of severe weather events that produce lightning increases; and
- WHEREAS, When residents are educated on how to remain safe during lightning-producing storms it saves countless lives and reduces injuries.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF BERKLEY HEREBY PROCLAIMS

- **SECTION 1:** That the week of June 19-25, 2022 shall be recognized as *Lightning Safety Week* in the City of Berkley and urges all citizens, government agencies, public and private institutions, businesses, and schools to commit to learning and sharing proper safety and emergency procedures.
- **SECTION 2:** That the City Council directs the City Administration to actively share and communicate information on how residents can remain safe during lightning-producing storm events.

City of Berkley Department of Public Safety

INTEROFFICE CORRESPONDENCE

- DATE: May 26, 2022
- TO: Matthew Baumgarten, City Manager

FROM: Matt Koehn, Director of Public Safety

SUBJECT: REQUEST TO PURCHASE NEXT GENERATION 911 EQUIPMENT AND SERVICE

The Department of Public Safety's FY 2022-2023 budget includes funds to replace the current 911 equipment with Next Generation 911 (NG911) Equipment and Services as mandated by CLEMIS. The NG911 system includes updated software and hardware to answer 911 calls, non-emergency calls, and text to 911 messages in the BDPS Public Safety Answering Point (PSAP) to include calls from Berkley, Huntington Woods, and Pleasant Ridge.

Oakland County has negotiated a purchase contract with Motorola Solutions, Inc. f/k/a Emergency CallWorks, Inc. ("MSI" or "ECW") to purchase the Next Generation 911 (NG911) Equipment and Services. The total cost for this equipment for BDPS is \$54,946.

See attached for further details.

The Department requests to purchase of Next Generation 911 Equipment and Services from Motorola Solutions, Inc. f/k/a Emergency CallWorks, Inc. ("MSI" or "ECW") 1900 International Park Dr Ste 300 Birmingham, AL 35243 at a cost of \$54,946 from the Dispatch Equipment Account #101-306-982-000.

CONTRACT FOR THE PURCHASE OF NG9-1-1 EQUIPMENT AND SERVICES

The Parties hereby enter into this contract, effective on <u>April 4</u>, 2022 ("Effective Date"), between Motorola Solutions, Inc. f/k/a Emergency CallWorks, Inc. ("MSI" or "ECW") and <u>Berkley Dept. Of Public Safety</u> ("Berkley Dept. Of Public Safety"), for the purchase of Next Generation 911 Equipment and Services ("End User Contract").

Whereas, MSI and the County of Oakland, MI, entered into a Contract (No. 004698) for the purchase of Next Generation 911 Equipment and Services ("Contract"), which was amended (under Amendment 3) December 18, 2020 to, among other things, update Exhibit VI to reflect new pricing for Non-Oakland County users and extend the term of the Contract through January 31, 2026. A copy of the Contract and Amendment 3 (collectively referred to herein as the "Primary Contract") is attached hereto and incorporated herein by reference as Exhibit A.

For an amount not to exceed \$54,946.00, <u>Berkley Dept. Of Public Safety</u> agrees to abide by the terms and conditions of the Primary Contract, including its Exhibits, and whenever "County" is referred to in the Primary Contract, and only for purposes of this End User Contract, it will have the same effect as referring to <u>Berkley Dept. Of Public Safety</u>, except as set forth below:

Section 5.1 of the Contract shall be replaced in its entirety with the following:

 a. <u>Performance of Deliverables</u>. Contractor shall provide all Deliverables and Equipment identified in and as set forth in Exhibits II and VI or any Amendments to the Primary Contract.

2. Section 5.2 of the Contract is hereby deleted for purposes of this End User Contract.

3. <u>Section 5.4 of the Contract shall be replaced in its entirety with the following:</u>

a. <u>Financial Obligations</u>. Except as otherwise set forth in this End User Contract, Berkley Dept. <u>Of Public Safety</u> sole financial obligation hereunder shall be set forth Exhibits IV and VI of the Primary Contract. The amount and manner of payment of the financial obligation shall be a Purchase Order based on its respective amount in Exhibit VI of the Primary Contract.

