

New Service: Accessible Absentee Voting Now Offered for Voters with Disabilities

The Commonwealth of Massachusetts is now offering a new accessible option for voters with disabilities to vote from home. **OmniBallot**, an accessible web balloting portal, has been deployed to assist voters who cannot vote at a polling place or on a paper mail ballot, due to geography or a disability. Click the link below to learn more about marking your ballot independently and privately for the upcoming election through the use of the OmniBallot portal.