4. Section 5.5 of the Primary Contract shall be replaced in its entirety with the following:

a. <u>Payment Obligations</u>. Except as otherwise set forth in Exhibits II, IV and VI, Contractor shall submit an invoice to <u>Berkley Dept Of Public Safety</u> Contract Administrator, or equivalent, itemizing amounts due and owing under this Contract, as of the date of the invoice. Invoices shall contain the following information: (a) County Contract Number; (b) itemized list of Deliverables;

(c) Contractor Tax ID Number (federal and State); and (d) any other information reasonably requested by <u>Berkley Dept. Of Public Safety</u> shall have no obligation to make a payment under this End User Contract until an invoice is submitted in the form set forth herein and shall have no obligation to pay for Deliverables, which have not been invoiced (as required herein). Unless otherwise set forth in Exhibit II, <u>Berkley Dept. Of Public Safety</u> shall only pay Contractor for Deliverables under this End User Contract and not any subcontractors or assignees of Contractor.

5. Section 7.4 of the Primary Contract shall be replaced in its entirety with the following:

a. <u>Limitation of Liability.</u> Except for Claims resulting in personal injury or death, Contractor's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, indemnification, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed One Hundred Twelve Thousand Dollars (\$54,946.00). ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT NEITHER PARTY WILL BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS CONTRACT, THE SALE OR USE OF THE DELIVERABLES OR SOFTWARE, OR THE PERFORMANCE OF SERVICES BY CONTRACTOR PURSUANT TO THIS CONTRACT. This limitation of liability provision survives the expiration or termination of the Contract and applies notwithstanding any contrary provision.

6. <u>Berkley Dept. Of Public Safety hereby agrees to abide by the terms, conditions, limitations and</u> restrictions contained in Exhibit III (Software License Agreement) of the Primary <u>Contract and</u> further agrees and acknowledges that:

a. The County of Oakland is purchasing and is thereby granted all personal, limited, non-transferable and non-exclusive Software licenses under the Primary Contract as more fully described in Section 3 of Exhibit III.

b. <u>Berkley Dept. Of Public Safety</u> will not be a Licensee of the Software under the Primary Contract.

c. Berkley Dept. Of Public Safety is a user of the Software under the Primary Contract.

7. <u>Exhibit IV – Maintenance Agreement of the Primary Contract, is hereby modified as</u> follows:

a. Section 2.1 is hereby replaced with the following:

i. Fees for services under this Agreement are set forth in Amendment 3 to the Primary Contract (see Exhibit A).

b. Section 3.3 is not applicable to this Contract.

c. Schedule A - "7x24x365 Service - 4-hour On-Site Response Fee Schedule" shall be in accordance with Exhibits II & VI of the Primary Contract.

d. Schedule A – "Spare Parts Kit – COUNTY Site Location(s)" is not applicable to this Contract.

The Parties hereby enter into this End User Contract as of the Effective Date.

9-1-1 INNOVATION FOR NEXT GENERATION

CALLWORKS CALLSTATION EMERGENCY CALL HANDLING

REALIZE THE FULL POTENTIAL OF NG9-1-1

Delivering the industry's first browser-based call handling platform, Motorola Solutions leverages our innovation to provide an easy-to-use, yet comprehensive solution for Next Generation 9-1-1 call handling and mapping. Let CallWorks CallStation help your PSAP face the challenges of today and tomorrow.

SIMPLIFIED **OPERATIONS**

CallWorks CallStation's native i3-compatible application manages the receipt of emergency calls with a simple, user-centric workflow approach. Agencies with a dispatch application can get the latest Voice over Internet Protocol (VoIP), wireless mobile and NG9-1-1 capabilities via our browser-based solution. Call handling is available directly from the Map with the support of traditional 9-1-1 and mapped ALI features and using a browser on the same PC as the dispatch application, with vendors' permissions. CAD interfaces are provided.

A SMART DESIGN

Access to a wide range of information is part of the new landscape for call takers. CallWorks CallStation supplies an intuitive browser interface the first of its kind - that users can immediately understand. This interface includes integrated SMS/Text-to-9-1-1 functionality and supplemental location information from RapidSOS. The innovative user experience improves efficiencies by streamlining call flows at the individual and group levels. For example, CallWorks CallStation's telephony-enabled Map permits innovative ways of managing a complex incident as it unfolds in real time.

ENHANCED ADMINISTRATION

System administrators and PSAP supervisors have browser-based access to various capabilities that enable the system's best performance, as well as that of their PSAP. AdminiStation allows authorized personnel to configure and maintain the system for each agency, PSAP or regional network, as needed, from any location. DecisionStation lets these users and authorized mobile users. view real-time and historical call and incident detail records, unit activity and pre-defined reports, and to conduct data mining, for enhanced situational management and improved operational analysis.

A COMPLETE WORKFLOW

Available as an add-on to CallStation, CallWorks DispatchStation provides dispatch capabilities to enable a complete workflow - from receipt of NG9-1-1 calls to dispatching field resources and sending information to mobile users. Call handling and dispatching are available directly from the Map, supporting traditional 9-1-1, Mapped ALI and CAD.

> **50% LESS Backoffice Server** Infrastructure

DESIGNED TO INCREASE PSAP EFFICIENCY

Integrated Text-to-9-1-1 allows users to handle text and voice calls simultaneously. The conversation between the call taker and texter is displayed on the SMS tab on the far right side of the screen.

On the Map, call takers see a wireless call with RapidSOS location information. The larger yellow circle shows the Telco's estimated range. The smaller red circle shows the RapidSOS estimated range.

CONTINUED INNOVATION

CallWorks CallStation continues to innovate by providing new deployment options and functionality to increase PSAP efficiency.

CALLWORKS CALLSTATION SELECT

Provides a new deployment option, offered as a monthly subscription and delivered as-a-service. CallWorks CallStation Select has all the functionality of CallWorks CallStation, yet with a more compact footprint.

INTEGRATED CALL CONTROL (ICC)

Increases call taker focus by integrating CallWorks CallStation into CAD, using the Spillman Flex solution or PremierOne CAD console. This eliminates the physical back and forth between the call handling and CAD systems and their multiple screens and keypads.

COMMANDCENTRAL 9-1-1 SMART TRANSCRIPTION AND CITIZEN INPUT

Offers cloud-based services for the CallWorks CallStation on-premise solution to give PSAPs new functionality to better serve citizens. Smart Transcription automatically transcribes calls in real-time to provide PSAPs the text. With Citizen Input, PSAPs gain a controlled approach to receiving and managing visual content. Released in 2020.

RETURN ON INVESTMENT

An investment in Next Generation is an investment in a community's safety. Motorola Solutions ensures the PSAP's return on investment in CallWorks CallStation by providing upgrades at no additional charge and covering all system components in one consistent support package. Insure you have a predictable path even as the 9-1-1 landscape evolves.

CORE FUNCTIONALITY OF CALLWORKS CALLSTATION

Moved by Councilmember_____and seconded by Councilmember _____to approve the purchase of a 2023 Prodigy HHX Hydroexcavation Unit at a total cost not to exceed of \$460,000 from Jack Doheny Companies.

Ayes:

Nays:

Motion:

Justification:

- 1. This new piece of equipment will be used primarily for lead service verifications and catch basin cleanings along with high hazard or low impact excavations.
- 2. The purchase would be using the Sourcewell Cooperative Contract. (Formerly NJPA).
- 3. A manufacturer warranty (unlimited hours) will be provided for a term of one year for parts, labor and transportation, no deductible. Extended warranties for both the engine and transmission are included as options.
- 4. Jack Doheny Companies has been selling and servicing this type of equipment for 43 years with a local parts and service facility located in Northville. They have also provided exceptional customer service for us over the past 20+ years.
- 5. This purchase was identified in the 2022-2023 Capital Equipment Replacement Plan. Funds totaling \$460,000 have been appropriated in the 2022-2023 Fiscal Budget under account 592-536-985-000 (Vehicles).

Transmittal Memo

ō:	Matthew Baumgarten,	City Manager

Cc: Mark Pollock, Finance Director

From: Shawn Young, DPW Director

Date: May 18, 2022

Subject: Recommendation for Award - 2023 Prodigy HHX Hydroexcavation Unit from Jack Doheny Companies

24/5/19/22

As part of the FY 2022-2023 budget process, funds in the amount of \$460,000 were allocated for the purchase of a new hydroexcavation unit. This unit will be used primarily for service line verifications, catch basin cleanings, along with other high hazard or low impact excavations. Our staff has researched several different options for this work and has decided that this was this best fit for our needs.

We propose to utilize the Sourcewell Cooperative Contract for this purchase in an actual amount of \$417,323.23 with the remaining \$42,676.77 of the budgeted amount remaining as a contingency for unexpected manufacturer surcharges. This contingency would bring the total funds requested to no more than the budgeted \$460,000.

The Hydroexcavation unit will come with a minimum one-year full warranty for parts and labor (no deductible). There are separate extended warranties that cover the different modules such as engine, transmission, debris/water tanks, and the pump.

The unit was programmed in the 2022-2023 Capital Equipment Replacement Plan. Funds are allocated in the 2022-2023 Fiscal Budget under account number 592-536-985-000 (Vehicles-\$460,000).

Feel free to contact our office with any questions or concerns.

SALE OF NEW EQUIPMENT **TERMS AND CONDITIONS**

- THE AGREEMENT. Jack Doheny Companies, Inc., (the "Seller") agrees to sell, transfer and convey its right, title and interest in the new goods, equipment, 1. vehicles and/or other new items (collectively, the "Equipment") described in Seller's written Invoice for the Sale of New Equipment (the "Invoice") to the Buyer subject to the terms and conditions contained herein, which are incorporated into the Invoice, agreed to by the parties hereto, and together consists of the entire agreement between the Seller and Buyer (collectively, the "Agreement"). The Agreement shall be for the benefit of the Seller and Buyer and not for the benefit of any other person or entity. Prior courses of dealing, trade usage and verbal agreements not reduced to a writing signed by the Seller and Buyer, to the extend they differ from, modify, add to or change from the Agreement shall not be binding on the Seller.
- TERMS OF PAYMENT.
 - Payment Date. All payments for the Equipment are due from Buyer on the date of the invoice unless other terms are agreed to in writing between Seller and 2.1
 - Buyer. Payment shall be made to Seller at the address specified in the Agreement, without any offset or deduction for any reason.
 - 2.2 Shipping Delays. If any shipment is delayed at the request of Buyer, payment shall become due based on the date Seller is prepared to make shipment,
 - and Seller may invoice Buyer based on such date. All prices for Equipment are F.O.B. Seller's shipping point.
 - Delinquent Payments. 2.3
 - Any payment not made by Buyer on or before its due date shall be subject to a late charge on any unpaid balance at a rate of 18% per annum, or 2.3.1 the highest interest rate allowed by law, whichever is greater.
 - If a payment is not made on or before its due date, Buyer agrees that Seller may elect, in addition to any other remedy at law or in equity, to 2.3.2 cease performance under the Agreement and any other agreement between Buyer and Seller until such payment is rendered to Seller .
- DELIVERY. Seller does not guarantee delivery dates. 3
- RISK OF LOSS. Buyer assumes all risk of loss of Equipment upon delivery by Seller to carrier if Equipment is shipped. For Equipment that is shipped, Seller 4. agrees to: (a) prepare the Equipment for shipment to Buyer, (b) deliver custody of the Equipment to carrier; (c) make appropriate arrangements for the transportation to carrier; and deliver documents to enable Buyer to obtain possession of the Equipment. Seller shall not be obligated to obtain insurance or to prepay transportation/carrier costs for the Equipment. Buyer agrees to be responsible for and to timely pay all loading, unloading and other charges incidental to transportation of the Equipment. Whether Seller pays transportation charges or not, risk of loss shall pass to Buyer upon delivery of the Equipment to a carrier.
- 5. INSPECTION OF EQUIPMENT. Buyer has inspected the Equipment and is satisfied with the Equipment's condition.
- INDEMNIFICATION. Buyer shall indemnify, hold harmless and release Seller from any and all liabilities, losses, damages, claims, costs and expenses, including 6 attorney fees, arising out of, in whole or in part, from (a) the design, or manufacture of the Equipment; or (b) the use of the Equipment by Buyer and those acting on Buyer's behalf.

7. MISCELLANEOUS.

- 7.1 No Assignment. There shall be no assignment of the Agreement by Buyer without the prior written approval of Seller. Any assignment of the Agreement shall not relieve Buyer of its obligations under the Agreement.
- 7.2 Force Majeure. Neither party will be liable for any delay or failure to perform its obligations hereunder, other than a payment obligation, due to any cause beyond its reasonable control including without limitation, acts of God or of the public enemy, including terrorists, acts of the government in its sovereign capacity, fires, floods, epidemic, strikes, picketing or boycotts, or any other circumstances caused by natural occurrences or third party actions beyond the reasonable control and without the fault or negligence of the party whose performance is affected ("Force Majeure Events"); provided that the affected party provides the other party prompt notice of the applicable circumstance and uses commercially reasonable efforts to re-commence performance as promptly as possible; provided, further, that if the duration of such Force Majeure Event exceeds thirty (30) days, the other party may terminate the Agreement upon delivery of written notice to the affected party.
- 7.3 Venue. The parties agree that any dispute under the Agreement shall be brought in the applicable state or federal court located in the county in which the Originating Branch is located and the parties waive any right to a jury trial.
- Construction and Captions. The parties acknowledge that each has reviewed the Agreement and that the normal rules of construction to the effect that any 7.4 ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Agreement or any exhibits or amendments hereto; and that section headings appearing in the Agreement are for convenience of reference only and they are not intended, to any extent or for any purpose, to limit or define the text of any section or any subsection hereof. In the event any part of the Agreement is found to be ambiguous, such ambiguity shall not be construed against any party.
- 7.5 Entire Agreement. The Agreement constitutes the sole and entire agreement between the parties and supersedes all prior and contemporaneous statements, promises, understandings or agreements, whether written or oral,
- Amendments. The Agreement may be amended, modified or altered at any time upon the approval of the Seller and Buyer; however, any such amendment 7.6 must be in writing and signed by the Seller and Buyer in order for such amendment to be of any force and effect.
- Partial Invalidity. In the event that any provision of the Agreement is declared by any court of competent jurisdiction or any administrative judge to be void or 7.7 otherwise invalid, all of the other terms, conditions and provisions of the Agreement shall remain in full force and effect to the same extent as if that part declared void or invalid had never been incorporated in the Agreement and in such form, the remainder of the Agreement shall continue to be binding upon the parties.
- 78 Counterparts. The Agreement and any amendment thereto may be signed and executed in one or more counterparts, each of which shall be deemed an original and all of which together shall constitute one Agreement. Delivery of an executed counterpart of a signature page of the Agreement by facsimile or email shall be effective as delivery of an originally executed counterpart of the Agreement .
- Authority. Each person(s) executing the Agreement as an agent or in a representative capacity warrants that he or she is duly authorized to do so . 7.9

NO WARRANTY. SELLER MAKES NO WARRANTIES OR REPRESENTATIONS EXPRESS OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MARKETABILITY OR FITNESS FOR PARTICULAR PURPOSE, ALL OF WHICH ARE SPECIFICALLY HEREBY DISCLAIMED. To the extent allowed by law and those agreements, Seller transfers and assigns to Buyer the Equipment manufacturer's warranties, if any such warranty is provided by the Equipment manufacturer. In no event shall Seller be liable to Buyer for any incidental, consequential, special, exemplary, and/or punitive damages, including without limitations, loss of revenue or profit.

June 6, 2022 City Council Meeting

Moved by Councilmember _______ and seconded by Councilmember _______ to approve a five-year agreement with PSLZ, LLC as submitted and signed by Managing Partner Rana Emmons in a proposal dated May 12, 2022, to provide Professional Auditing Services for the City of Berkley as the lowest qualified and recommended bidder in the amount of \$30,000 in Fiscal Year 2022-2023, and the following four years as follows; \$31,000 in year two, \$32,000 in year three, \$32,000 in year four, and \$33,000 in year five. Also, for PSLZ, LLC to provide services to file a Single Audit, if necessary, for \$5,000 each, in year one and two and \$6,000 each year in years three through five.

City of Berkley-Finance Department

MEMORANDUM

То:	Matt Baumgarten, City Manager
From:	Mark Pollock, Finance Director/Treasurer
Date:	May 26, 2022
Subject:	Review and Recommendation for Audit RFP

Plante Moran has been the City of Berkley's Professional Auditing firm for 16 years. Although we did not have any specific issues with Plante Moran as an auditing firm, we did have some issues with a changeover in personnel who dealt with our finance staff during fieldwork for our annual audit. This did present some frustration over the past three years, so I did share that concern with Keith Szymanski, our Plante Moran audit partner. Plante Moran continues to be one of the most respected audit firms in this area of Southeast Michigan and we continue to hold them in high regard. I explained to Keith that this RFP was being done mostly in the interest of honoring our due diligence for auditing service and to see where annual audit fees compared to other firms in this area.

The Finance Department prepared and issued a Request for Proposals (RFP) for Professional Audit Services back on April 18, 2022. Mike Smith was essential in assisting the Finance Department with preparing and issuing this RFP. The RFP was posted with a deadline for submission of May 13, 2022. I received questions from four different audit firms and answered them by the following day. All firms who submitted questions did subsequently submit an RFP for our consideration. By the May 13^{th,} 10 AM deadline, we received eight proposals all of whom met the requirements of the RFP criteria. The bids were opened by Me and Victoria Mitchell, our City Clerk on May 13th, and a bid tab list of those proposals was prepared on that day.

The results of those bid proposals were included in the folder made available by Victoria Mitchell for City Council review on Monday, May 16, 2022. In summary, all of the bids presented the required amount for an annual audit and a separate single-audit for federal funds, if required. For the professional audit proposal, the bid amounts ranged from a low bid of \$30,000.00 to a high bid of \$60,000.00. The single-audit bids ranged from a low of \$5,000.00 to a high bid amount of \$15,000.00.

Mike Smith and I reviewed all of the bids on May 17, 2022, and reviewed them for the bid amount, completeness of requirements, experience with municipal clients, and references. Mike and I agreed to narrow down the RFPs originally down from eight to four and then from four to three. Although bid price is a very important part of the selection criteria, it was not the only factor in our selection. Plante Moran was given extra consideration since they have been the auditing firm for the City of Berkley for many years. However, we could not overlook that their auditing service proposal of \$57,000 was the third-highest among all eight firms that submitted a proposal and were the highest among the final four that we originally chose as finalists. Due to that, we did not include them in our final three proposals. After that, we reviewed the bid proposal price and references of those final three.

After weighing all of the vital criteria and careful consideration, we agreed that PSLZ, LLC was the best choice as the next auditing firm for the City of Berkley. Not only was their bid of \$30,000.00 the lowest bid price of the three we chose as finalists, but they were the lowest in bid price by \$12,000.00 over the next lowest bidder. They also tied for the lowest proposal of a single-audit bid of \$5,000.00. These are two of the many reasons we are recommending the City Council approve PSLZ, LLC as the next Professional Auditing firm for the City of Berkley.

Although receiving a bid significantly below the others could be a red flag, I spoke with Rana Emmons from PSLZ, LLC and asked her why they were so much farther below the other bids and she assured me that they most often do charge lower than most firms and they bid what they thought would give them the best chance to work with Berkley. Their experience with local government auditing with several clients close in size to Berkley along with other larger organizations, as well as their impeccable reputation in Southeast Michigan makes them the best choice for Berkley. Also, in the interest of full disclosure, Mike Smith and I have both worked with their firm and audit partner, Rana Emmons. We both agreed that PSLZ, LLC and Rana Emmons are tremendous to work with as municipal auditors and our experience with Rana and her firm more than exceeded our expectations. I worked with PSLZ, LLC as the City of Clawson's auditing firm for my 18 years there and Mike also worked with them during all of his years in Clawson and his time in Wolverine Lake. Since Laurie is also a big part of our annual audit preparation, I asked her to review RFPs and give us her thoughts. Although she was not able to review all of the submitted proposals, she agrees with our recommendation of PSLZ, LLC as the next auditing firm for the City of Berkley.

PSLZ, LLC represents numerous municipal clients in this area including Rochester, Plymouth, Keego Harbor, Wolverine Lake, Franklin, Bingham Farms, and Clarkston. They also represent several Townships including Lyon, Oxford, and Ypsilanti.

Their RFP, as requested shows their proposed annual audit rates as follows: Year 1 - \$30,000, Year 2 - \$31,000, Year 3 - \$32,000, Year 4 - \$32,000, and Year 5 - \$33,000. Single Audit proposed amounts are \$5,000 in years a and 2 and \$6,000 in years 3 through 5. Rana will attend the June 6, 2022, City Council meeting and will be happy to introduce herself and her firm, PSLZ, LLZ to the City Council, City Staff, and all of Berkley. I spoke with her and she is extremely excited to work with Berkley as her newest client. If you or City Council have any questions please let me know.

FREE FAMILY FUN & FREE PARKING **Berkley Downtown Development Authority Berkley Pride Block Party**

Sunday, June 26, 2022 12:00 PM to 4:00 PM

Location: Robina Avenue, north of 12 Mile Road

(pending municipal approval)

Objective: Continue our expanded Downtown Berkley promotional events calendar and build upon the momentum of our newer Downtown Block Party Series; Draw further interest and activity to the Robina business cluster and infuse foot traffic for downtown businesses on an otherwise slower Sunday; Leverage the latest downtown mural at Robina; Stimulate additional exposure of the unique experiences and shopping opportunities offered in dynamic Downtown Berkley; Bring the Berkley community together during Pride month.

Inspired by the City of Berkley's beloved tradition of neighborhood block parties throughout residential sections of our community, and building off of our continued downtown promotional events success, our Berkley Downtown Development Authority launched a series of downtown 'Block Party' events last October (Monster Mash), this February (Frozen February), and May (Fam Jam at Flipside Records). These block parties will be intentionally moved throughout our sizeable downtown to activate more segments of the thoroughfares, and spotlight the many unique and interesting downtown retailers Downtown Berkley offers.

For our next Downtown Block Party, the theme is Berkley Pride Block Party. It will feature family-friendly games and crafts, resource tents, food trucks, and DJ entertainment. Multiple downtown businesses are making an intentional point of expanding their hours to open on Sunday to capitalize on the increased food traffic. We welcome additional creative ways that other businesses and community organizations would like to add to this event, so please let us know your thoughts and interest.

Estimated Budget: \$1,800 Costs to Cover:

- Paid Social Media Marketing and Promotional Efforts
- Downtown Berkley Promotional Items for Distribution
- 'Card My Yard' BERKLEY PRIDE Temporary Signage and Photo Stations
- Décor to Enhance the Robina Streetscape
- Arts and Craft Station Supplies
- Face Painting Station Materials
- Anticipated Stipend for Musical DJ Service
- Promotional Shirts for Downtown Berkley Volunteers

City of Berkley Department of Public Safety

INTEROFFICE CORRESPONDENCE

DATE: May 24, 2022

TO: Matthew Baumgarten, City Manager

FROM: Matt Koehn, Director of Public Safety 💋 🏸

SUBJECT: Berkley Pride Block Party

The Berkley Downtown Development Authority has submitted an application the "Berkley Pride Block Party". The event will take place on Saturday, June 26, 2022 from noon to 4 PM on Robina north of 12 Mile Road to the north end of the public parking lots. This event will close the road from 9 AM to 6 PM for setup and cleanup.

The Berkley Pride Block Party will feature a DJ, entertainment, food trucks, kid crafts, games, and community outreach booths.

The Department of Public Safety has reviewed the application. The Berkley Downtown Development Authority is an entity of the City of Berkley. The Berkley Pride Block Party will be staffed by one employee and 24 volunteers. Volunteers will be stationed at the road closure locations. The Berkley Downtown Development Authority has not submitted a petition signed by the majority of area businesses approving of the road closure.

The Department of Public Safety will collaborate with the Berkley Department of Public Works to work out all of the details of the event. Upon approval, DPS will prepare a TCO for all closures.

The Department of Public Safety will monitor this event.

The Department of Public Safety recommends approval of the Berkley Pride Block Party. This approval is contingent upon the submission of the petition signed by the majority of area businesses approving of the road closure.

CITY OF BERKLEY MICHIGAN

After reviewing the Application for the 2022 Berkley Pride Block Party I have the following recommendations.

1. Protective measures such as concrete barriers should be used at both ends of the Robina closure and adjacent alleyway and driveway approaches so coordination of opening and closing times will be extremely important. All items must be removed from the closure areas within the requested closure times.

2. The applicant is responsible for providing all resources necessary to safely operate the event. The street light plugs are not to be used to support the food trucks and vendors. There is limited power available on Robina near the alley north of 12 Mile.

3. We recommend prior written notification be provided to all of the businesses and residents in the immediate area.

4. Volunteer assistance is a critical piece to the overall success of this event. Volunteers should be stationed at the closure locations to maintain barricade placements (especially during early set-up and at the end of the event).

5. DPW may request to modify the scope and time of the closure to limit the impacts on the surrounding residential neighborhood and allow time to safely install and remove any barricades or barriers.

6. A signed TCO will be required from Public Safety prior to the start of the event.

7. Please note the cost to the City for DPW labor and equipment is approximately \$3,000 for this event.

Thank You [Quoted text hidden]

MEMORANDUM

TO:	Matt Baumgarten, City Manager
CC:	Mark Pollock, Finance Director
FROM:	Matt Church, Library Director
DATE:	May 26, 2022
RE:	Modification of library fee schedule

For the last several years, public libraries across the country have been moving to a "fine free" service model. Going fine free eliminates a barrier to access the library and its resources. It also reduces the tension that inevitably arises between staff and the public when fines are disputed.

Overdue fees are a very small portion of the library's overall budget. The Berkley Library generates about \$250 per month from overdue fees. Meeting room rentals and proctoring fees go into the overdue fees account as well but I'd estimate actual fines being \$175-250 per month.

A recently instituted "automatic renewal" service with our consortium renews items automatically for patrons. This change has helped reduce the amount of overdue fines charged.

When the library was open for curbside service only and during the early phase of our return to in-person service, we did not charge patrons overdue fees. This was an interesting test of the fine free model and it was certainly a success. Between not bickering about when an item was returned or people holding onto items fearing the worst, it really transformed our interactions with patrons. We also saved staff time at the library and City Hall without the need to count, record, and deposit overdue fees.

The library has made other changes recently to reduce or eliminate barriers to use the library. We removed a lost card replacement fee and no longer charge video rental fees. Changes such as these make the library available to all users without any financial hurdles in the way.

I can't tell you the number of times I've had patrons say they had a lost library book at home but didn't want to bring it back because they feared there'd be a very high fee or they were embarrassed to bring a lost item back. Eliminating overdue fees removes this tension and encourages people to continue to use the library. It also allows us to focus on getting the materials back on the shelf. That's ultimately our main priority.

Will some patrons abuse a fine free library? Certainly. That's to be expected and will have to be accepted. I believe that most will not abuse it. We did not see rampant abuse when we were fine free last year.

The library will still charge for lost items. After being considered overdue for an extended time, the patron is billed for the replacement of the item. As a fine free library, they would need to get the lost item returned and then all fines would be cleared from the item. Lost items will prevent further use the library card until the items are returned or the replacement fees are paid.

If the item remains lost and no action is taking by the patron, the account will eventually be referred to a collection agency. We have had good success with the collection agency over the last several years. Having the collection agency in place will help ensure delinquent accounts are dealt with.

Having seen libraries flourish with a fine free approach, I am confident it will be a success in Berkley. If we can have more overdue or lost items returned to the library and get borrowers back in good standing sooner, I am sure we will be a better library for it.

The library board supports eliminating the following categories in the library's fee schedule: Children's books, Adults and teen books, DVD's and videos, and nonprint materials. The elimination of these fees has already been factored into the FY 2022-23 budget that was approved in May 2022.

In addition to the elimination of the overdue charges in the fee schedule, I'd like to increase the collection agency referral fee from \$10 to \$12. This fee increase was made by the collection agency for new accounts being referred so we'd be passing it onto the patron. This \$12 fee covers the charge we pay for newly referred accounts and does not generate additional revenue.

I recommend both of the changes above in bold become effective on July 1, 2022. If you need anything further or have any questions, please let me know.

A RESOLUTION

of the Council of the City of Berkley, Michigan to temporarily suspend enforcement of Residential Grading and Drainage Standards, in City Code Chapter 26, Article XII, in regard to small projects, accessory structures, and improvements to existing residential buildings and structures.

Whereas, the City of Berkley has adopted Residential Grading and Drainage Standards, in City Code Chapter 26, Article XII; and

Whereas, the City has determined that in connection with some small projects, especially in regard to accessory structures and improvements to existing structures, the standards can apply inequitably and be in some cases overly strict, and in others too lax; and

Whereas, the City Council wants to temporarily suspend the enforcement of the Residential Grading and Drainage Standards in regard to small projects, accessory structures, and improvements to existing residential buildings and structures while the City Administration studies, evaluates and develops possible amendments to the Residential Grading and Drainage Standards to address these concerns.

Therefore, it is resolved that the City of Berkley City Council directs that enforcement of Residential Grading and Drainage Standards in City Code Chapter 26, Article XII, in regard to small projects, accessory structures, and improvements to existing residential buildings and structures is temporarily suspended, effective immediately, until further action of City Council.

It is further resolved that while this temporary suspension of enforcement is in place, the City Administration is directed to study, evaluate, draft and present to City Council proposed amendments to the current Resident Grading and Drainage Standards.

It is further resolved that the current Residential Grading and Drainage Standards shall continue to apply and be enforceable as to any new residential development.

Introduced and passed at a Regular City Council Meeting on Monday, June 6, 2022.
